The Green Man:

The Green Man Harold M. Sherman, 2016-04-09 How would you greet a man from another planet With scientists declaring that manned rockets may perhaps in the next ten years be shot to the moon isn't it just as possible that some being from a far off planet might pay us earth creatures a visit tomorrow next week at any time In Harold M Sherman's exciting story **THE GREEN MAN** you get an advance idea of how the great men and women of this earth how you yourself would react when a CREATURE from ANOTHER WORLD arrives Numar **THE GREEN MAN** pays us a visit traveling over a trillion miles from his planet Talamaya via space ship to land on our world This is quite possible the most amazing story you have ever read more amazing still when you consider that it COULD happen *The Green Man* Kathleen Basford, 1978 The green man the image of the foliate head or the head of a man sprouting leaves is probably the most common of all motifs in medieval sculpture This book looks at the development and significance of the green man **The Green Man** Kingsley Amis, 2013-05-07 The owner of a haunted country inn contends with death fatherhood romantic woes and alcoholism in this humorous rattling good ghost story from a Booker Prize winning author The New York Times Maurice Allington has reached middle age and is haunted by death As he says I honestly can't see why everybody who isn't a child everybody who's theoretically old enough to have understood what death means doesn't spend all his time thinking about it It's a pretty arresting thought He also happens to own and run a country inn that is haunted The Green Man opens as Maurice's father drops dead had he seen something in the room and continues as friends and family convene for the funeral Maurice's problems are many and increasing How to deal with his own declining health How to reach out to a teenage daughter who watches TV all the time How to get his best friend's wife in the sack How to find another drink And another And then there is always death The Green Man is a ghost story that hits a live nerve a very black comedy with an uncannily happy ending in other words Kingsley Amis at his best **Walking With the Green Man** Bob Curran, 2007-03-05 Almost since the dawn of time the image of the Green Man the carved enigmatic head surrounded by leaves and foliage has both intrigued and mystified viewers and folklorists alike Appearing in churches taverns and even on stately buildings the carving seems shrouded in supernatural obscurity Is it merely a fertility symbol or is it something much deeper which calls for a response from us all Though it seems a predominantly Celtic icon does the concept of the Green Man also appear in other places and in other cultures What is its relevance for the world today In an absorbing new book Dr Bob Curran traces the many strands that make up this enigmatic image Tracing its origins from prehistoric times he explores its significance in the medieval world and discusses its development in the modern world He also investigates the image's psychological appeal which has allowed it to continue down through the ages and pulling from a variety of sources its impact upon other cultures in various parts of the world From heroic archetypes such as Robin Hood to Demigods such as Herne the Hunter from the King of the Woods to the Jack in the Green **Walking With the Green Man** examines the interconnection of man and Nature throughout

history Whether as a man amongst the trees a man of the trees or a symbol of Nature used to express secrets and solidarity the Green Man s visage is traced throughout lands and cultures Walking With the Green Man will appeal to all those who are interested in the image of the Green Man as an example of symbolic art as well as to those who are interested in folklore and the interplay between folklore and culture It is a fascinating study which not only examines the history of the icon but also its development within human perception The Mythic Forest, the Green Man and the Spirit of Nature Gary R. Varner,2006 In this world tour of folklore and ancient art Varner examines the images we give to the spirit of nature and explores this important aspect of human perception The Quest for the Green Man John Matthews,2001-08-01 Explores the theme of the Green Man in mythology folklore and literature throughout history in such guises as Merlin Robin Hood Herne the Hunter the Green Knight Enkidu and Cernunnos **The Green Man** ,1980 A rich arrogant youth enforced stay in the forest changes his once selfish life into a useful generous and stisfying one Based on a legend of The green man **The Path of the Green Man** Michael Thomas Ford,2005 A handbook containing information of interest to gay men who want to know what paganism and Wicca are how these traditions speak specifically to them and how to go about beginning to explore pagan spirituality as a rewarding spiritual path The Path of the Green Man is composed of two parts arranged in alternating chapters The first part is a basic primer on paganism and Wicca on spiritual practice and beginning to play with the tools of spirituality The second part puts all of this information to use in a practical guide to living the pagan year **Urban Green Man** Janice Blaine,Adria Laycraft,2013-08-15 The stories in this anthology are ripe with magic of new beginnings and will change the way you look at life forever With an introduction by Charles deLint Urban Green Man is a large anthology of urban and contemporary short literature from an international cast of authors Every story follows the theme of renewal surrounding the mythology of the Green Man **Hillhouse The Greenman of Gorleston** Cheryl Briard,2016-11-03 This is a story for young readers that takes place in pre WW1 rural England It is a tale rich in folklore tradition community spirit family and environmental awareness It touches on the importance of our connection with nature and the seasons of our own lives **Weird Pennsylvania** Matthew Lake,2005 The Quaker State the Keystone State the Coal State Pennsylvania is called all of these But we like to call it the Weird State because there s enough strange stuff going on here to fill an encyclopedia or better yet a book appropriately called Weird Pennsylvania And who better to chronicle this state s roadside oddities ancient mysteries ghosts and bizarre beats than Matt Lake who just like Benjamin Franklin isn t from our state at all but sure has it in his bones From the time he first arrived here last century Matt has traveled thousands of miles searching out Pennsylvania s best kept secrets and oddest legends Scuttling about by every means available except maybe the horse drawn vehicles favored by some of our more famous citizens and with notebook and camera in hand Matt has gamely entered haunted houses trekked lesser traveled roads discreetly photographed shoe shaped houses and made his way warily through abandoned mental institutions Sheer force of will stopped him from buying a heart shaped bathtub at the Mount Airy Lodge
