Moser, 2017-04-07 In this book Paul K Moser proposes a new approach to inquiry about God including a new discipline of the ethics for inquiry about God It is an ethics for human attitudes and relationships as well as actions in inquiry and it includes human responsibility for seeking evidence that involves a moral priority for humans Such ethics includes an ongoing test a trial for human receptivity to goodness including morally good relationships as a priority in human inquiry and life Moser also defends an approach to the evidence for God that makes sense of the elusiveness and occasional absence of God in human experience His book will be of interest to those interested in inquiry about God with special relevance to scholars and advanced students in religious studies philosophy theology and biblical studies The God

Swain,2013-03-06 Scott R Swain provides what might be the definitive critical reading of Robert Jenson's trinitarian theology
from an evangelical perspective Setting Jenson within the larger story of the twentieth century trinitarian revival Swain
proposes constructive pathways back to a classical understanding of the Trinity The Purposes That Drive Our Lives Are
God Given Edwin P. Nhliziyo Sr.,2014-04-10 This book makes the argument that humankind was placed here on earth to
multiply fill the world and take dominion over all of God's other creations A purpose driven life will necessarily align with
these purposes A purpose driven life is one that is fulfilling God's purposes How well we do this is the primary reason why
some people have become very successful while others have failed Our spiritual side reflects our God connections and for the
Christian it begins when one is born again While our purposes and the things that drive us may need adjustment after we are
born again they do not change significantly They all have one common denominator and that is fulfilling our responsibilities
as parents and doing that in obedience to God With this in mind it should not be difficult to answer the question what on
earth am I doing here What drives our lives It is the need to provide for our children for adulthood comes with the obligation
to find a life partner and begin multiplying and this is universal
