The Infernal Desire Machines Of Doctor Hoffman:

The Infernal Desire Machines of Doctor Hoffman Angela Carter, 1986-03-04 The transformation of Desiderio's city into a mysterious kingdom is instantaneous Hallucination flows with magical speed in every brain avenues and plazas are suddenly as fertile as fairy book forests And the evil comes too as imaginary massacres fill the streets with blood the dead return to question the living and profound anxiety drives hundreds to suicide Behind it all stands Doctor Hoffman whose gigantic generators crack the immutable surfaces of time and space and plunge civilization into a world without the chains or structures of reason Only Desiderio immune to mirages and fantasy can defeat him But Desiderio's battle will take him to the very brink of undeniable irresistible desire The Infernal Desire Machines of Doctor Hoffman Angela Carter, 2011-02-03

Desiderio an employee of the city under a bizarre reality attack from Doctor Hoffman's mysterious machines has fallen in love with Albertina the Doctor's daughter But Albertina a beautiful woman made of glass seems only to appear to him in his dreams Meeting on his adventures a host of cannibals centaurs and acrobats Desiderio must battle against unreality and the warping of time and space to be with her as the Doctor reduces Desiderio's city to a chaotic state of emergency one ridden with madness crime and sexual excess A satirical tale of magic and sex The Infernal Desire Machines of Doctor Hoffman is a dazzling quest for truth love and identity **Allegories of Telling** Lynn Wells, 2003 In this critical study Lynn Wells

presents detailed readings of novels by five prominent British authors John Fowles Angela Carter Graham Swift A S Byatt and Salman Rushdie with an emphasis on how the texts self-referential aspects illuminate the acts of reading and writing fiction in contemporary Britain and by extension around the world *Cinematic Howling* Hoi Cheu, 2010-10-01 Cinematic Howling presents a refreshingly unorthodox framework for feminist film studies Instead of criticizing mainstream movies from feminist perspectives Hoi Cheu focuses on women's filmmaking itself Integrating systems theory and feminist aesthetics in his close readings of films and screenplays by women he considers how women engage the process of storytelling in cinema The importance of these films he argues is not merely that they reflect women's perceptions but that they have the power to reframe experiences and consequently to transform life A major contribution to feminist scholarship that will appeal to scholars of both gender and film Cinematic Howling is written in an approachable and inviting style full of vivid examples and attention to detail which will suit both undergraduate and graduate courses in gender film and cultural studies **Tactical**

Readings Nicola Pitchford, 2002 Both writers novels borrow heavily from other authors and in doing so they offer strategies for a politically committed rereading of literary history and its interaction with the popular imagination *Angela Carter* Aidan Day, 1998-06-15 The first full scale study of Angela Carter's fiction with a broad though scholarly appeal **Angela**

Carter: Surrealist, Psychologist, Moral Pornographer Scott Dimovitz, 2016-03-02 Contributing to the conversation regarding Angela Carter's problematic relationship with what she viewed as the interrelated traditions of surrealism and psychoanalysis Scott Dimovitz explores the intricate connections between Carter's private life and her public writing He

begins with Carter's assertion that it was through her sexual and emotional life that she was radicalized drawing extensively on the British Library's recently archived collection of Carter's private papers journals and letters to show how that radicalization happened and what it meant both for her worldview and for her writings Through close textual analysis and a detailed study of her papers Dimovitz analyzes the ways in which this second wave feminist's explorations of sexuality merged with her investigations into surrealism and psychoanalysis an engagement that ultimately led to the explosively surreal allegories of Carter's later more complex and more accomplished work His study not only offers a new way to view Carter's oeuvre but also makes the case for the importance of Angela Carter's vision in understanding the transformations in feminist thinking from the postwar to the postfeminist generation

Heterotopia in Angela Carter's Fiction: Worlds in Collision Eliza Claudia Filimon, 2014-02-01

