The Ides Of March By Thornton Wilder

Thornton Wilder

The Ides Of March By Thornton Wilder:

The Ides of March Thornton Wilder, 1968 First published in 1948 The Ides of March is a brilliant epistolary novel set in the Rome of Julius Caesar Through imaginary letters and documents Wilder brings to life a dramatic period of world history

The Ides of March Thornton Wilder, 1968 The Ides of March first published in 1948 is a brilliant epistolary novel set in Julius Caesar's Rome Thornton Wilder called it a fantasia on certain events and persons of the last days of the Roman republic Through vividly imagined letters and documents Wilder brings to life a dramatic period of world history and one of history's most magnetic elusive personalities In this inventive narrative the Caesar of history becomes Caesar the human being Wilder also resurrects the controversial figures surrounding Caesar Cleopatra Catullus Cicero and others All Rome comes crowding through these pages the Rome of villas and slums beautiful women and brawling youths spies and assassins BOOK JACKET **The Ides of March; a Play in Two Acts Based on the Novel by Thornton Wilder** Jerome

Kilty, Thornton Wilder, 1971 *The Ides of March* Thornton Wilder, 2003-05 The Ides of March first published in 1948 is a brilliant epistolary novel set in Julius Caesar's Rome Thornton Wilder called it a fantasia on certain events and persons of the last days of the Roman republic Through vividly imagined letters and documents Wilder brings to life a dramatic period of world history and one of history's most magnetic elusive personalities In this inventive narrative the Caesar of history becomes Caesar the human being Wilder also resurrects the controversial figures surrounding Caesar Cleopatra Catullus Cicero and others All Rome comes crowding through these pages the Rome of villas and slums beautiful women and brawling youths spies and assassins BOOK JACKET **Thornton Wilder and the Puritan Narrative Tradition** Lincoln Konkle, 2006 Fresh examination of the works of Thornton Wilder emphasizing continuities in American literature from the seventeenth through twentieth centuries Sees Wilder as a literary descendant of Edward Taylor who drew from the Puritan worldview and tradition Includes indepth readings of *Shadow of a Doubt* *The Trumpet Shall Sound* and others Provided by publisher

The Thornton Wilder Encyclopedia Thomas S. Hischak, 2022-03-15 Thornton Wilder is one of America's greatest writers and the only author to win Pulitzer Prizes in both fiction and drama Equally well known for his plays and novels his unique and diverse body of work also includes essays journals lectures and film and television scripts In The Thornton Wilder Encyclopedia Thomas S Hischak exhaustively covers Wilder's life and extensive career Entries not only contain every one of his novels plays and scripts but also his letters journals and all other existing works by Wilder published or unpublished In addition this valuable reference features entries on the individuals who worked with Wilder and friends and family members who were a great influence on him With a biography of Wilder to introduce the work and a chronology and selected bibliography to augment the entries The Thornton Wilder Encyclopedia is the most comprehensive reference available on one of America's greatest playwrights and finest novelists *Thornton Wilder in Collaboration* Jackson R. Bryer, Judith P. Hallett, Edyta K. Oczkiewicz, 2018-12-17 The essays in this volume evolved from papers presented at the Second International

Thornton Wilder Conference held at Salve Regina University in Newport Rhode Island in June 2015 They examine Wilder's work as both playwright and novelist focusing upon how he drew on the collaborative mode of creativity required in the theatre when writing both drama and fiction The book's authors use the term collaboration in its broadest sense at times in response to Wilder's critics who faulted him for borrowing from other earlier literary works rather than recognizing these borrowings as central to the artistic process of collaboration In exploring Wilder's collaborative efforts of different kinds the essays not only consider how Wilder worked with and revised earlier literary texts and the ideas central to those texts but also analyze how Wilder worked with and inspired other creative individuals and how recent productions of Wilder's plays both in the US and abroad have been the products of unique forms of collaboration

Thornton Wilder, Classical Reception, and American Literature Stephen J. Rojcewicz, Jr., 2021-11-25 This book delineates how Thornton Wilder 1897-1975 a learned playwright and novelist embeds himself within the classical tradition integrating Greek and Roman motifs with a wide range of sources to produce heart breaking masterpieces such as *Our Town* and comedy sensations such as *Dolly Levi* Through this study of archival sources and close reading readers will understand Wilder's avant garde staging and innovative time sequences not as a break with the past but as a response to the classics The author traces the genesis of unforgettable characters like *Dolly Levi* in *The Matchmaker* *Emily Webb* in *Our Town* and *George Antrobus* in *The Skin of Our Teeth* Vergil's expression Here are the tears of the world and human matters touch the heart haunts Wilder's oeuvre Understanding Vergil's phrase as tears for the beauty of the world Wilder utilizes scenes depicting the beauty of the world and the sorrow when individuals recognize this too late Wilder exhorts us to observe lovingly alert to the wonder of the everyday This work will appeal to actors and directors professors and students in classics and in American literature those fascinated by modern drama and performance studies and non specialists theatre goers and readers in the general public

