Radiohead , International News in the Digital Age Judith Clarke, Michael Bromley, 2012-01-25 The new research presented in this volume suggests that general perceptions cultural psychological geographical allied to the customs and values of journalism and underpinned by the uses of technology significantly shape international news This gives rise to a blend of the old and the new traditions of cultural centredness and innovative practices anchorages of place and the rootlessness of globalization Technology per se has not swept all before it On the other hand its uses have altered the means and methods of international news sourcing construction and dissemination Consequently the uptake of technology has contributed to fundamental changes in style and form and has greatly facilitated cross cultural exchanges The category international news is now more of a hybrid as recognized by the BBC and others The chapters in this book demonstrate that this hybridity is unevenly distributed across geo political domains and often across time Nevertheless as the contributors to this volume show the concept of international news relies on tightly interwoven elements of orthodox journalism social media

civic expression and public assembly **The War Against the BBC** Patrick Barwise, Peter York, 2020-11-19 There s a war on against the BBC It is under threat as never before And if we lose it we won t get it back The BBC is our most important cultural institution our best value entertainment provider and the global face of Britain It s our most trusted news source in a world of divisive disinformation But it is facing relentless attacks by powerful commercial and political enemies including deep funding cuts much deeper than most people realise with imminent further cuts threatened This book busts the myths about the BBC and shows us how we can save it before it s too late **Sheffield , Public Service Broadcasting Online** B. Brevini, 2013-09-27 This book investigates the extent to which a Public Service Broadcasting PSB ethos has been extended to the online world in Europe It examines the most significant policy initiatives carried out by PSBs in Europe on online platforms and analyzes how the public service philosophy is being reinvented by policy makers *Sports Broadcasting* Kevin Hull, 2022 This undergraduate textbook provides students with the information and skills needed to be a well rounded sports television or radio broadcaster Students will learn how to write for broadcast shoot and edit video and prepare for all the additional tasks needed along the way **Books, Bytes and Business** Bill Martin, Xuemei Tian, 2016-04-08 How are businesses responding to global changes in markets driven by changes in technology Whatever the industry the trends are familiar globalization and the rise of industrial conglomerates mergers and acquisitions the networking of businesses and markets outsourcing and shifts in the distribution of resources and production all reflected in the emergence of new players new products and services and new forms of competition As arguably the first knowledge based business book publishing provides an ideal setting for the study of challenge and opportunity The industry is currently experiencing fierce levels of competition extreme financial pressures restructuring and the threat of technology induced obsolescence Added to these are the challenges posed by new and potential entrants to the market the emergence of new products and services new ways of doing business including trading in virtual markets and the vulnerability of traditional business models The suitability of book publishing as a context for researching the emergence of knowledge based business becomes all too apparent Through combining primary research with secondary analysis drawn from the relevant literatures *Books Bytes and Business* is both a readable and informative account of business in the knowledge based economy
