to her disadvantage It lays the foundation which exposes that this conflict is not localized to denominations or geography but it is a universal human spiritual conflict Many topics covered in this work highlight events not generally referenced The author s discipline as a medical doctor informs his exposition of the book s theme particularly in the chapters on Warfare Realities The spirit world can be seen so he calls on the development of spiritual sensitivity Truth wins so we should embrace a Biblical worldview to be successful Since vision affects the outcome of the war we fight enhancing our perceptive abilities will make us victorious Unlike many works written on the same theme the writer considers the physiological and psychological dimensions as also being important in determining one s perspective which is vital in overcoming the Strongman The natural and psychological perceptions are aspects that are rarely ever addressed in works on spiritual warfare Our understanding of Satan and the strongholds he sets up will expose the secrets of the war thus enabling us to overcome the Strongman Wherever or at whatever level you are in the conflict OVERCOMING THE STRONGMAN will significantly benefit you since it touches every aspect of spiritual warfare I consider Dr Shiwnandan s book and knowledge on this aspect of spiritual warfare unparalleled I strongly recommend this book as a resource not only for pastors or church leaders or workers but also for the serious students of the Bible and for the individual Christian who is seeking to live victoriously

The Handbook of Spiritual Warfare Felix a Ezeukwu, 2020-06 A free spiritual warfare bible study for anyone serious about gaining victory in spiritual warfare the BIBLICAL way Spiritual Warfare without the HANDBOOK OF SPIRITUAL WARFARE explains all the scriptures on spiritual warfare the armor of God strongholds and the wiles of the devil and offers you a spiritual warfare battle plan that can help you to overcome anything you face in your Christian walk We show you that spiritual warfare is something that every Christian could and should be involved in There are many misconceptions about spiritual warfare based on popular misguided teachings These teachings are not always based on the Bible but on contemporary religious thinking Are you looking for special prayers for spiritual warfare Are you trying to take back what the devil stole or download blessings from the spiritual realm Does your spiritual warfare battle plan involve decreeing and declaring or commanding your morning Do you think to gain victory in spiritual warfare you need to cast demons out of your life This is what I call waging a bad warfare because none of it is scriptural NONE True warfare is about using the weapons God gave you the armor of God to pull down strongholds in your mind There is a strong chance that you are living a defeated life because there is some element of Biblical truth that you have not fully grasped deep in your spirit True warfare is about replacing your wrong thinking with scriptural thinking This alone can give you the victory you seek

Driscoll,2009-05-26 This is the story of the birth and growth of Seattle s innovative Mars Hill Church one of America s fastest growing churches located in one of America s toughest mission fields It s also the story of the growth of a pastor the mistakes he s made along the way and God s grace and work in spite of those mistakes Mark Driscoll s emerging missional church took a rocky road from its start in a hot upstairs youth room with gold shag carpet to its current weekly attendance of

thousands With engaging humor humility and candor Driscoll shares the failures frustrations and just plain messiness of trying to build a church that is faithful to the gospel of Christ in a highly post Christian culture In the telling he s not afraid to skewer some sacred cows of traditional contemporary and emerging churches Each chapter discusses not only the hard lessons learned but also the principles and practices that worked and that can inform your church s ministry no matter its present size The book includes discussion questions and appendix resources After reading a book like this you can never go back to being an inwardly focused church without a mission Even if you disagree with Mark about some of the things he says you cannot help but be convicted to the inner core about what it means to have a heart for those who don t know Jesus Dan Kimball author *The Emerging Church* will make you laugh cry and get mad school you shape you and mold you into the right kind of priorities to lead the church in today s messy world Robert Webber Northern Seminary

Exorcism and Deliverance Ministry in the Twentieth Century James M. Collins, 2009-11-10 This study seeks to demonstrate that exorcism deliverance ministry is an innately enthusiastic practice utilizing John Knox s classic study of Christian enthusiasm The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century Two enthusiastic settings Charismatic and Evangelical Fundamentalist are identified and examined as the environment in which two related streams of exorcism deliverance ministry was practiced Finally enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism deliverance ministry Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite As a result important secondary insights are gained into the tidal nature of enthusiastic movements the role of itinerant preachers in the propagation of enthusiasm the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes the relationship between exorcism deliverance ministry and millenarianism and the practice of this rite within non Western churches *S.t.a.n.d. Cramer, 2017-01-31 This book is part of my journey to understand Satan s influence what the Word teaches and our response to all of it Scripture is my starting point This handbook will be driven by Scripture alone If I cannot find a scriptural basis for my statements I won t comment I want the discussion to be moderated by His Word alone I am using the KISS model Keep It Simple Saint I take spiritual warfare seriously but I do not need to recoil in fear or put on a big display to drive Satan out Jesus spoke and it was enough Jesus did not in His encounter with Satan engage in debate He quoted the truth and the father of lies had to leave Why should we try to do any more or any less You will also see in Christ a lot in this handbook In Christ is the only way to do this life We all know He came and died for us We equally need to know He wants to live His life in and
