

Figure 10.25 - Squared collarette, Female Right Iris. Note  the angular expression in the upper lateral sector. This is in the pancreas reflex zone. Ask about pancreatic symptoms.

Figure 10.26 - Squared collarette, Male Right Iris. This is quite an amazing example of the squared collarette.

Figure 10.27 - Displaced collarette, Female Right Iris. History of dysmenorrhea, constipation and infertility. Resolution after correction of lifestyle, diet and herbal medicine.  Displaced sector is also a bridge! This would explain her sweet tooth!

Figure 10.28 -  Displaced collarette, Female Right eye, 48 yrs. Client had battled with binge eating and mood swings for years prior to discovering the link between her collarette and her pancreas. Changing her diet changed her life!

The Integrated Iridology Textbook Toni Miller,2016-08-31

Iridology Fundamentals Flashbook Toni Miller,2015-05-09 Flash cards in book form Written by Toni Miller ND DHM Int

Irid Iridologist of the Year 2014 Open up meaningful dialogue with your clients A superb reference offers high quality photo samples as examples of what iris signs look like to enhance your explanations Featuring effective graphics and detailed descriptions Terminology has been thoughtfully written with both the iridologist and the client in mind Some of the classical iridology terms have been upgraded to enhance understanding The explanations of iris signs are based on nearly thirty years of clinical experience of the author and are explained according to Integrated Iridology concepts which combine philosophies from America Europe and Australia Whether you re learning practicing or teaching Iridology the Fundamental Flashbook will be a great asset to you A satin finish protective coating on each page makes this an attractive addition to your iridology resources This 68 page spiral bound set of flash cards is an ideal reference for students which becomes a wonderful resource you will use every day in clinical practice

The Mind Matters Toni Miller,2021-09-27 This is Toni Miller s third book written for Iridology students practitioners and teachers Studies have shown that up to 80% of all illness is triggered by a negative emotional experience This book is the companion of The Integrated Iridology textbook but explains how to identify the emotional triggers associated with individual predispositions determined from assessing the iris We are familiar with expressions such as always trust your gut or having gut instinct The neurotransmitters in the gut are the same as those in the brain Our thoughts therefore can have a significant impact on our physical wellbeing Every action is initiated by our personal beliefs The way we think has a significant impact on our health in general Our thoughts are the basic building blocks of our reality If we fear a disease we can literally manifest it because whatever we focus on grows Our core beliefs directly affect our physical wellbeing The contents of this book can enable you to identify causative factors from the eye

The Mind Matters Toni Miller,2021-09-27 **Practical Iridology** Peter Jackson-Main,2023-11-28 How to use the iris of the eye as a diagnostic medical tool The human iris provides a unique window into our bodies offering clues to our past present and future health Its related science iridology allows us to assess our wellbeing and provides pathways to follow to ensure we remain physically and emotionally fit Iridologist and herbalist Peter Jackson Main demonstrates just how easy it is for readers to make use of this diagnostic tool With just a small flashlight and a mirror you can begin to compare your eyes with the dozens shown in this book learning about your constitution and how you can avoid potential health problems In this revised and expanded edition Practical Iridology also explains what the colours and markings of your eyes reveal details dietary and exercise routines for different iris types provides a visual glossary of the different iris signs and offers guidance in preparing remedies
