Collective and Individual Responsibility Jurrien Mol, 2009 A long discussed theme concerning Ezekiel 18 and 20 is the relationship between collective and individual responsibility In the first half of the twentieth century the discussion appeared

to end as a result of the introduction of the corporate personality by Henry Wheeler Robinson 1872 1945 This concept became heavily discussed and was dismissed on the grounds of its superseded theoretical basis The continuing use of the concept requires a redefinition and a new theoretical basis which is provided by the multimodal framework by Geoffrey Samuel from the field of cultural anthropology Before applying the concept Ezekiel 18 and 20 are studied extensively relative to textual criticism philology grammar and structural analysis *Nordic Inheritance Law through the Ages*, 2020-07-13 Nordic Inheritance Law through the Ages Spaces of Action and Legal Strategies explores the significance of inheritance law from medieval times to the present through topical and in depth studies that bring life to historical and contemporary inheritance practices The contributions cover three themes status of persons and options in the process of property devolution wills gift giving and legal disputes as means to shape the working of the law processes of inheritance legislation The authors focus on instances where legal strategies of various actors particularly reveal inheritance law as a contested and yet constrained space of action and somewhat surprisingly show similar solutions to family law issues dealt with in other Western European countries Contributors are Simone Abram Gitte Meldgaard Abrahamsen Per Andersen Agnes S Arnsdóttir John Asland Knut Dyrum Thomas Eeg Ian Peter Grohse Marianne Holdgaard Astrid Mellem Johnsen Mr Jönsson Mia Korpiola Gabriela Bjarne Larsson Auður Magnúsdóttir Bodil Selmer Helle I M Singh and Miriam Tveit Family Continuity and Change Vida Česnuitytė, Detlev Lück, Eric D. Housing and Family Wealth Ray Forrest, Alan Murie, 2025-11-18 Originally published in 1995 this innovative collection provides a multidisciplinary and cross national perspective on the links between housing personal wealth and the family in contemporary society Reasserting the role of the family and informal networks in housing provision it counteracts a tendency to view housing issues in the narrow terms of market and state provision The contributions include analyses from the USA Japan Hong Kong Greece France Sweden and Hungary and this highly international perspective allows the book to address important policy questions and offer new theoretical insights into the way housing is embedded in the wider social structure By moving away from the more usual highly ethnocentric discussion of today s housing issues the book aims to provide a more sociological account of the relationship between housing and wealth and the social structures within which that relationship is founded Today it can be read in its historical context

Escape from Germany Kurt F. Jensen, 2019-10-01 Pete Anderson the only Canadian officer to escape from a World War I POW camp and other adventures in the Russian revolution Pete Anderson was a genuine Canadian hero Canadians generally agree that heroes are celebrated less in their culture than in some others This treatment of heroes does little to recognize and value the many ordinary men and women who went before to attain extraordinary achievements Pete Anderson whom this book is about was such a person He didn t change the world But he did make a significant difference In typical Canadian fashion he didn t view himself as a hero Before going to war in 1914 Anderson had been an early pioneer in Edmonton Alberta where he had been a successful rich and respected businessman He was a middle aged man when he fought in the First World War Shortly after arriving in France he was captured by the enemy on his birthday In a daring escape he was able to breach the defences of the prisoner of war camp in which he was held and to return to Britain after an eventful transit through much of Germany He and others thought that he might have been the first Canadian to have escaped from the Germans He was not A fellow Albertan Cpl Ernest Atherton of the 10th Battalion probably escaped slightly earlier However Anderson was not only the first Canadian officer to successfully escape he was also the only Canadian officer to escape during the First World War many others made the attempt but were recaptured Towards the end of the war Anderson volunteered to fight in northern Russia first against the Germans and then as part of an Allied attempt to overthrow the Bolshevik revolution of 1917 When he returned from his wars he had earned two Distinguished Service Orders DSO Bar a senior honour awarded for exemplary service under enemy fire
