Littles,2014-07-01 Urban Books popular *Around the Way Girls* series is back bringing readers more dramatic tales about the lives of some tough resourceful women who can hold their own when things get rough on the streets Growing up poor and biracial Shannon never quite fit in Not truly accepted by either side of her family the confused teenager turns to the one thing that loves her back unconditionally the streets With a bottle of liquor at her side and a worthless mentality in tow Shannon allows the local strip club and the pole to become her new family When one of her best customers turns out to be her long lost brother all hell breaks loose For Brionna Breezy Lee life has been hell for as long as she can remember Being mentally verbally sexually and physically abused at the hands of her mother it seems as if she will never get a break The only thing keeping her sane is her best friend King who s always been by her side but even he is starting to become frustrated as she says she s fed up with the abuse but continually makes excuses for why she

won't seek help Will Breezy's loyalty to a mother who couldn't care less about her cause even more tragedy or will she listen to her friend and get out before it's too late Cori and Nique are tired of living bottom barrel in Detroit with shut off notices and eviction threats a constant reality Seeing no other way out the duo sets a plan into motion becoming the go to girls from the hood From robbing an off duty cop to running stolen gas cards smash and grabs or stealing bundles of expensive weave they definitely don't play about their grind In their world sometimes being Down 4 Whatever is your only option Totality -- The Great American Eclipses of 2017 and 2024 Mark Littmann, Fred Espenak, 2017-04-28 Totality The Great American Eclipses is a complete guide to the most stunning of celestial sights total eclipses of the Sun It focuses on the eclipses of August 21 2017 and April 8 2024 that pass across the United States The U S mainland has not experienced a total solar eclipse since 1979 This book provides information photographs and illustrations to help the public understand and safely enjoy all aspects of these eclipses including How to observe a total eclipse of the Sun How to photograph and video record an eclipse Why solar eclipses happen The earliest attempts to understand and predict eclipses The mythology and folklore of eclipses The response of animals to total solar eclipses The response of man to total eclipses through time How scientists used total eclipses to understand how the Sun works How astronomers used a total solar eclipse in 1919 to confirm Einstein's general theory of relativity Weather prospects for the 2017 eclipse Detailed maps of the path of totality for the 2017 eclipse and the eclipses of 2018 through 2024 Precise local times for the eclipses of 2017 and 2024 the next total solar eclipse to visit the U S Color and black and white photographs diagrams and charts to illustrate and explain total solar eclipses Global maps of total solar eclipses from 2017 to 2045 and lists of total and annual solar eclipses from 1970 through 2070

Non-Competition Interests in EU Antitrust Law Or Brook, 2022-07-28 This book is the first to empirically examine the role of non competition interests public policy in the enforcement of the EU's prohibition on anti competitive agreements Based on an original quantitative and qualitative database of over 3 100 cases this book records all of the public enforcement actions of Article 101 TFEU taken by the Commission EU Courts and the national competition authorities and courts of five representative Member States France Germany Hungary the Netherlands and the UK The book not only exposes explicit tools in which non competition interests played a role but also sheds light on the dark matter of balancing namely invisible forms of balancing triggered by the institutional and procedural setup of the competition enforcers Moreover it contributes to the empirical legal study of various other aspects of EU competition law enforcement such as its objectives the more economic approach decentralized enforcement and the functioning and success of Regulation 1 2003 *Privacy and Identity in a Networked Society* Stefan Strauß, 2019-04-16 This book offers an analysis of privacy impacts resulting from and reinforced by technology and discusses fundamental risks and challenges of protecting privacy in the digital age Privacy is among the most endangered species in our networked society personal information is processed for various purposes beyond our control Ultimately this affects the natural interplay between privacy personal identity and identification This book

investigates that interplay from a systemic socio technical perspective by combining research from the social and computer sciences It sheds light on the basic functions of privacy their relation to identity and how they alter with digital identification practices The analysis reveals a general privacy control dilemma of digital identification shaped by several interrelated socio political economic and technical factors Uncontrolled increases in the identification modalities inherent to digital technology reinforce this dilemma and benefit surveillance practices thereby complicating the detection of privacy risks and the creation of appropriate safeguards Easing this problem requires a novel approach to privacy impact assessment PIA and this book proposes an alternative PIA framework which at its core comprises a basic typology of personally and technically identifiable information This approach contributes to the theoretical and practical understanding of privacy impacts and thus to the development of more effective protection standards This book will be of much interest to students and scholars of critical security studies surveillance studies computer and information science science and technology studies and politics **The**

Sidekick Comes of Age Stephen M. Zimmerly, 2019-04-09 Literary sidekicks like Dr Watson and Robin the Boy Wonder have not been the singular subject of a significant critical study until now Using young adult literature YA to study the sidekick reveals new and exciting ways to understand these kinds of characters and this kind of literature YA has embraced the sidekick recognizing the way the character reflects the importance of growth and finding one's place in the world The nature of many YA texts allows sidekicks to grow beyond literary or historical origins This includes letting sidekicks evolve over the course of multiple texts using parallel novels to add complexity to a sidekick's characterization and telling a story from the sidekick's perspective paradoxically making the sidekick the hero A singularly focused and prolonged study helps to establish sidekick scholarship as a burgeoning field in and of itself **PC Mag**, 2006-04-11 PCMag.com is a leading authority on
