The Inspector And Silence:

The Inspector and Silence Hakan Nesser, 2011-06-14 It's a sweltering summer in Sweden and Chief Inspector Van Veeteren is long overdue for a holiday when a secretive and dubious religious sect comes under investigation. One of its members, a girl on the cusp of adolescence, is found dead in the forest near their holiday camp, brutally raped and strangled. The discovery of her body has been phoned in by an anonymous caller. The members of the sect, the Pure Life, are led by Oscar Yellinek, a charismatic but unnervingly guarded messiah figure. In an act that mystifies and infuriates Van Veeteren and his associates, the members of the Pure Life choose to remain silent about the incident rather than defend themselves. But an unidentified woman is continuing to assist the authorities, and her knowledge suggests she's more than just a passing Good Samaritan. Her tips become doubly perplexing as a new string of increasingly horrifying crimes defy everything Van Veeteren and his team thought they knew about the case. A riveting new addition to Hakan Nesser's acclaimed series *The Inspector and Silence* is suspense at its haunting best.

The Inspector and Silence Håkan Nesser, 2011 Investigating a dubious religious sect in the aftermath of a young girl's brutal murder, Inspector Van Veeteren is frustrated by the group's secretive refusal to defend itself, a case that is complicated by increasingly perplexing tips by an anonymous woman. By the award-winning author of *Mind's Eye*. *The Secret Policemen* Tim Vee, 2022-01-26 When a citizen is murdered by the secret police, a cover-up is required. This cover-up grows and morphs and touches everyone on the way to the very top of the People's Republic and the Ministry of State Security. *The Secret Policemen* tells the story of the corrupt Police Inspector, the violent Smoking Man, and the sex worker Karla. The Inspector and the Smoking Man will do anything to avoid a one-way trip to the ominous sounding Farm, and Karla is just trying to stay out of everything. *The Secret Policemen* is a story full of interesting characters, absurdity, darkness, betrayal, and the unfortunate people of the People's Republic. *The Secret Policemen* will make you laugh and cry and will shock and surprise you. This is the first book of a duology that charts the life and tribulations of Karla. *The Secret Policemen* is a wickedly transgressive dark comedy. *The Living Age*, 1857 *Public Opinion Polling in Mid-Century British Literature*

Megan Faragher, 2021-08-19 Whereas modernist writers lauded the consecrated realm of subjective interiority, mid-century writers were engrossed by the materialization of the collective mind. An obsession with group thinking was fuelled by the establishment of academic sociology and the ubiquitous infiltration of public opinion research into a bevy of cultural and governmental institutions. As authors witnessed the materialization of the once opaque realm of public consciousness for the first time, their writings imagined the potentialities of such technologies for the body politic. Polling opened new horizons for mass politics. *Public Opinion Polling in Mid-Century British Literature* traces this most crucial period of group psychology's evolution: the mid-century when psychography, a term originating in Victorian spiritualism, transformed into a scientific praxis. The imbrication of British writers within a growing institutionalized public opinion infrastructure bolstered an aesthetic turn towards collectivity and an interest in the political ramifications of meta

psychological discourse Examining works by H G Wells Evelyn Waugh Val Gielgud Olaf Stapledon Virginia Woolf Naomi Mitchison Celia Fremlin Cecil Day Lewis and Elizabeth Bowen this book utilizes extensive archival research to trace the embeddedness of writers within public opinion institutions providing a fresh explanation for the new material turn so often associated with interwar writing
