The Letters Volume 1 Samuel Taylor Coleridge, This edition originally published in 1895 has been one of the first attempts made to publish a collection of Coleridge's letters. The selection has been made from a great mass of correspondence written to his family, to Southey, De Quincey, and other literary contemporaries. The letters are arranged in chronological order and are intended rather to illustrate the story of the writer's life than to embody his critical opinions or to record the development of his philosophical and theological speculations. The sole criterion in the selection has been the letters' interest. A page of authorities is also given. This is volume 1 out of 2.
