far from the mainstream But since then all that has changed Racially motivated violence has been on open display at rallies in Charlottesville Berkeley Pikesville Phoenix and Boston Membership in white nationalist organizations is rising and national politicians including the president are validating their perceived grievances Everything You Love Will Burn offers a terrifying sobering inside look at these newly empowered movements from their conventions to backroom meetings with Republican operatives Tenold introduces us to neo Nazis in Brooklyn a millennial Klanswoman in Tennessee and a rising star in the movement nicknamed the Little F by the Southern Poverty Law Center who understands political power and is organizing a grand coalition of far right groups to bring them into the mainstream Everything You Love Will Burn takes readers to the dark paranoid underbelly of America a world in which the white race is under threat and the enemy is everywhere Love v. Oldis,2000-05 When a stranger bearing an old scroll from the first century with a hidden message from Judas echoing down through history comes to town and meets a lunatic with an unshakable faith in mankind the stage is set for an apocalyptic courtroom scene where God Himself sits as a defendant with the final fate of America hinging on the outcome In the process the higher question of the need for faith in the modern age becomes the real issue on trial In the midst of this historical unraveling the stranger like a modern day Candide attempts to find in the muddle of myths that make up the best of all possible nations the true meaning of love and freedom As his antithesis there is always the crazy Albert like a contemporary Quixote raging and battling anything that threatens to diminish the human spirit or limits man's potential The stranger and Albert spiral towards an outrageous spoof of end of the world spectacles and millenium madness **A Love Crime** Paul
