The Homeless Hero:

Homeless Hero Mike Tapscott, 2013-07 Homeless Hero Understanding the Soul of Home considers the human mission to know the soul and navigate life experiences When pain and emptiness show up in life only those who undertake the hero's journey grow into a place of understanding where they can then flourish Mike Tapscott was watching a movie at a resource center for homeless people when he developed the idea for this book The movie workshop at Lodestar Day Resource Center in Phoenix Arizona teaches life's lessons through the magic of cinema The lessons manifest through a series of dramatic events hearing a call to adventure refusing the call crossing a threshold encountering tests allies and enemies being unable to turn back soul searching finding reward returning with the story and experiencing resurrection These events are what life is all about The hero's journey through homelessness just one symptom of the challenge of overcoming emotional pain is one way to help change individuals and then change tracks patterns and less than constructive behaviors Here is a compilation of experiences from Tapscott's 36 hour experimental journey into life on the streets his own volunteer work and through interviews with employees in the social service system other volunteers and homeless individuals Homeless Hero is a case study an experiment an adventure and a multi-layered examination of American society that seeks to help you understand the moving picture of your own hero's journey *The Homeless Hero* Lee Silber, 2014-11-01 CAN A DAUGHTER SAVE HER FATHER AND SAVE THE DAY Thomas Big Mac MacDonald lost everything in the divorce his home his National Football League pension and his dignity everything but his prized classic VW van It would be enough to drive anyone to drink but that's only the half of it The residents of the beach park where Thomas and dozens of other homeless San Diegans sleep in their cars are strangely disappearing at a rapid rate With the help of his twelve year old daughter Big Mac begins rebuilding his life and clearing his name But when the two get sucked into solving the mystery surrounding the park Thomas realizes he has a lot to lose but he puts it all on the line to do the right thing If he succeeds he's a hero If he fails he's a footnote another former football player who died before his time *Homeless Hero* Kelly James T., 1901 **Homeless Hero's - American Veterans In Need** raymond wells, 2018-05-08 There are about 50 000 veterans homeless on any given night The Hero's Journey Harold Bloom, Blake Hobby, 2009 The hero's journey a quest that leads to self discovery has been central to literature since the earliest epics Covering the role of the hero's journey in Beowulf The Lord of the Rings Moby Dick and To Kill a Mockingbird The Hero's Journey contains about 20 original and reprinted essays and critical analyses that discuss the role of the title's subject theme in a great work of literature **Noplace Like Home** Amy C. Singleton, 1997-07-31 Noplace Like Home uses four masterpieces of Russian literature Nikolai Gogol's Dead Souls Ivan Goncharov's Oblomov Evgenii Zamiatin's We and Mikhail Bulgakov's The Master and Margarita to show the successes and failings in Russia's search for home and self Interdisciplinary in spirit Noplace Like Home introduces Russian culture for the first time to the field of home studies which explores human identity in terms of man's relationship with domestic space This broad social context together with general

cultural patterns expressed in the novels encourages readers to consider even the most current events in Russian society where identity and stability are again key issues in terms of home homelessness and noplac

Find the Director and Other Hitchcock Games Thomas M. Leitch, 2008-10-01 Developing a model of narrative based on game theory Thomas Leitch offers a compelling new explanation for the distinctiveness and power of Hitchcock's films Games such as the director's famous cameo appearances the author says allow the audience simultaneously to immerse itself in the world created by the narrative and to stand outside that world and appreciate the self consciously suspenseful or comic techniques that make the movie peculiarly Hitchcockian A crucial aspect of the director's gameplaying Leitch contends emerges in the way he repeatedly redefines the rules Leitch divides Hitchcock's career into key periods in which one set of games gives way to another reflecting changes in the director's concerns and the conditions under which he was making movies at the time For example the films of his late British period the original *Man Who Knew Too Much* *The 39 Steps* *The Lady Vanishes* pivot on witty situational games that continually surprise the viewers the American films that followed in the next decade *Rebecca* *Notorious* *The Paradine Case* depend more on drawing the viewer into a close identification with a central character and that character's plight These films in turn are followed by such works as *Rope* and *Strangers on a Train* in which cat and mouse games between characters between Hitchcock and the characters between Hitchcock and the audience are the driving force By repeatedly redefining what it means to be a Hitchcock film Leitch explains the director fosters a highly ambivalent attitude toward such concerns as the value of domesticity the loss of identity and the need for and fear of suspenseful apprehension
