The Final Probation to a Lost World Paul Tobia, 2025-06-25 To my readers In a world lost in such darkness children genocidal hate with rounds of ammunition and demonic possession I offer the salve and medicine My book a gentle expression to quench the parched and writhing tendrils of lost humanity If there is anything God created more beautifully then it is his children Now silenced forever God kept it all for himself *The Pure Joy of Being* Fabrice Midal, 2017-10-17 An illustrated introduction to the history of Buddhism through teachings on its relevance today and simple meditation practices There is only one moment in time when it is essential to awaken That moment is now Buddha The art of Buddhism beautifully depicts enlightened beings who demonstrate the practice of meditation yet while deeply inspiring art alone cannot teach one to meditate In *The Pure Joy of Being* Fabrice Midal brings together traditional Buddhist art with enlightening text as a way to teach the tradition and practice of meditation Filled with images of bodhisattvas and awakened beings who illustrate the possibility of freedom alongside practical instruction advice and meditations for the everyday situations we face on a daily basis this book is an accessible introduction to meditation and the wisdom of the Buddha's teachings To meditate is to remain in the present moment with attention and benevolence to remove the desire to manage everything and to open yourself up to life and all that is possible It's as simple as that And yet meditating is not easy What is true happiness How can we overcome
