Stumbling Backasswards Into the Light Jay Norry, 2014-01-28 From dark yesterday to bright tomorrow When childhood is over and adulthood tries to take hold it all becomes too much for one overwhelmed young man He sets out to find a place to give up once and for all to lay his body down and let his wasted life drift away instead he stumbles onto a whole new way of looking at the world His new teacher calls him Nobody and he can t deny the truth in the name A touching friendship unfolds as Nobody hears life and love being explained in a whole new way and hope begins to burn in his heart as the poignant lessons etch themselves into his thinking Their time together is a confusing chrysalis for Nobody He wonders whether it is in him to burst forth a beautifully colored butterfly as he is slowly transformed **Demons & Angels** J.K. Norry, 2014-12-02 Dark thoughts feed our demons A week ago Paul didn t even believe in demons Now he sees them everywhere They ride around on heavy human shoulders whispering hateful silence to their hosts In the wake of a tragic accident Paul finds it hard to take the demons seriously He is too caught up in mourning the loss of his best friend Kris Whatever responsibility that comes with seeing demons is of no interest to him Paul just wants his life back Except Kris is haunting Paul The demons are starting to notice him watching them Also he seems to have developed some pretty incredible abilities beyond seeing demons A new life needs to take shape if Paul wishes to survive but the cost may be his old life falling apart Demons Angels is the first novel in the Walking Between Worlds universe a supernatural story set in Heaven Hell and San Francisco Recommended reading order Walking Between Worlds Demons Angels Rise of the Walker King Fall of the Walker King Before Walking Between Worlds The Demon Be Damned The Heart of the Dragon release date TBA the Walker King J.K. (And Other Thoughts That Hurt To Think)** Jay Norry, 2018-06-27 We all know Earth is in space and we all somehow live with the knowledge every day We also know a bunch of other things that are simply part of living on this planet out here in space Some of those thoughts can be a little

terrifying and it can sometimes hurt to think about them but many of us love to mull them over just the same Serious issues have a history of dividing people while sharing amusing observations over those same issues can bring us together The topics covered in these pages are definitely serious but the heaviest stuff is what we need to learn to laugh about the most If you are both keenly aware of how messed up this world can be and able to see the value in having a sense of humor this was written just for you This book includes previously posted but no longer available Thoughts That Hurt to Think blog posts and **Ringing in a New Year** J.K. Norry, 2017-01-30 He isn t just taking your body He s taking your life Ring is about the sweetest guy that has ever worked outside the system aside from the murders and the drinking He can t remember who he used to be but he knows what he has to do He is a ringer after all Although the friendship that he shares with Henry is like nothing he has ever known Ring must take his life before the old year becomes the new year The more Henry comes to accept his fate the more Ring rails against his own When he takes Henry s body all of Ring s memories will be lost forever He can t remember an assignment ever being so hard to complete Then again he can t remember much of **Love Lost at Sea** J.K. Norry, 2016-09-16 As terror claims the land hope drifts to the water Kirsten's Dream is both simple and impossible Faced with a startling new reality she runs away to camp out on a docked yacht While she sleeps the boat sets sail and Kirsten's dream ends on the ocean Chelsea's Cry resounds across the open sea Happily and completely in love Chelsea sees the zombie apocalypse as a vacation without end Her joyful cries of freedom carry for miles over the empty water Nick's Mission has changed over the years From the time he was a little boy Nick knew he would be in the navy one day It never crossed his mind that he might end up on a ship full of zombies Love Lost at Sea is the third volume in the Zombie Zero short stories collection It remembers lives lost lives saved and lives forever changed during the tragedy documented in Zombie Zero The First Zombie The Beginning of the End J.K. Norry, 2016-08-19 Hope dwindles as the world dies Prologue Prequel is a memory from the mind of a certain general that first encountered zombies years ago When a top secret experiment goes horribly wrong only he stands between the world and outbreak John's Stones are his last chance at redeeming himself Caught between the world of humans and the mind of the monster John might be able to make a difference or he may be throwing stones at a hurricane Tina's Bedside has become a place for her husband to sit and watch her grow old The zombie apocalypse requires his attention more than she does and Tina finds her own grim solution to the problem The Beginning of the End is the second volume in the Zombie Zero short story collection It details the events preceding humanity s last stand against the cataclysm documented in Zombie Zero The First Zombie Tina s Bedside is about a woman who has been well loved and protected for a long happy life When the zombies come Tina realizes what she has been protected from all this time She s too old to handle a zombie apocalypse right now too old and too tired Tina finds her own solution to the sudden global problem Words Are Made Up! (And Other Thoughts That Hurt To Think) Jay Norry, 2018-07-25 Not everyone feels the need to point out ridiculous things when they see them or make jokes about very

