Tourism in Egypt Through the Ages Charlotte Booth, 2024-05-30 Let's go on a journey through 5 000 years of tourism in Egypt starting with the pre 2011 economic height back through the Thomas Cook cruises in the nineteenth century to the ancient Egyptians themselves making journeys down the Nile to visit Abydos and Memphis on pilgrimage or to travel for work while tourism itself is a new concept exploring the local and not so local environment is almost hardwired into human nature And considering the Giza pyramids were a thousand years old at the time of Ramses II there would have been many wonderful things to see This book explores the tourism industry and its development from selling amulets at ancient temples through manufacturing mummies for tourists to buy to adventure trips in the modern day As numbers of visitors increased so did the business of tourism including refreshments accommodation guided tours and souvenirs This book will provide a comprehensive introduction to Egypt and its attraction to tourists from the pharaonic period to the modern day while thousands of years separate us the evidence shows many traveled for the same reasons people do today
