Publishers Weekly In *Wizards* today's master fantasists turn their hands to tales of these magical beings living in both ancient and modern times as well as in fantasy realms that never were. Willibald is a peasant farmer on the estate of the Baron von Gruzewitz, two days' journey from Prague. His wife Julia attended a convent school and wants to pass on her learning to her children. Her greatest success was with Hey You who reads everything. One day the baron orders Willibald and his family to leave his estate. They settle in Prague which was then the seat of Emperor Rudolph the II. Rudolph is a patron of the arts and sciences and a lover of magic and alchemy. Moved by the emperor Willibald renames his eldest son Rudolph or Rudy in honor of the emperor. At 16 Rudy studies at the Prague Technical Institute of the Unnatural Sciences where he hopes to be certified as a wizard. A bright and eager student he is often plagued by fits of bad luck when his spells go awry. While other students manage to summon a spirit Rudy can only summon a bad smell. Thus he earns the nickname Rudy the Wizard of Fumbles. This imaginative story takes readers across Europe to the sites of Rudy's many wizardly fumbles. **Of Wizards and Keepers** Kathy Williams, 2005-10 *Of Wizards and Keepers* is the second book in a fantasy series of three. This story concerns the continuing adventures of Lanya who is about fifteen cycles older and is now a Wizard. In her grief over the passing of her Uncle Stefen she tries to find a way to honor him. To this end she develops a concept of creating a school to discover children who have enough magical talent to become trained as future Wizards and Keepers. In the background a new Wizard and Stone are found, creating a sensation throughout the area. The Lady Farim the Wise is the Wizard of the Stone of Harmony. The introduction of this fourth Stone causes some major ripples within the world of magicians. As with the others she becomes involved with the school teaching history. Once the first class graduates it is soon realized that they will be in need of their magical tools. Stones of power and calling orbs. Not having any tools available the search is on to locate more. *The Jewish Story Finder* Sharon Barcan Elswit, 2012-08-02 Storytelling as oral tradition and in writing has long played a central role in Jewish society. Philosophy: The Fantasy of Peter S. Beagle David Stevens, 2013-08-16 In *Beyond Horatio's Philosophy: The Fantasy of Peter S. Beagle* David Stevens examines the fantasy of American writer Peter S. Beagle He finds a consistent view of the world and an almost overpowering sense of humor leading him to conclude that Beagle believes that love is the best thing we have and the only reason for living His work will be read and enjoyed for generations to come and Stevens tells you why Beagle indulges in what Stevens terms metaphysical speculations a working out of the possibilities of the world being different than it is He invites the reader to examine these speculations with him and when we do to come away from the experience as better men and women believing in the transforming power of love and laughing at ourselves in the process No writer could ask for more or succeed better Beagle would have us believe to paraphrase Shakespeare's Hamlet that there are more things in heaven and earth than are dreamt of in our philosophy Complete with bibliography and index **Wizards of Mickey,**