Angela Carter's work is a collage of discourses and genres The challenge of finding a critical framework complex and accurate enough to classify her work has remained The spectacular and the pragmatic threads of her texts framed by extreme seriousness and witty humour are unravelled with the help of a different metaphor denoting enigmatic spaces conterdiscourses borders of otherness heterotopia Five novels out of nine five short stories out of thirty five as well as Carter's two film adaptations are filtered through a term extricated from its medical and geographical roots which emphasizes the ambiguity as well as the dialogic interaction of Angela Carter's often discordant discourses that have kept her at the top of the literary canon

Corporeality and Culture Karin Sellberg, Lena Wånggren, 2016-03-09 The material turn in critical theory and particularly the turn towards the body coupled with scientific insights from biomedicine biology and physics is becoming an important path in fields of humanities based scholarly inquiry Material and technological philosophies play an increasingly central role in disciplines such as literary studies cultural

studies history performance and aesthetics to name only a few This edited collection of essays investigates how the material turn finds applications within humanities based frameworks focusing on practical reflections and disciplinary responses It takes as its critical premise the understanding that importation of theoretical viewpoints is never straightforward rather a complex sometimes even fraught communication takes place between these disciplines at the imperceptible lines where praxis and theory meet transforming both the landscape of practical engagement and the models of material theory Presenting a multi and interdisciplinary consideration of current research on the cultural relationship to living and non living bodies Corporeality and Culture Bodies in Movement puts the body in focus From performance and body modification to film literature and other cultural technologies this volume undertakes a significant speculative mapping of the current possibilities for engagement transformation and variance of embodied movement in relation to scientifically situated corporealities and materialities in cultural and artistic practices Time and time again it finds these ever shifting modes of being to be inextricably interdependent and coextensive movement requires embodiment and embodiment is a form of movement

Ludics and Laughter as Feminist Aesthetic Jennifer Gustar, Caleb Sivyer, Sarah Gamble, 2021-01-20 Angela Carter's provocations to laughter and her enchantment with ludic narrative strategies are two key aspects of her aesthetic practice neither of which has been the focus of sustained study *Ludics and Laughter as Feminist Aesthetic* Angela Carter at Play responds to this lacuna in Carter criticism This international collection of eleven essays from acclaimed Carter scholars and emerging voices in the field of Carter studies seeks to reclaim play as a serious undertaking for feminist writing and scholarship and to foreground laughter as a potent affect While Carter's work turned to comedy in the later years from the first publication in 1966 until her last in 1992 her fiction poetry and journalism engaged in sharp social and cultural critique she habitually engaged this critique through ludic structures and wickedly funny narratives that challenged conventional norms and ways of thinking Contributors explore the diverse ways in which Carter compelled a complex and often uneasy laughter by means of a controversial aesthetic that merges a persistently ludic sensibility with a biting intransigent wit This volume draws on theories of play surrealism feminism as well as studies of feminist humour and Carter's own journals and diaries to reveal the ways in which her work moves readers towards the unexpected This volume will be of relevance both to scholars of Carter's work and of feminist humour more generally as well it will be of interest to students and general readers of Carter's fiction journalism and poetry

Intimacy and Identity in the Postmodern Novel Emilija Dimitrijevic, 2008 This book focuses on

the themes of intimacy and identity in the contemporary novel and in particular in the novels of A S Byatt Angela Carter and Jeanette Winterson Not only do the specificity of the contemporary social context and a growing awareness of the relational nature of the concepts of intimacy and identity set these novels apart from earlier writing that take these issues more for granted Their very concern with the themes of intimacy and identity also sets them apart from much postmodernist or mannerist writing that chooses to cold shoulder these arguments The study draws on work by contemporary social theorists and philosophers and aims to examine issues which although central to the writing of these authors have been neglected or treated superficially in literary criticism Finally it looks into the ways in which the new approaches to the question of intimacy and identity relate and contribute to contemporary debates on the postmodern novel
