The Guest Cat English Edition:

The Guest Cat Takashi Hiraide, 2014-01-21 A wonderful sui generis novel about a visiting cat who brings joy into a couple's life in Tokyo A bestseller in France and winner of Japan's Kiyama Shohei Literary Award The Guest Cat by the acclaimed poet Takashi Hiraide is a subtly moving and exceptionally beautiful novel about the transient nature of life and idiosyncratic but deeply felt ways of living A couple in their thirties live in a small rented cottage in a quiet part of Tokyo they work at home freelance copy editing they no longer have very much to say to one another But one day a cat invites itself into their small kitchen It leaves but the next day comes again and then again and again Soon they are buying treats for the cat and enjoying talks about the animal and all its little ways Life suddenly seems to have more promise for the husband and wife the days have more light and color The novel brims with new small joys and many moments of staggering poetic beauty but then something happens As Kenzaburo Oe has remarked Takashi Hiraide's work really shines His poetry which is remarkably cross hatched with beauty has been acclaimed here for its seemingly endless string of shape shifting objects and experiences whose splintering effect is enacted via a unique combination of speed and minutiae

Modernism and Non-Translation Jason Harding,John Nash,2019-10-24 This book explores the incorporation of untranslated fragments from various languages within modernist writing It studies non translation in modernist fiction poetry and other forms of writing with a principally European focus and addresses the following questions what are the aesthetic and cultural implications of non translation for modernist literature How did non translation shape the poetics and cultural politics of some of the most important writers of this key period This edited volume written by leading scholars of modernism explores American British and Irish texts alongside major French and German writers and the wider modernist recovery of Classical languages The chapters analyse non translation from the dual perspectives of both insider and outsider unsettling that false opposition and articulating in the process their individuality of expression and experience The range of voices explored indicates something of the reach and vitality of the matter of translation and specifically non translation across a selection of poetry fiction and non fictional prose while focusing on mainly canonical voices Together these essays seek to provoke and extend debate on the aesthetic cultural

political and conceptual dimensions of non translation as an important yet hitherto neglected facet of modernism thus helping to re define our understanding of that movement It demonstrates the rich possibilities of reading modernism through instances of non translation *Half-hours with the Best Humorous Authors: English* Charles Morris,1889 The Gospel According to Luke ,1860 **The Saint Petersburg English Review of Literature, the Arts and Sciences** ,1842 The St. Petersburg English Review, of Literature, the Arts, and Sciences ,1842
