Banks, 2019-09-17 London 2017 A long dead ghost nameless all but formless trapped beyond both the living and the afterlife drifts through time in search of himself What happened to him To the love of his life His memories slip away like the tide tantalizingly close but always receding His lost world of steam family and horrific tragedy comes to him in flickers and gasps But decades the steam age the war years the age of counterculture soon melt and disappear consumed by a strange hungry world of electricity and isolation As more of him slips away each day this nameless ghost is shepherded by a fellow spirit his sole companion in our foreign reality a circus fortune teller tethered to him by a tragic history of her own Eerie and atmospheric *The Hanged Man and the Fortune Teller* unveils a mystery written in the gaps of memory With insight and daring Lucy Banks probes the deepest fears of our age on memory mortality and what it means to be human *Swinging the Maelstrom* Malcolm Lowry, 2013-11-28 *Swinging the Maelstrom* is the story of a musician enduring existence in the Bellevue psychiatric hospital in New York Written during his happiest and most fruitful years this novella reveals the deep healing influence that the idyllic retreat at Dollarton had on Lowry This long overdue scholarly edition will allow scholars to engage in a genetic study of the text and reconstruct step by step the creative process that developed from a rather pessimistic and misanthropic vision of the world as a madhouse *The Last Address* 1936 via the apocalyptic metaphors of a world on the brink of Armageddon *The Last Address* 1939 to a world that in spite of all its troubles leaves room for self irony

and humanistic concern *Swinging the Maelstrom* 1942 1944 This book is published in English [The Story of Rose O'Neill](#) Miriam Forman-Brunell, 2022-11-21 To most of us Rose O'Neill is best known as the creator of the Kewpie doll perhaps the most widely known character in American culture until Mickey Mouse Prior to O'Neill's success as a doll designer however she already had earned a reputation as one of the best known female commercial illustrators Her numerous illustrations appeared in America's leading periodicals including *Life* *Harper's Bazaar* and *Cosmopolitan* While highly successful in the commercial world Rose O'Neill was also known among intellectuals and artists for her contributions to the fine arts and humanities In the early 1920s her more serious works of art were exhibited in galleries in Paris and New York City In addition she published a book of poetry and four novels Yet who was Rose Cecil O'Neill Over the course of the twentieth century Rose O'Neill has captured the attention of journalists collectors fans and scholars who have disagreed over whether she was a sentimentalist or a cultural critic Although biographers of Rose O'Neill have drawn heavily on portions of her previously unpublished autobiography O'Neill's own voice richly revealed in her well written manuscript has remained largely unheard until now In these memoirs O'Neill reveals herself as a woman who preferred art activism and adventure to motherhood and marriage Featuring photographs from the O'Neill family collection *The Story of Rose O'Neill* fully reveals the ways in which she pushed at the boundaries of her generation's definitions of gender in an effort to create new liberating forms

Ghosts of North-West England Peter Underwood, 1978 A dwarfish figure that resembled a monk with a gnarled and twisted face holding out a bleeding arm from which the hand had been cut off at the wrist He saw in the clear moonlight a massive male figure standing under a tree dressed entirely in black The ghostly little monk of Foulridge and the giant apparition from Heaton Norris are just two of the denizens of the North West you might not care to meet on a dark stormy evening You would also be advised to avoid the Old Miser of Altrincham the Timberbottom Farm Skulls the Clayton Hall Boggart and the Man in the Brown Pin stripe Suit It's certainly not a good idea to drive along the Hyde Mottram road when the phantom lorry is about and you should think twice before taking a taxi in Stockport you never know who might be in the back seat with you But for those intrepid souls whose hearts quicken at the thought of eerie footsteps and muffled groans Peter Underwood the President of the Ghost Club has assembled an impressive collection of traditional legends and first hand sightings of the white ladies highwaymen cavaliers priests and nuns who form the spectral population of haunted Lancashire and Cheshire

Ghosts and Haunts of the Civil War Christopher K. Coleman, 1999-09-12 Explore the strange and shadowy side of the civil war A fascinating collection of ghostly sightings auspicious visions audible manifestations and uncanny premonitions In 1872 a photographer who claimed he could capture the essence of dead relatives took an image purporting to show Mary Todd Lincoln with the protective ghost of Abraham Lincoln behind her The spirit of George Washington who appeared to John C Calhoun in the 1840s to persuade him not to dissolve the union The nameless drummer boy from the Army of Ohio who still plays at the Shiloh battlefield The twentieth century schoolchildren who heard the Irish

brigade on the Antietam battlefield Teddy Roosevelt and First Lady Grace Coolidge who both claim to have encountered Abraham Lincoln in the White House Jefferson Davis and his wife Varina who both have been seen at Fort Monroe Virginia where he was imprisoned after the War Legends and Superstitions of the Sea and of Sailors in All Lands and at All Times Fletcher S. Bassett, 1885 *Most Haunted Theatres* Yvette Fielding, 2024-02-01 Discover the spooky histories of real life places in this chilling new series from ghost hunting expert Yvette Fielding and First Lady of the Paranormal Yvette Fielding and her Most Haunted team are on a quest to uncover the ghostly histories of Britain's theatres Brought to life by Yvette and the Most Haunted team's investigations prepare to be spooked by the father of clowns the ghost of the killer thespian Charles Macklin and the lingering spirit of a ballerina who tragically took her own life Other books in the series Most Haunted Castles publishing September 2024 Most Haunted Houses coming soon **The English Civil War** Charles J Esdaile, 2024-08-30 Cavaliers and Roundheads are figures who appear in hundreds of English ghost stories In this innovative account Charles Esdaile argues that such tales are in reality folk memories of an episode of English history that was second only to the Black Death in terms of individual and collective suffering alike and further that they reveal important truths about the way in which the conflict was represented it is no surprise then to find that spectral Cavaliers are often romantic figures and revenant Roundheads grim ones full of menace Yet the book is no mere catalogue On the contrary rather than being discussed in a vacuum the tales of haunting are rather set within a detailed regional history of the conflicts of 1642-1651 of a sort that has never yet been attempted but is for all that badly needed **The A to Z of Fantasy Literature** Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross-referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **Where the Ghosts Are** Steve Vernon, 2025-09-19 If you're from Halifax you've probably heard that the Five Fisherman Restaurant is supposedly haunted and that Georges Island is overrun with

ghosts If you re from Nova Scotia you probably know about rumours of buried treasure on Oak Island or about the UFO sighting in Shag Harbour But what about the Grey Lady of Stoney Beach Or the Ghost of Haddon Hall Featuring addresses and GPS coordinates this guide to Nova Scotian haunts maps out the origin stories of 50 spooky tales *Legends and Superstitions of the Sea and of Sailors* Fletcher S.
