Stupid White Men By Michael Moore Reganbooks Harpercollins March 24 :

Visions of the Apocalypse Wheeler Winston Dixon,2003-09-17 Visions of the Apocalypse examines the cinema's fascination with the prospect of nuclear and or natural annihilation as seen in such films as Saving Private Ryan Bowling for Columbine We Were Soldiers Invasion U S A The Last War Tidal Wave The Bed Sitting Room The Last Days of Man on Earth and numerous others It also considers the ways in which contemporary cinema has become increasingly hyper conglomerised leading to films with ever higher budgets and fewer creative risks Along the way the author discusses such topics as the death of film itself to be replaced by digital video the political and social tensions that have made these visions of infinite destruction so appealing to the public and the new wave of Hollywood war films coupled with escapist comedies in the post 9 11 era Encompassing both questions of physical and filmic mortality Visions of the Apocalypse is a meditation on the questions of time memory and the cinema's seemingly unending appetite for spectacles of destruction The Neglected Voter David Paul Kuhn,2024-09-04 In the 1960s the Republican Party began to win over a crucial demographic white male voters Presidential politics was transformed for a generation David Paul Kuhn explains this fundamental fact behind the rise of the Republicans and the decline of the Democrats and reminds the political left that midterm victories 1986 2006 do not always equal sustainable success In revealing lucid prose Kuhn explains how America's conservative party came to win a majority of workingmen and the White House Grounded in practical politics The Neglected Voter presciently reconfigures the American political landscape Equipped with unprecedented research data reporting and exclusive interviews with such figures as Jimmy Carter Norman Mailer Mark Warner and Pat Robertson Kuhn examines the role of gender and racial identity in presidential politics through the social changes that have defined the last half century **The Great Turning** David C. Korten,2006-05-14 The international bestselling author shares a compelling devastating and ultimately profoundly hopeful guide to navigating our global future Van Jones Executive Director The Ella Baker Center for Human Rights David Korten argues that corporate consolidation of power is merely a contemporary manifestation of what he calls Empire the organization of society by hierarchies of domination Increasingly destructive on every level the way of Empire is leading to environmental and social collapse We now face a mounting perfect storm of climate change peak oil and the financial instability inherent in an unbalanced global trading system In The Great Turning Korten makes the case that we must change course and choose a new future as a conscious collective act We cannot avoid the unraveling We can however turn a potentially terminal crisis into an epic opportunity to bring forth a new era of Earth Community grounded in the life affirming values of ecological integrity economic justice community and democracy The Great Turning is an essential resource for those who understand this need and are prepared to engage what Thomas Berry calls the Great Work **Facts on File World News Digest Yearbook** ,2002 **The Publishers Weekly** ,2004 Sore Winners John Powers,2005-08-09 Politics and culture culture and politics They've never been normal in America but today they're weirder than ever Millionaire

populists like Bill O Reilly and Michael Moore dominate a political scene spinning ever further from the real world meanwhile we look to bizarre experiments like Survivor for our daily dose of reality In this wonderfully acerbic tour through our increasingly unhinged culture John Powers takes on celebrities and evangelicals pundits and politicians making sense of the mess for the rest of us He shows how we have come to equate consumerism with patriotism and Fox News with objective journalism and how our culture has become more polarized than ever even as we all shop at the same exact big box stores Insightful hilarious and critical of both liberals and conservatives this is one of the smartest and most enjoyable books on American culture in years *Educational Rankings Annual 2005* Gale Group,2004-09 This up to date resource presents more than 4 000 national regional local and international lists and rankings compiled from hundreds of respected sources Entries typically include a description of the ranking background information on criteria for establishing the hierarchy additional remarks about the ranking the complete or partial if extensive ranking and a complete source citation for locating additional information if necessary **El cultural** ,2002-02 [Livres hebdo](#) ,2003 [Stupid white men](#) Michael Moore,2003 **Stupid White Men: And Other Sorry Excuses for the State of the Nation!** M. Stupid White Men Michael Moore,2004-05-11 In the winter of 2002 Stupid White Men took America and the world by storm Tired and skeptical of George W Bush s high approval ating frightened by the implications of the Enron scandal and generally just looking for a voice of honest dissent in the thick atmosphere of jingoism that followed 9 11 book buyers from coast to coast swiftly embraced Michael Moore s in your face anti Bush era manifesto making it one of the bestselling nonfiction books of the year With an unerring eye for greed hypocrisy and corruption Michael Moore takes on the whole ugly mess of America at the dawn of the twenty first century Whether he s demanding U N action to overthrow the Bush Family Junta or calling on African Americans to place whites only signs over the entrances of unfriendly businesses Stupid White Men is a pitch perfect skewering of our culture of Malfeasance and Mediocrity [Stupid white men](#) Michael Moore,2003

Angry White Men Michael Kimmel,2013-11-05 W e can t come off as a bunch of angry white men Robert Bennett chairman of the Ohio Republican Party One of the enduring legacies of the 2012 Presidential campaign was the demise of the white American male voter as a dominant force in the political landscape On election night after Obama was announced the winner a distressed Bill O Reilly lamented that he didn t live in a traditional America anymore He was joined by others who bellowed their grief on the talk radio airwaves the traditional redoubt of angry white men Why were they so angry Sociologist Michael Kimmel one of the leading writers on men and masculinity in the world today has spent hundreds of hours in the company of America s angry white men from white supremacists to men s rights activists to young students in pursuit of an answer Angry White Men presents a comprehensive diagnosis of their fears anxieties and rage Kimmel locates this increase in anger in the seismic economic social and political shifts that have so transformed the American landscape Downward mobility increased racial and gender equality and a tenacious clinging to an anachronistic ideology of masculinity has left

many men feeling betrayed and bewildered Raised to expect unparalleled social and economic privilege white men are suffering today from what Kimmel calls aggrieved entitlement a sense that those benefits that white men believed were their due have been snatched away from them Angry White Men discusses among others the sons of small town America scarred by underemployment and wage stagnation When America s white men feel they ve lived their lives the right way worked hard and stayed out of trouble and still do not get economic rewards then they have to blame somebody else Even more terrifying is the phenomenon of angry young boys School shootings in the United States are not just the work of misguided youth or troubled teens they re all committed by boys These alienated young men are transformed into mass murderers by a sense that using violence against others is their right The future of America is more inclusive and diverse The choice for angry white men is not whether or not they can stem the tide of history they cannot Their choice is whether or not they will be dragged kicking and screaming into that inevitable future or whether they will walk openly and honorably far happier and healthier incidentally alongside those they ve spent so long trying to exclude *Stupid white men* Michael Moore,2003
