Tourism Memorandum Phase 2 Pat:

Cruise Tourism in Polar Regions Michael Lück, Patrick Timothy Maher, Emma J. Stewart, 2010 Cruises are the primary form of tourism in the Polar Regions and cruise ship tourism in both the Arctic and Antarctic is expanding rapidly The industry has moved beyond its infancy and is now entering a maturing phase with increased numbers and types of vessels more demanding routes and more regular and predictable patterns of activity The increase in cruise activities and the associated risks of accidents as well as the potential and actual impacts of the large numbers of tourists in the polar regions bring with it management challenges for sustainable use of these regions This book discusses critically the issues around environmental and social sustainability of the cruise industry in Polar Regions Authors from Canada USA Europe Australia and New Zealand are experts in their respective fields and take an innovative critical and at times controversial approach to the subject

Higher Education Challenges in South-East Asia Kahl, Christian, 2020-10-23 Over the last decade many local students have preferred to study overseas This has caused governments to announce the creation of programs and developments in the higher education sector to upgrade South East Asia to a leading education hub Moreover many governments declared that they would work on the insurance of learning to increase the quality of the degrees and the teaching itself This has led many to question the results of these declarations Higher Education Challenges in South East Asia provides an overview of what has been happening over the last ten years in higher education in South East Asia It also works to solve the challenges in modern education such as the impacts of digitalization globalization and Generation Y and Z learning styles Covering topics that include globalization educational technologies and comparative teaching this book impacts academic institutions policymakers government officials university and college administrators and leaders academicians researchers and students

Creating Wilderness Patrick Kupper, 2014-07-01 The history of the Swiss National Park from its creation in the years before the Great War to the present is told for the first time in this book Unlike Yellowstone Park which embodied close cooperation between state supported conservation and public recreation the Swiss park put in place an extraordinarily strong conservation program derived from a close alliance between the state and scientific research This deliberate reinterpretation of the American idea of the national park was innovative and radical but its consequences were not limited to Switzerland The Swiss park became the prime example of a scientific national park thereby influencing the course of national parks worldwide
