The Herald Of Autumn:

The Herald of Autumn J. M. Guillen, 2022-09-22 **The Herald of Autumn** Jm Guillen, 2018-08-03 The magic of the fae A shaman gone mad Eldritch darkness heralding the end of all things Tommy Maple is the Herald of Autumn a fae who can scarcely contain his bestial hunter's nature Doomed to ever wander the world he finds comfort in the company of mortal women using glamour and haunting eyes to entrance and enchant Wherever he wanders hungry hounds ghost along with him and the frigid wind of the hallows follows close behind He hunts the creatures that linger in shadows protecting mankind from the weirding and the nameless When the Herald awakens to the taunting of a mysterious and half mad shaman he is immediately thrown into a harrowing battle for his very existence As he matches wits against horror from another age the Herald learns sinister truths of an ancient abomination and of darkness that lurks behind the world Most importantly he learns of the end of all things The Herald of Autumn is a fun filled addition to JM Guillen's Irrational Worlds If you like strangeling darkness inhumanly beautiful fae and snarky supernatural characters then you'll be enchanted by J M Guillen's fantastical tale Buy *The Herald of Autumn* and join the wild hunt today **The Herald of Autumn** J. Guillen, 2013-07-12 Stories live They breathe They walk the land hiding among us They appear to be human but nothing could be further from the truth This is the way it has always been Tommy Maple is the Herald of Autumn a being crafted entirely of whispered tales and subtle magic As a new age dawns he is one of the few of his kind that remains in our world He is alone and may go long years without seeing another like himself Now the age of his people is at an end Still Tommy has a purpose There are things unseen in the world of men strange things that live in the secret cracks between places Hungry monstrosities that the sons of man cannot fathom It is Tommy's place to hunt them protecting us from the darkness that we cannot see Every year with the death of summer he awakens to again wander the land Wherever he goes red and golden leaves follow him and he hunts the twisted creatures in the darkness This Autumn however is different from those in the past Tommy awakens to the taunting of a depraved enemy a mysterious and elusive shaman Tommy is powerless before his strange bent magics and knows that the old man has slaughtered his kind in the past He is the last person the Herald should trust And yet Tommy is forced to listen Soon a sinister tale unfolds a story that spans centuries and the entire continent A story made from the whispering of forgotten legends that ends with a dark revelation A story that Tommy has always been part of even though he didn't know it Now the Herald faces an ancient abomination unlike anything he has ever known before For once the hunter is the one that is hunted chased through a misbegotten wood by a creature who seems to be little more than darkness and feckless hunger The behemoth is pure horror and can unmake everything Tommy is As the Herald faces a foe unlike any other will he fall to the darkness that haunts our world Will the shadows of a lost age devour him causing him to be reborn as one of the world's terrors Or can he trust the shaman a creature spun from little more than trickery malevolence and deceit *New Poems ...* W. Reorganized Church of Jesus Christ of Latter Day Saints **Warautumn** Tom Deitz,2009-04-23 In this thrilling conclusion to the epic series begun in Bloodwinter and continued in Springwar and Summerblood Tom Deitz brings us the final chapter in the unforgettable saga of a fugitive king a lost magic and a revolution that will either liberate a world or condemn it to eternal tyranny While the Ninth Face a dark religious sect consolidate their grip on the capital city of Eron far to the north King Avall s army attempts to rescue the king himself from imprisonment at Gem Hold Winter now controlled by Zeff a Ninth Face fanatic But Avall is no longer there Aided by the blind harpist Kylin he has escaped from the hold in a blaze of improbable magic that transported the king and his closest followers to a dangerous wilderness As the royal armies prepare for siege and Eron s capital seethes with growing rebellion Avall and his comrades must retrieve the magical Lightning Sword now lost by Avall s sister Merryn and make their way back to the embattled citadel Only when Avall has regained the Sword can he march on Eron s capital for a final showdown with the righteous priests whose law is total obedience and whose god is total power The Peacemaker and Court of Arbitration ,1910 **Reflections in a Curved Glass** Jack Dawson,2006-03 Palmer Bullock has made a good life for himself All of his many accomplishments have been based on his very high and rigid principles and his rules of ethical conduct Some would think such a life grueling and unrewarding but for Palmer it is the easy way rewarding in its certainty and pleasing to his sense of right and wrong He has a good law practice a generous gentleman s farm a pretty wife a son and a daughter Then one remote act sets in motion a chain of events which like cascading dominos falling one upon the next upsets his entire world his confidence in his rules of life his confidence in his self control and self determination and his belief in himself as a good man The story of Palmer s fall includes passion overriding reason questionable business dealings a haunting injustice from the distant past and the friendship of a lifetime Jack Dawson the author was born in October of 1940 in Bainbridge Georgia a still small town in the southeastern part of the state split evenly by the sleepy and serene Flint River and grew up in Valdosta Georgia where he graduated high school in 1958 Being young and without sufficient direction or initiative to pursue an education he joined the U S Navy and enjoyed nearly four years of great adventure at sea This was in the day when all healthy males did their time in service to their country sooner or later by joining voluntarily through the path to gentleman hood offered by the ROTC in college or by draft After finishing his military obligation and being released from active duty and having gained an immeasurably greater sense of maturity and personal responsibility he decided to pursue a college education He studied for a year at a local college making the dean s list in order to offset his abysmal high school academic record before he was then accepted at Georgia Tech in Atlanta where he majored in aerospace engineering During his junior year he just by chance took a ride with a friend in a two seat air plane and his life would never be the same He quit school after finishing his junior year and after applying was hired by a major airline to work in the engineering department all the while learning to fly and building hours and at night earning a degree in Mathematics Eventually he was transferred to Flight Operations where he flew the big jets until

retirement in 1999 He then moved to remote region of the West Virginia mountains where he began to write in earnest An urge to write had always been in the back of his head kept there by the many obligations necessary and otherwise of day to day living Soon through the auspices of a new found friend a sporting magazine writer he was writing a weekly column for a local newspaper and aside from that began writing a novel and converting some of his columns into short stories The writing of the short stories he found provided an interlude in his writing of the novel which allowed the characters therein to decide what they were going to do
