The Hollow Men A Study In The Politics Of Deception:

The hollow men : a study in the politics of deception Nicky Hager, 2006 **Contemporary Politics in Australia** Rodney Smith, Ariadne Vromen, Ian Cook, 2012-02-02 A diverse range of experts provide a comprehensive introduction to current theories debates and research in Australian political science The Piketty Phenomenon Geoff Bertram, Simon Chapple, Donal Curtin, Brian Easton, Max Harris, Tim Hazledine, Bernard Hickey, Prue Hyman, Hautahi Kingi, Gareth Morgan, Matt Nolan, Max Rashbrooke, Susan St John, Robert Wade, Cathy Wylie, 2014-10-23 Few books have had the global impact of Thomas Piketty's *Capital in the Twenty First Century* An overnight bestseller Piketty's assessment that inherited wealth will always grow faster on average than earned wealth has energised debate Hailed as bigger than Marx The Economist or dismissed as medieval Wall Street Journal the book is widely acknowledged as having significant economic and political implications Collected in this BWB Text are responses to this phenomenon from a diverse range of New Zealand economists and commentators These voices speak independently to the relevance of Piketty's conclusions Is New Zealand faced with a one way future of rising inequality Does redistribution need to focus more on wealth rather than just income Was the post war Great Convergence merely an aberration and is our society doomed to regress into a new Gilded Age

Politics at the Centre William P. Cross, André Blais, 2012-01-12 Politics at the Centre studies the ways in which political parties select and remove their leaders in five parliamentary democracies Australia Canada Ireland New Zealand and the United Kingdom It addresses the subject through cross national comparison of 25 parties in these countries from 1965 to the present day Mediating Faiths Guy Redden, 2016-04-29 Religion is living culture It continues to play a role in shaping political ideologies institutional practices communities of interest ways of life and social identities Mediating Faiths brings together scholars working across a range of fields including cultural studies media sociology anthropology cultural theory and religious studies in order to facilitate greater understanding of recent transformations Contributors illustrate how religion continues to be responsive to the very latest social and cultural developments in the environments in which it exists They raise fundamental questions concerning new media and religious expression religious youth cultures the links between spirituality personal development and consumer culture and contemporary intersections of religion identity and politics Together the chapters demonstrate how belief in the superempirical is negotiated relative to secular concerns in the twenty first century

Democratic Decline and Democratic Renewal Ian Marsh, Raymond Miller, 2012-07-26 Examines why people feel disconnected from contemporary politics and suggests what might be done to address current political discontent

A Populist Exception? Jack Vowles, Jennifer Curtin, 2020-08-10 The spectre of populism might be an apt description for what is happening in different parts of the world but does it apply to New Zealand Immediately after New Zealand's 2017 general election populist party New Zealand First gained a pivotal role in a coalition with the Labour Party leading some international observers to suggest it represented a populist capture of the government The leader of New Zealand First

Winston Peters justified his support for Labour as necessary to allow capitalism to regain its human face The new prime minister Jacinda Ardern spoke of a kinder inclusive politics This book draws on the 2017 New Zealand Election Study to uncover New Zealanders political attitudes and preferences post election Its authors ask is New Zealand now A Populist Exception Through detailed empirical analyses of how populism and authoritarianism affected vote choice opinions about immigration satisfaction with democracy and the relevance of gender and indigeneity to these issues this book finds that New Zealand politics today does not reflect the international trend toward ideological polarisation and electoral volatility The authors argue that inclusive forms of populism can be pluralist if a leader s rhetorical approach recognises the people as diverse and encompassing A Populist Exception concludes that although populism has long been a strong current in New Zealand history contemporary New Zealand exhibits a moderate form of populism with liberal and pluralist values in balance with a strong commitment to majoritarian democracy

