Daniluk,2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on womens s sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings *Education, Globalisation and New Times* Stephen J. Ball,Ivor F. Goodson,Meg Maguire,2007-03-08 Education Globalisation and New Times comprises a selection of the most influential

papers published over the twenty one years of the Journal of Education Policy Written by many of the leading scholars in the field these seminal papers cover a variety of subjects sectors and levels of education focused around the following major themes education globalisation and new times policy theory and method policy and equity Compiled by the journal s editors Stephen Ball Ivor Goodson and Meg Maguire the book illustrates the development of the field of education policy studies and the specially written Introduction contextualises the selection whilst introducing students to the main issues and current thinking in the field

The "tragic Mulatta" Revisited Eve Allegra Raimon,2004 This book focuses on the mixed race female slave in literature arguing that this figure became a symbol for explorations of race and nation both of which were in crisis in the mid 19th century It suggests that the figure is a way of understanding the volatile and shifting interface of race and national identity in the antebellum period

Endangered Species Lawrence Grobel,2009-09-09 Norman Mailer once told Lawrence Grobel that writers may be an endangered species And Saul Bellow said The country has changed so that what I do no longer signifies anything as it did when I was young But to judge from this collection writers and writing aren t done for quite yet Sometimes serious sometimes funny sometimes caustic always passionate the twelve writers in *Endangered Species* memorably state their case for what they do and how they do it And they even offer an opinion or two about other writers and about the entire publishing food chain from agents to publishers to booksellers to critics

Foucault and Education Stephen Ball,2019-05-16 Specially selected by Stephen Ball this is a collection of the best and most interesting recently published papers that use Foucault to analyse destabilise and re claim educational problems Arguably the best known social theorist in the western world Foucault s work is now widely used by researchers and writers in many fields of social science These papers not only demonstrate the practical applicability of Foucault to things cracked and things intolerable in making them not as necessary as all that they are also transposable in that they offer forms and methods of analysis which can be taken up and applied and used in other settings sectors and policy fields

Desirable Belief Margaret D Kamitsuka,2024-09-10 This book offers an analysis of erotic love in the Bible patristic theology mystical writings philosophy and literature Eschewing hyper conservative shaming of lust and overly optimistic views of eros as sacred and liberating the book demonstrates how eros illuminates core Christian beliefs about Jesus Christ the afterlife and the Trinity

Only by Struggle Epifanio San Juan,1988

Progress in Sexology Robert Gemme,2013-03-08 As editor of the series *Perspectives in Sexuality Behavior Research and Therapy* I consider it a major scholarly achievement to publish selected proceedings of the Second International Congress of Sexology Never before have so many professional organizations supported such a conference or so many scholars from so many countries participated in such a conference Eighteen countries were represented over one hundred papers were presented The Congress and these proceedings mark an historical mile stone for sexology in international scientific cooperation The collaboration of so many researchers from diverse disciplines further illuminates the interdisciplinary approach The papers presented reflect the challenge accepted by scientists to compare varieties of

techniques and programs to develop new theories and creative approaches in their investigations and to initiate scientific study of heretofore taboo areas of inquiry Clearly sexology has come of age It takes its place among the respected scientific disciplines This monumental achievement the Second International Congress of Sexology signals the emergence at the international level of Sexology as Science Richard Green ix Preface The Second International Congress of Sexology was held in Montreal Canada on October 28 31 1976 Researchers of international acclaim from eighteen countries presented progress reports in specialties as endocrinology neurophysiology infertility contraception sexual dysfunction ethics in sex research and sex education The Congress whose theme was international progress in sexology had as its scientific objective a wide range of subjects concerning the interdisciplinary study of sexology from many areas of the world Readings in Sexualities from Africa Rachel Spronk, Thomas Hendriks, 2020-02-04 Images and stories about African sexuality abound in today's globalized media Frequently old stereotypes and popular opinion inform these stories and sex in the media is predominately approached as a problem in need of solutions and intervention The authors gathered here refuse an easy characterization of African sexuality and instead seek to understand the various erotic realities sexual practices and gendered changes taking place across the continent They present a nuanced and comprehensive overview of the field of sex and sexuality in Africa to serve as a guide through the quickly expanding literature This collection offers a set of texts that use sexuality as a prism for studying how communities coalesce against the canvas of larger political and economic contexts and how personal lives evolve therein Scholars working in Africa the U S and Europe reflect on issues of representation health and bio politics same sex relationships and identity transactional economies of sex religion and tradition and the importance of pleasure and agency This multidimensional reader provides a comprehensive view of sexuality from an African perspective

The Feminine Mind and Body Joseph Dudley Chapman, 1967 Histerotica: The Complete Collection Evelyn Ellis, 2022-03-28 From medieval England to America's Swinging Sixties Histerotica is the complete collection Evelyn Ellis's erotic stories of taboo couplings and innocence lost Her stories explore fertility blood ties sex that is off limits older man younger woman seductions and the intensity of the burn when passion is let off the chain The heroines are virgins meeting lust for the first time Their instructors are older men mad doctors evil landlords filthy teachers and dirty but delicious uncles These are erotic adventures of taboo seductions and sizzling romance vividly presented in consensual scenes of carnal discovery that will set you on fire **The Book Review**, 1996 *J. M. Coetzee in Context and Theory* Elleke Boehmer, Robert Eaglestone, Katy Iddiols, 2009-03-19 Nobel Laureate and the first author to win the Booker Prize twice J M Coetzee is perhaps the world's leading living novelist writing in English Including an international roster of world leading critics and novelists and drawing on new research this innovative book analyses the whole range of Coetzee's work from his most recent novels through his memoirs and critical writing It offers a range of perspectives on his relationship with the historical political cultural and social context of South Africa It also contextualises Coetzee's work in relation to his literary

influences colonial and post colonial history the Holocaust and colonial genocides the politics and meaning of the Nobel prize in South Africa and Coetzee's very public move from South Africa to Australia Including a major unpublished essay by leading South African novelist Andr Brink this book offers the most up to date study of Coetzee's work currently available

The Art of Seduction Robert Greene, 2025-10-07 From the author of the multi million copy bestseller *The 48 Laws of Power* and *The Laws of Human Nature* a mesmerizing handbook on seduction the most subtle and effective form of power This is the only authorized hardcover edition in the US When raised to the level of art seduction an indirect and subtle form of power has toppled empires won elections and enslaved great minds Immerse yourself in the twenty four maneuvers and strategies of the seductive process the ritual by which a seducer gains mastery over his target Understand how to Poeticize Your Presence Keep them in Suspense What Comes Next and Master the Art of the Bold Move Every bit as essential as *The 48 Laws of Power* *The Art of Seduction* is an indispensable primer of persuasion that reveals one of history's greatest weapons and the ultimate form of power
