Coker,2005-12 A look back on 2005 through the writings of some loser from New Mexico **Arab Folktales from Palestine and Israel** Raphael Patai,1998 Arab Folktales from Palestine and Israel is a collection of twenty eight tales with insight into the Arab culture by Raphael Patai Homing Sherrie Flick,2024-09 Homing Instincts of a Rustbelt Feminist traces the creative coming of age of a mill town feminist Sherrie Flick whose childhood spanned the 1970s rise and 1980s collapse of the steel industry returned to Pittsburgh in the late 1990s witnessing the region s before and its after With essays braiding unbraiding and then tangling the story of the author s father with Andy Warhol faith dialect labor whiskey Pittsburgh s South Side Slopes neighborhood grief gardening the author s compulsion to travel and her reluctance to return home Flick examines how place shaped her experiences of sexism and feminism She also looks at the changing food and art cultures and the unique geography that has historically kept this weird hilly place isolated from trendy change Carefully researched deeply personal and politically grounded in place and identity Homing is an explicitly feminist and anti nostalgic intervention in writing about the Rustbelt **From Alzheimer's With Love** Marc Swift,2017-04-01 Outsmart the Brain Go for the Heart Marc s mother was exhausted by the time her husband reached his third year of Alzheimer s disease Marc comes to Orlando from Tulsa for the week of Thanksgiving His mother asks him to stay From Alzheimer s with Love is the true life story of a 6 month journey from deterioration to restoration from this devastating disease As Marc follows his vision from Jesus he discovers new ways to outsmart Alzheimer s by going for the heart Marc enables his dad to get back in touch with himself through interactive physical exercise guided visualization and narrative storytelling Find freedom for your loved one by taking this life giving journey Discover how Marc developed a system to help his father escape the prison of his own isolation and reconnect with his wife and son In this story you will take an intimate walk through the daily struggles of helping to restore connection with victims of Alzheimer s disease Poor Tom Simon Palfrey,2024-05-31 King Lear is perhaps the most fierce and moving play ever written And yet there is a curious puzzle at its center The figure to whom Shakespeare gives more lines than anyone except the king Edgar has often seemed little more than a blank ignored and unloved a belated moralizer who try as he may can never truly speak to the play s savaged heart He saves his blinded father from suicide but even this act of care is shadowed by suspicions of evasiveness and bad faith In Poor Tom Simon Palfrey asks us to go beyond any such received understandings and thus to experience King Lear as never before He argues that the part of Edgar is Shakespeare s most radical experiment in characterization and his most exhaustive model of both human and theatrical possibility The key to the Edgar character is that he spends most of the play disguised much of it as Poor Tom of Bedlam and his disguises come to uncanny life The Edgar role is always more than one person it animates multitudes past and present and future and gives life to states of being beyond the normal reach of the senses undead or not yet or ghostly or possible rather than actual And because the Edgar role both connects and retunes all of the figures and scenes in King Lear close attention to this particular part can shine stunning new light on how the whole play works The ultimate message of

Palfrey's bravura analysis is the same for readers or actors or audiences as it is for the characters in the play see and listen feelingly pay attention especially when it seems as though there is nothing there

Faithful Vision examines African American novels written during the last half of the twentieth century demonstrating that religious vision not only informs black literature but also serves as a foundation for black culture in general Reviewing novels written James Baldwin Toni Morrison John Edgar Wideman Gloria Naylor Erna Brodber Ishmael Reed and others the author explores how black authors have addressed the relevance of faith especially as it relates to an oppressive Christian tradition and shows that ultimately their novels never reject the vision of faith *Faithful Vision* contributes a bold critical dimension to African American literary studies

An Alternative Decision I. R. Jangharia, 2010 It is a book which gives an insight into some fundamental questions of our existence which you and I have considered within ourselves at one time or another in our lives Some of us have been too afraid to tackle these type of questions and some of us have not attempted to research the answers to the fundamental questions of our existence due to not being able to have the time to research them deeply in order to uncover the truth Sadly with regret many of us are simply too ignorant to even consider or research certain truths because we think we know best It is a book which highlights to the point in a very concise manner It is a book which allows you to think It encourages you to go even deeper into establishing a certain truth for your own satisfaction in your own heart and mind It is a book simplified even for the intellectuals in order to take up as a challenge for yourself You certainly owe it to yourself It is left for you to agree or

disagree and come to your own conclusions after considering some or all of the points raised Or you may still sit on the fence It opens up another window in your life highlighting the very fundamental issues of the existence of life and leaves it upon you to come to a decision within yourself An Alternative Decision to the one that you might already hold **Nice** Sharon Hodde Miller, 2019-08-20 God never called us to be nice What happens when we replace courage with compromise What happens when we replace honesty with likability What happens when we replace conviction with clichs What happens when we replace discipleship to Christ with a devotion to nice We live in a culture that prizes niceness as one of its highest virtues Niceness keeps the peace wins friends gains influence and serves our reputations well but it also takes the teeth out of our witness and the power out of our faith When we choose to be nice instead of faithful we bear fruits that are bland bitter empty and rotten to the core In this life changing book Sharon Hodde Miller explores the seemingly innocent idol that has crept into our faith and quietly corrupted it producing the bad fruits of cowardice inauthenticity shallowness and more Then she challenges readers to cultivate a better tree providing practical steps to reclaim our credibility as followers of Christ and bear better richer more life giving fruits