serious things but some of us do This book is for us Not everyone wakes up in the morning wondering who uttered the first word how weather forecasters can be wrong so often and not lose their jobs or how voters don't have time to read what they vote on but some of us do This book is for us too Not everyone likes to think about situations beyond their control especially when those things could invade their lives at any time but some of us do This book is definitely for us You should get this book if you re one of us a unique bunch They are not the people that have the same blood running through their veins as her for Julia s Family Their entire lives have been dedicated to facing this day Lisa's List used to be full of all kinds of things to do With her focus narrowed to just one item she's convinced it will be done Lisa knows more about zombies than almost anyone she has a lot to learn Leo's Heart is not something he wears on his sleeve No matter the circumstances Leo is best known for keeping his cool Of course this is the first time he has actually faced a full on zombie apocalypse

The Sickness Spreads J.K. Norry, 2016-07-15 As the world gasps its last breath Crystal's Cough has been getting steadily worse since she first felt it tickle the back of her throat She had dreamed of going to Africa her whole life now Crystal just hopes to survive the flight home Barbara's Trip cannot end soon enough in her opinion She travels a lot for work to build a life and a future with her husband While Barbara is busy making other plans the sickness begins to spread Stan's Sniffles have kept him home from work for awhile now It s time to share his secret and accept some changes and Stan knows it What he doesn't know is that the whole world is about to change as well The Sickness Spreads is the first volume in the Zombie Zero short story collection It tells the tales of three lives that were changed forever by the ancient apocalypse documented in Zombie Zero The First Zombie The Heart of the Monster J.K. Norry, 2016-07-01 The winds of change reek of rotting flesh When Mother Nature calls everyone must stop to listen Humanity has finally gone too far and incurred the wrath of the planet itself Ramblers roam the earth hungry and mindless looking to eat or be eaten Howlers hunt the humans their superior strength becoming overwhelming odds as the zombie apocalypse spreads to every nation Will Mother Nature have mercy in the end Or will everyone fall at the hands of The First Zombie The Demon Be **Damned** J.K. Norry, 2019-11-20 Demons are created by a mind at war with itself The demons on Earth are influencing

humanity s path far too much and devils are finding doorways to the realm that did not exist before Only a demon created in Heaven and forged in the fires of Hell can make a difference when Heaven and Earth begin to bleed into each other Only a demon with the power of an angel and the heart of a devil can find a way to drive the devils back to Hell and keep all those demons in check But why would he want to God's back turned on Roche a long time ago The one most dear to him is by definition his greatest enemy Roche has no place in Heaven no friends in Hell and no fun on Earth The more his soul descends into darkness the more he is convinced that reality itself is fundamentally flawed He must find a way to understand his own existence and reconcile it in a way he can accept Otherwise he will have to end all the worlds The Demon Be Damned is a prequel to the story told in the Walking Between Worlds trilogy The only witness there from the start is the original demon Roche His tale goes back way back and we have to trace it to the very beginning to see just how vital his role has been in the continued existence of humanity Recommended reading order Walking Between Worlds Demons Angels Rise of the Walker King Fall of the Walker King Before Walking Between Worlds The Demon Be Damned The Heart of the Dragon Monstrous Consequences J.K.
