The Idiots Guide To Suicide:

The Complete Idiot's Guide to Life After Death Diane Ahlquist, 2007-07-03 Get an after life A belief in the afterlife is common to almost every faith and culture around the world Even people who don't consider themselves spiritual share a fascination in life after death In this powerful guide author and intuitive Diane Ahlquist shares her own knowledge of the subject as well as the views of such religious and spiritual leaders as Edgar Cayce and the Dalai Lama Romantic Vacancy Kate Singer, 2019-08-01 Examines the concept of a poetics of vacancy in Romantic era literature Romantic Vacancy argues that at the cult of sensibility's height Romantic writers found alternative tropes of affect to express movement beyond sensation and the body Grappling with sensibility's claims that sensation could be translated into ideas and emotions poets of vacancy rewrote core empiricist philosophies that trapped women and men in sensitive bodies and more detrimentally in ideological narratives about emotional response that gendered subjects bodies and minds Kate Singer contends that affect's genesis occurs instead through a series of figurative responses and movements that loop together human and nonhuman movements of mind body and nature into a posthuman affect This book discovers a new form of Romantic affect that is dynamically linguistic and material It seeks to end the long tradition of holding women and men writers of the Romantic period as separate and largely unequal It places women writers at the forefront of speculative thinking repositions questions of gender at the vanguard of Romantic era thought revises how we have long thought of gender in the period and rewrites our notions of Romantic affect Finally it answers pivotal questions facing both affect studies and Romanticism about interrelations among language affect and materiality Readers will learn more about the deep history of how poetic language can help us move beyond binary gender and its limiting intellectual and affective ideologies Romantic Vacancy is a formidable text for our time Providing a nuanced and original account of Romanticism's reconfiguration of affect Singer not only opens up new ways of thinking about literature of the past her detailed argument for complex poetic explorations of what it means to be a self create challenges for the present especially through the intimate relation between text and affect This book is essential for anyone working in literary Romanticism but will also be valuable for those interested in the complex literary history of affect Claire Colebrook Pennsylvania State University Praise for Romantic Vacancy For some time now there has been what we might call a movement that attends in Romantic writing to affects and states of being we had previously neglected or simply missed altogether A generation of scholars junior and senior is mapping out this uncharted territory in the most original manner along the way teaching us how to be with Romanticism and how Romanticism has always been with us in ways that are teaching all of us in turn how to be with the present We can put Kate Singer's Romantic Vacancy smart insightful beautifully argued at the vanguard of this movement proof of the fact that any rumours of the death of our field are not only highly exaggerated but just plain wrong Joel Faflak author of Romantic Psychoanalysis The Burden of the Mystery Romantic Vacancy offers compelling close readings of Romantic women poets and two canonical male poets

Shelley and Wordsworth After reading this book Romantic era scholars will no longer be able to read these poets in the same way again I think this book will be a game changer for scholars working on women poets This is a very fine work that should have a significant influence on the field Daniela Garofalo author of Women Love and Commodity Culture in British Romanticism Suicide Jon Klimo, Pamela Rae Heath, 2006-06-12 This provocative study explores what happens to those who commit suicide Drawing on communications from the spirits of more than 100 successful suicides it offers an intriguing look at what the dead themselves say about suicide its repercussions and their experiences in the afterlife Bringing together the channeled messages of three types of suicide traditional suicide assisted suicide and the suicide mass murder adopted by terrorists the book covers a wide range of topics including why people commit suicide what it is like to cross over adjustment problems what suicides would say to those left behind and what they would tell others thinking of taking their own lives Additionally the book conveys powerful messages from suicide bombers warning potential terrorists of the serious karmic consequences that await them For anyone contemplating suicide or euthanasia the book offers profound sometimes unsettling insight into the ramifications of these acts The Idiot Girl and the Flaming Tantrum of Death Laurie Notaro, 2009-04-28 NEW YORK TIMES BESTSELLER Laurie Notaro has an uncanny ability to attract insanity and leave readers doubled over with laughter Need proof Check out The Idiot Girl and the Flaming Tantrum of Death and try not to bust a gut Join Notaro as she experiences the popular phenomenon of laser hair removal because at least one of her chins should be stubble free bemoans the scourge of the Open Mouth Coughers on America's airplanes and in similarly congested areas welcomes the newest ex con y a sex offender to her neighborhood and watches against her own better judgment every Discovery Health Channel special on parasites and tapeworms that has ever aired resulting in an overwhelming fear that a worm the size of a python will soon come a knocking on her back door In Notaro's world strangers are stranger than fiction One must always check the hotel bathroom for hobo hairs and consciously remember not to stare at old men with giant man boobies And then there are the lessons she has learned the hard way Though it may seem like a good idea it's best not to hire a tweaked out homeless guy to clean up your yard The Plain Dealer says that Laurie Notaro is a scream the freak magnet of a girlfriend you can't wait to meet for a drink to hear her latest story With The Idiot Girl and the Flaming Tantrum of Death Notaro proves she's not only funny but resigned to the fact that you can't look bad ass in a Prius Don't even try

