Barrie,2013-10-15 A novel to be liked or resented as you will but not to be ignored When Sentimental Tommy closed with two remarkable children just entering upon maturity this sequel was foreshadowed The scenes are in London and in Thrums but the most critical incident happens on the Continent The pith of it is the interior life of emotion in two characters a woman with the straightforward independent spirit of a man but with a genius for loving and a chameleon like man This emotional relationship implies tragedy But sweeter tragedy has seldom been written Mr Barrie s satisfying style and delicate humor throw rosy gleams even in the darkest places of the story **The Oxford Companion to Children's Literature** Daniel Hahn,Michael Morpurgo,2015 The last thirty years have witnessed one of the most fertile periods in the history of children s books A fascinating reference guide to the world of children s literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children s hymns *The Nation and Athenæum* ,1912 *South African Battles* Timothy Couzens,2013-08-12 South African Battles describes 36 battles spread over five centuries These are not the well trodden battlefields of standard histories but generally lesser known ones Some were of critical importance while some were infinitely curious Who for instance has heard of the battles of Nakob Middelpoos Mome Gorge or Mushroom Valley Who knows about the four black women that Bartolomeu Dias brought with him on his pioneering voyage of exploration Who knows that

there was a significant battle in what is now the Kruger National Park in 1725 Who knows about the military episode where not a shot was fired but which brought South Africa into the Great War Who knows that Germany once invaded South Africa Written in a light humorous and personal style each chapter is self contained like a short story They can be read one a night and mulled over next day with the promise of further enjoyment to come South African Battles is an ideal bedside book as well as an engaging travel companion But there is also a twist in the tale at the end Caveat lector or lectrix *Books In Print* 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 *The Western Literary Messenger* ,1854 **The Pirates' Chronicles:**