The Woman of Andros Thornton Wilder, 2012-07-01 First published in 1930 Wilder's best selling novel *The Woman of Andros*¹ is set on a Greek island before the birth of Christ *The Ides of March* first published in 1948 is an epistolary novel set in the Rome of Julius Caesar

Legendary Figures Clayton Koelb, 1998-01-01 *Legendary Figures* examines revolutionary views of the past that have played a crucial role in European and American literature of the last 150 years Clayton Koelb traces these new approaches to history through an impressive range of novels from Flaubert's *Salammbô* to Christa Wolf's *Cassandra* Koelb argues that this new historical sense which arose in the mid nineteenth century gained eloquent expression in Flaubert's writings What is crucial about the new historical sense is that it views the past as essentially alien and other The connection between past and present may be powerful but it is always indirect and difficult to negotiate As a result the past seems exotic and unattainable the object of nostalgia and desire Koelb distinguishes this sense of history with its persistent discontinuities between past and present from the more continuous and progressive views of history of novelists like Sir Walter Scott and such philosophers as Hegel Marx and Lukács In their writings history proceeds according to the

laws of cause and effect and each epoch can be understood as both the result of the previous one and the cause of the next In contrast the modernist writers that Koelb examines Flaubert Pater Mann Broch Wilder Yourcenar and Wolf imagine a past that is mythic and legendary and thus a metaphor for everything distant complicated unattainable and unknowable

Pushing the Boundaries of Historia Mary English, Lee Fratantuono, 2018-11-19 Pushing the Boundaries of Historia collects together 20 chapters whose coverage extends from the prehistory of Greece through early Christianity in the Roman Empire to the reception of classical texts by contemporary playwrights and poets The essays range beyond Greece and Rome to the ancient realms of Persia and China and explore a vast array of ancient authors Homer Herodotus Thucydides Euripides Vergil Ovid Livy and Tacitus Written by philologists historians epigraphers palaeographers archaeologists and art historians it brings together the best of old and new traditions of classical study from senior emeritus faculty with established records of scholarly productivity to the newest generation of classics and archaeology professors What draws together the disparate strands of academic inquiry found in these pages is a passion for understanding how the lessons of the world of the ancient Greeks Romans and their still lamentably understudied neighbors can offer commentary on the contemporary world **The**

Gay & Lesbian Theatrical Legacy Billy J. Harbin, Kim Marra, Robert A. Schanke, 2005 Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time **Conspiracy Ideologies in Films and Series** Denis Newiak, Anastasia Schnitzer, 2024-07-19 Corona as a staged instrument of oppression secretly kept vaccination deaths or politicians drinking children's blood at the latest since the outbreak of the Covid 19 pandemic conspiracy ideologies are booming and harm social peace and democratic will formation through their dogmatism So called conspiracy theories generate systematic distrust of legitimate political institutions and can contribute to social polarization dangerous populism and extremist escalation Conspiracy ideologies have always been a topic in movies and television series as they have always dealt with the relationship between reality and illusion truth and fiction reality and dream sense and madness through their cinematic means Series and films not only serve as a discursive space for social self understanding but also through their complex narratives constellations of characters and aesthetics offer catchy explanations for the emergence and spread of conspiracy narratives At the same time they make suggestions some of them astonishingly concrete for dealing with such collective delusions What can we learn from the fictional worlds of series and films for dealing with this very real contemporary phenomenon John Gielgud Sheridan Morley, 2010-05-11 Sir John Gielgud's career as an actor was perhaps

the most distinguished of any of his generation and in a lifetime that spanned almost a century he appeared in hundreds of theatrical productions and films receiving virtually every honor given including an Academy Award Now in this wonderfully insightful biography fully authorized and written with first ever access to Gielgud's personal letters and diaries bestselling biographer Sheridan Morley not only traces the actor's fascinating career but provides a fresh and remarkably frank look into John Gielgud the man showing how his success as an actor in many ways came at the expense of his personal happiness