Ineffective Policies Ian Roberge, Heather McKeen-Edwards, Malcolm Campbell-Verduyn, 2025-04-29 Available open access digitally under CC BY NC ND licence Bad policies have repercussions that can be felt for decades But what makes a bad policy And how can it be reversed or improved Bringing together scholars from Europe and North America this book goes beyond traditional policy theory to study bad and ineffective policies across three fields the environment the financial services sector and emerging technologies Using cutting edge research and analysis the editors and authors state the case for studying ineffective policies demonstrate their harmful effects across policy fields and provide policy makers with the tools to reflect identify and act upon them

Destiny: The Life and Times of a Self-Made Apostle Peter Lineham, 2013-07-01 a comprehensive balanced and perceptive account Michael Grimshaw NZ Listener This account by Massey University history professor Peter Lineham is fascinating detailed and more nuanced than the media coverage Tamaki attracted Lineham puts the ambitious church in context nationally and internationally Philip Matthews Weekend Press While Destiny Church began in 1998 it rose to notoriety in 2004 with its Enough is Enough march against what it deemed society s declining moral standards Destiny and its leader Brian Tamaki have since become a significant if controversial presence in New Zealand s religious political and Maori worlds But what is Destiny What does it stand for Who are its followers Destiny written by respected commentator Peter Lineham is the first full and independent account of the church and its personnel With unprecedented access to its inner workings including interviews with Bishop Brian Tamaki and other pastors Lineham reveals the truth about the man and the movement addressing the public s questions and fears and delivering a fascinating picture of the organisation on the eve of launching its City of God

Democracy in New Zealand Raymond Miller, 2015-05-18 New Zealand is one of the world s oldest democracies for men and women Maori and Pakeha with one of the highest political participation rates But from MMP to leadership primaries spin doctors to dirty politics the country s political system is undergoing rapid change Examining the constitution and the political system cabinet and parliament political parties leadership and elections Raymond Miller draws on data and analysis

including from the 2014 election to tackle critical questions Who runs New Zealand Does political apathy threaten democracy Will new parties have an ongoing impact Do we now have a presidential democracy

Contemporary Publics P. David Marshall, Glenn D'Cruz, Sharyn McDonald, Katja Lee, 2016-09-11 If the twentieth century has been dominated by discussions of the public public life and the public sphere Contemporary Publics argues that in the twenty first century we must complicate the singularity of that paradigm and start thinking of our world in terms of multiple overlapping and competing publics In three distinct streams art media and technology and the intimate life this volume offers up the intellectual and political significance of thinking through the plurality of our publics Countering Neoliberal Publics Screen and Space explores how different artistic practices articulate the challenges and desires of multiple publics Making and Shaping Publics Discourse and Technology showcases how media shape publics and how new and emerging publics use these technologies to construct identities Commodifying Public Intimacies examines what happens to the notion of the private when intimacies structure publics move into public spaces and develop value that can be exchanged and circulated

Political Parties and Elections Anika Gauja, 2016-04-22 Political Parties and Elections presents a comparative analysis of the ways in which advanced industrial democracies seek to regulate the activities of political parties in electoral contests Actual political practice suggests that parties are crucial actors in democratic elections yet the nature and extent to which parties are regulated or even recognized as participants in the electoral process varies greatly among nations Author Anika Gauja analyzes the electoral laws of five key common law democracies with similar parliamentary and representative traditions similar levels of economic and political development yet with significantly different electoral provisions the United States the United Kingdom Canada Australia and New Zealand Using the relationship between law and politics as a lens the book focuses specifically on the ways in which these jurisdictions seek to regulate the behavior of their political parties as the product of a broader normative vision of how representative democracy ought to function In its subject matter comparative scope and interdisciplinary theoretical framework this book examines not only electoral law but also ancillary legislation such as funding regulations associations and corporations law and constitutional provisions It also analyzes the case law that guides the interpretation of this legislation Political Parties and Elections represents an innovative body of research comparing for the first time the electoral legal regimes of a significant number of common law nations
