The Gospel According:

The Gospel According to Jesus John F. MacArthur, 2009-05-26 What is authentic faith The Gospel According to Jesus challenges Christians to re evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone The Gospel According to Jesus is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book s timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ

The Gospel According to Mark James R. Edwards, 2002 This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today s church Written by a biblical scholar who has devoted thirty years to the study of the second Gospel this commentary aims primarily to interpret the Gosepl of Mark according to its theological intentions and purposes especially as they relate to the life and ministry of Jesus and the call to faith and discipleship Unique features of James Edwards s approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel s literary features including Mark s use of the sandwich technique and of imagistic motifs and irony Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13 and he argues for a new understanding of Mark s controversial ending

The Gospel According to St. John C. K. Barrett, 1978-12-01 In this useful work C Kingsley Barrett offers an insightful commentary on the book of John Barrett seeks to view John in light of a variety of contexts including that in which it was written and its implications for modern day readers The book includes detailed notes and commentary on each chapter of John s Gospel

The Gospel According to Matthew G. Campbell Morgan, 2017-01-30 This volume based on seventy three sermons that consecutively cover Matthew s Gospel receives strength through the very roughness and directness of the word spoken under the inspiration of vast visible audiences while addressed to the impressionable hearts of men From first to last the various units in the exposition proceed on the assumption that it was the intention of the writer to set forth the Person of our Lord in relation to His kingly office So from the mystic account of His advent in human history through the record of the authority of His ethical enunciation the mercifulness of His method the majesty of His death and the glory of His resurrection to the ringing claim of all authority and the clarion command to disciple the nations we are ever

A. Carson,1990-12-20 In this solid evangelical commentary on John s Gospel a respected Scripture expositor makes clear the flow of the text engages a small but representative part of the massive secondary literature on John shows how the Fourth Gospel contributes to biblical and systematic theology and offers a consistent exposition of John as an evangelistic Gospel The comprehensive introduction treats such matters as the authenticity authorship purpose and structure of the Gospel *The Gospel According to St John* B. Westcott,1889 *The Gospel According to Jesus* Zondervan,John F MacArthur,2010-01-01 FOR DISTRIBUTION OUTSIDE THE USA What does Jesus mean when he says Follow me Twenty years ago pastor teacher and bestselling author John MacArthur tackled that seemingly simple question and wrote a book that has since taken its place among Christianity s classics This 20th Anniversary edition of MacArthur s provocative book has been revised and contains one new chapter *The Gospel According to Mark* George Campbell Morgan,1927 **The Gospel According to Superheroes** B. J. Oropeza,2005 And 1970s and the dark and violent creatures who embody the pre and post millennial crises of faith Lavishly illustrated the articles come to startling conclusions about what we have really been reading under the covers with flashlights for generations Annotation 2004 Book News Inc Portland OR booknews com **The Gospel According to St. Matthew** Randolph Vincent Greenwood Tasker,1961 For the Church today as for the early Church the Gospel of Matthew provides an indispensable tool in the Church s threefold task of defending its beliefs against attacks of instructing converts in the ethical implications of their newly accepted religion and of helping its own members to live a disciplined life of fellowship based on the record of the deeds and words of their Lord and Master In short the Gospel of Matthew serves as an apology a handbook of instruction and a lectionary for use in Christian worship *The Gospel According to St. John* Alfred Plummer,1882

The Gospel According to Peanuts Robert L. Short,2000-01-01 While Charlie Brown Snoopy Lucy Linus and the rest of the Peanuts gang have enjoyed the kind of success most cartoon characters can only dream about becoming pop culture icons of the highest order and entering the global consciousness practically as family members Robert Short s *The Gospel According to Peanuts* also has found a place in the hearts of many readers with sales now totaling more than ten million copies This anniversary edition features a new cover a new interior design and a new foreword by Martin E Marty Whether coming to the book for the first time or taking a second look a delightful experience awaits in this modern day guide to the Christian faith fully illustrated with Peanuts **The Gospel According to Mark** George Martin,2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark s Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection **The Beginning of the Gospel** Eugene LaVerdiere,1999 Mark wrote the beginning of the Gospel for Christians who thought it was the end For that

he told them a story of another time when Jesus disciples thought it was the end but turned out to be the beginning That is why the passion resurrection of Jesus dominates the Gospel according to Mark Using rhetorical and literary analysis Father LaVerdiere introduces Mark s story as the beginning of the Gospel as we enter a new millennium **The Gospel according to God** John MacArthur,2018-02-20 He was pierced for our transgressions he was crushed for our iniquities upon him was the chastisement that brought us peace and with his wounds we are healed Isaiah 53 5 Often hailed as one of the greatest chapters in the Bible the prophecy of the suffering servant in Isaiah 53 foretells the crucifixion of Jesus the central event in God s ultimate plan to redeem the world This book explains the prophetic words of Isaiah 53 verse by verse highlighting important connections to the history of Israel and to the New Testament ultimately showing us how this ancient prophecy illuminates essential truths that undergird our lives today **The Gospel according to Daniel** Bryan Chapell,2014-03-15 Often we read the book of Daniel in one of two ways either as a book about a heroic man whose righteousness should inspire us to keep the faith no matter what our circumstances or as a roadmap to the end times that can through careful study perhaps tell us the day and hour or nearly so of Christ s return Both says Bryan Chapell are sadly missing the bigger picture that God is the hero of this story and he is in the midst of his unrelenting plan to rescue his people from their sin and its consequences We mustn t simply make the man Daniel the object of our worship nor the subject of our debates We may differ about prophetic details Chapell says but we should never miss the point that the book of Daniel is like all of Old Testament Scripture pointing us toward the grace of God ultimately revealed in Christ Pastors teachers and individual Christians studying the book of Daniel will find this volume a welcome addition to their library **The Gospel According to Leviticus Leader Guide** David Kalas,2019-03-19 Do you struggle with knowing how the Old Testament law aligns with the good news found in the New Testament Following up on When Did God Become a Christian author and pastor David Kalas explores what he sees as a rather significant hole in so many American Christians experience For many while the New Testament is seen as the good news of God s love through Jesus the law is set aside as tedious troubling or irrelevant Some even see it as an example of an unloving God in the Hebrew Bible If we were looking for a review on Amazon of the Law the Psalms would be the five star The Psalmist goes on and on thanking God for it calling it perfect and claiming that it revives the soul In his thoughtful and assuring style Kalas would like to help readers rediscover that experience of the Old Testament Law The Leader Guide contains everything needed to guide a group through the six week study including session plans activities and discussion questions as well as multiple format options **The Gospel According to S. John** ,1862 **The Gospel according to John** John Peter Lange,2007-05-01 Presented here in paperback for the first time is John Peter Lange s Theologisch-homiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially biblical and evangelical catholic This 19th century commentary has served as a standard reference for more than a century Many early reviewers regarded Schaff s edition with his additional material as superior to the original It has proven to be a

complete and useful Commentary and continues to prove especially valuable to ministers It contains critical annotations of the text and its translation and a threefold commentary exegetical doctrinal and homiletical Under these three heads the text is viewed from every aspect **The Gospel According to Isaiah 53** Darrell L.