Born into a theatrical family John Gielgud took to the stage as naturally as a duck to water and almost from the beginning those who saw him perform knew that they were experiencing something extraordinary A determined actor intent on learning and polishing his craft he worked incessantly taking on one role after another the greater the challenge the better During his long and remarkable career he took on every truly great and demanding role including all of Shakespeare's major plays as well as many contemporary and experimental productions At ease in both great drama and light comedy he was blessed with a great range and a seemingly infinite capacity to inhabit whatever character he attempted Basically a somewhat shy man offstage however Gielgud for the most part limited his friendships to those with whom he worked and as a result the theater and later film made up just about his entire life That he was flesh and blood however was reflected in the fact that he did enter into two long term relationships the first with a man who eventually left him for another but with whom Gielgud maintained a strong tie and the second with a handsome mysterious Hungarian who lived with him until he died just a few months before Sir John True scandal came into Gielgud's life only once In 1953 just weeks after Gielgud had been knighted by the Queen he was arrested in a public men's room and charged with solicitation The British press had a field day but Gielgud's friends and fellow actors rallied to his support as did his thousands of fans and the result was the eventual change of law in England regarding sex between consenting adults While these and many other aspects of his personal life are discussed for the first time in this distinguished biography it is Gielgud's career as an actor of course that receives the greatest attention And while British audiences had the pleasure of seeing him perform in the theater for his entire life Americans came to know him best for his work in the movies and most especially for his Oscar winning performance as Hobson the butler in the Dudley Moore film *Arthur* As dramatic and captivating as one of Sir John's many performances this authorized biography is an intimate and fully rounded portrait of an unforgettable actor and a remarkable man Harold Hobson: The Complete Catalogue Dominic Shellard, 2019-08-07 A book on Harold Hobson's theatre criticism

Representing Rome's Emperors Caillan Davenport, Shushma Malik, 2024-01-09 Roman emperors have long functioned and continue to function in the western imagination as paradigms of imperial leadership to be emulated or avoided This innovative volume brings together an international team of experts to examine the literary and artistic representations of Roman emperors across more than two thousand years of history In doing so it breaks down traditional disciplinary boundaries that have separated the study of emperors in antiquity from their representation in later periods The individual chapters offer close readings of different texts media and contexts ranging from the *Annals* of Tacitus Roman lamps and triumphal statues to medieval legends early modern philosophical tracts twentieth century novels and museum exhibitions Collectively they explore the creative impulses and political agendas that have shaped how we understand Roman emperors today Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1948 Includes Part 1A Books and Part 1B Pamphlets Serials and Contributions to Periodicals **This our Caesar** Gordon W. Couchman, 2018-12-03 No

detailed description available for This our Caesar **The Post-traumatic Theatre of Grotowski and Kantor** Magda Romanska,2014-10-01 Despite its international influence Polish theatre remains a mystery to many Westerners This volume attempts to fill in current gaps in English language scholarship by offering a historical and critical analysis of two of the most influential works of Polish theatre Jerzy Grotowski s Akropolis and Tadeusz Kantor s Dead Class By examining each director s representation of Auschwitz this study provides a new understanding of how translating national trauma through the prism of performance can alter and deflect the meaning and reception of theatrical works both inside and outside of their cultural and historical contexts **Tiff Sherrill Grace**,2020-08-25 Timothy Findley 1930 2002 was one of Canada s foremost writers an award winning novelist playwright and short story writer who began his career as an actor in London England Findley was instrumental in the development of Canadian literature and publishing in the 1970s and 80s During those years he became a vocal advocate for human rights and the anti war movement His writing and interviews reveal a man concerned with the state of the world a man who believed in the importance of not giving in to despair despite his constant struggle with depression Findley believed in the power of imagination and creativity to save us Tiff A Life of Timothy Findley is the first full biography of this eminent Canadian writer Sherrill Grace provides insight into Findley s life and struggles through an exploration of his private journals and his relationships with family his beloved partner Bill Whitehead and his close friends including Alec Guinness William Hutt and Margaret Laurence Based on many interviews and exhaustive archival research this biography explores Findley s life and work the issues that consumed him and his often profound depression over the evils of the twentieth century Shining through his darkness are Findley s generous humour his unforgettable characters and his hope for the future These qualities inform canonic works like The Wars 1977 Famous Last Words 1981 Not Wanted on the Voyage 1984 and The Piano Man s Daughter 1995