Death and Dying John F. Szabo, 2009-11-02 While it can be traced to the 1700s the term thanatology has gained traction in recent decades to refer to the study of death Because of the breadth of the published material and the challenges of discovery in large bibliographic databases and catalogs finding and identifying monographic material on death dying grief and bereavement can be extremely challenging Although there have been several bibliographical resources published on thanatology those titles were incomplete limited in scope or leaned heavily toward one area of the field In Death and Dying An Annotated Bibliography of the Thanatological Literature John F Szabo provides more than 2 200 citations of monographs

on the science and study of death and dying Among the areas this volume addresses are the psychological philosophical and attitudinal aspects coping and dealing with the burdens of caregiving and working in the helping professions instructional and educational topics for practitioners primarily health care providers cultural differences in bereavement rituals and grief mourning and loss In addition notable titles on or relating to death and dying in popular culture death themes in literature methods of death or specific ethical policy or public issues are also included when they contribute important information to subject areas on which the book focuses This book will be helpful to students researchers academics caregivers health care professionals psychologists social workers and anyone with an interest in death dying bereavement or the care of the terminally ill

accomplishing life and death in noble enlightened and empowered ways Lucid Death is fabulous The conceptual matrix is vast yet precise It offers an understandable worldview that nestles human life between the microcosm and the macrocosm in a cozily affirming yet crisply realistic way Burnette Carchedi artist and musician We are fortunate that the author applies her extraordinary inner capacities to explore the mysteries of karma and reincarnation Rarely do we encounter such an accessible and multicultural rendering of the journey of the soul through the spiritual worlds after death Ignacio Cisneros spiritual scientist

The Complete Idiot's Guide to World Mythology Evans Lansing Smith, Ph.D., Nathan Robert Brown, 2008-07-01 Make no myth take this book is indispensable The Complete Idiot's Guide to World Mythology explores the gods and goddesses heroes and heroines monsters and angels of the myths from every corner of the globe Additionally it explores the parallels between every culture and the striking similarities in mythic figures and the structure action wording and result of the stories themselves Covers Egyptian Celtic Teutonic Norse Japanese Mexican Native American and other myths Features information on The Hero's Journey the cycle of myth according to Jung Campbell and others Appendixes include a glossary of terms and both a general and a subject Index

Death to the Infidels Mitchell Bard, 2025-06-25 For more than a century much of the attention given to the Middle East has focused on the Arab Israeli conflict The rise of a Palestinian offshoot of Egypt's Muslim Brotherhood the Islamic Resistance Movement or Hamas transformed the nature of the conflict between Israel and the Palestinians According to Bard the dispute in the view of Hamas is not over a division of Palestine but rather about Jews ruling over Muslims and the presence of Jews on Islamic land However this Islamic Jewish conflict is not simply confined to the Middle East Muslim terrorist attacks have been directed at Jews all around the world from Europe to Asia to Latin America Radical Muslims in European countries are becoming more brazen particularly in France where the Muslims constitute nearly ten percent of the population In just the last year there have been several Muslim attacks on Jews throughout France Death to the Infidels documents the growth of radical Islam in the Middle East and how from the author's interpretation it has transformed what had primarily been a political conflict into a one sided religious war limiting the prospect for peace particularly in Israel

The New Children and Near-Death Experiences P. M. H. Atwater, 2003-11-06 Presents an in depth look at children who have experienced the near death phenomenon and the heightened abilities that these children exhibit Provides compelling evidence for the existence of a generation of children who represent the spiritual evolution of the human race Includes firsthand testimonies of children who have returned from near death The New Children and Near Death Experiences is the first book to provide from the view of the child an in depth study of children who have experienced the near death phenomenon and its aftereffects Atwater notes that the child who returns from a near death experience is not the same child as before but is a remodeled rewired reconfigured refined version of the original Presenting data to support her contention that these children have experienced structural chemical and functional changes in the brain she also shows how their greater empathic abilities as well as dramatically higher intelligence

are qualities that are also present in children born since 1982 enhanced abilities that cannot be tied to simple genetics Atwater shows that understanding the near death experiences of children can help us prepare for a quantum leap in the evolution of humanity
