

V for Vendetta

INTRODUCTION

BRIEF BIOGRAPHY OF ALAN MOORE

Alan Moore was raised in an impoverished part of the United Kingdom. He was a voracious reader as a child, and showed a talent for drawing and writing. As a teenager, he began working in jobs and moving to local newspapers. It was also around this time that Moore began experimenting with drugs like LSD, and in 1970 he was expelled from his college (the English counterpart to American high school) for drug use. Following his expulsion, Moore worked a number of odd jobs, including toilet cleaning and farming. He didn't begin writing and illustrating comic books full time until 1979, when he sent his first letters to the music magazine *NME*. For the next few years, Moore earned less than 50 pounds a week. It was during this period that Moore married his wife, Phyllis, and had a child, Leah. It was Moore's dream to write for *2000AD*, the most prestigious comic magazine in Britain at the time. In 1980, he finally succeeded in selling an idea for a comic strip in *2000AD*. Moore worked as a freelance comic strip writer, often writing stories for other people's characters. He became known as a quick and creative writer with a strong visual sense, and all in all, he wrote more than 50 stories for *2000AD*. His major career breakthrough came in 1983, when he was hired by DC Comics, the most prominent American comic company, to reinvent "the legend of the Swamp Thing," an old, unpopular comic strip. Moore was widely praised for "deconstructing" the Swamp Thing character, essentially writing a satire of comic book superheroes themselves. Arguably, Moore's best-known work is *V for Vendetta*, which was released between 1986 and 1987. In 1989, Moore completed work on *V for Vendetta*, one of his most popular works. Since 1993, he's worked on more than 50 graphic novels, including *From Hell*, a reimagining of the Jack the Ripper murders, *The League of Extraordinary Gentlemen*, an adventure comic featuring heroes of Victorian literature, and *Preacher*, which blends comic book conventions with subliminal traditions. Moore has been honored with virtually every award given for comic books, and his comic *V for Vendetta* was included on *Time Magazine's* list of the 100 greatest works of fiction written in the 20th century.

HISTORICAL CONTEXT

V for Vendetta alludes to many historical events, some of the most important being the Civil War, the conservative values of the Reagan-Thatcher era, the AIDS epidemic, and the Guy Fawkes Gunpowder Plot. At the time when Moore was writing *V for Vendetta*, the Cold War was still a reality and was, in many ways, still escalating. (Although it would end only two years

after the graphic novel was published.) The world's two dominant superpowers, the United States and the U.S.S.R., competed with one another for economic and political control of the world. Their competition took many forms, and perhaps the most notorious was the stockpiling of nuclear missiles. For nearly thirty years, both the U.S. and the U.S.S.R. increased their defense budgets and devoted huge sums of money to building more nuclear missiles. There was widespread fear that the arm race between the U.S.S.R. and the United States would result in a nuclear war, which could easily destroy the entire planet. The premise of *V for Vendetta* is that this war has occurred: both Russia and America have been destroyed, along with Africa. Another important event to which *V for Vendetta* responds is the rise of conservatism in both the U.S. and America during the 1980s. During this decade, Ronald Reagan was the President of the United States, and Margaret Thatcher was the Prime Minister of England. Reagan and Thatcher were widely criticized for their indifference to blacks, feminists, homosexuals, scientists, and other demographic groups whose identities were said to oppose "traditional moral values." Never was this clearer than during the AIDS epidemic. The AIDS virus killed millions of people during the 1980s, most of them homosexuals. Reagan and Thatcher were attacked for refusing to allocate federal funds for AIDS research. It was pointed out that AIDS disproportionately targeted the demographics that didn't vote conservative: homosexuals, Latinos, and blacks, and it was even implied that Reagan and Thatcher weren't spending money to fight AIDS because their "ideal" people—white heterosexuals—weren't affected by it. Moore takes the Reagan/Thatcher conservatism to its ideological extreme with himself: highly conservative, homophobic, and racist regime that kills all those who stand outside the racial and sexual ideal. One final historical event to which *V for Vendetta* alludes is the Gunpowder Plot of 1605. A group of radical Catholics, including Guy Fawkes, plotted to assassinate James I, the Protestant ruler of England at the time, by blowing up the House of Parliament, the center of the English government. On the 5th of November, Fawkes was caught beneath the House of Parliament, surrounded by barrels of gunpowder. Although Fawkes was tortured for his act of treason, he confessed suicide before English soldiers could execute him. Fawkes's act of violent disobedience has found a welcome place in English mythology: in November, the English launch fireworks and light bonfires in recognition of Fawkes's Gunpowder Plot.

RELATED LITERARY WORKS

A full list of the books to which *V* alludes is impossible: there are simply too many of them. Moore has acknowledged his debt

[A Newbies Guide to Xbox 360](#) GameCaps, 2013-09-05 Games systems used to be simple plug into TV put in game cartirage power on and occasionally spend several minutes plugging dust out and putting it in at just the right angle Today game systems are more than game systems they are multi media powerhouses In the case of Xbox 360 it is a full on computer This guide will help you get the most out of your Xbox 360 and everything that s built into it from adjusting parental settings to changing the way it looks GameCaps Walkthroughs was started as a way of bringing cheap reliable and informative game walkthroughs and system profiles Our library is growing more every month

Deal With It Mary Huebner, 2009-12-15 Anger is a regular part of every middle school girl s world Often times this anger can appear as open aggression where girls bully one another or they can unhealthily suppress their anger But there are godly and appropriate ways students can respond to situations that make them angry Deal With It gives youth leaders the tools to help middle school girls deal with their anger Through activities that

include reading and responding to stories about Maria a fictional teen students will learn to recognize their anger and find healthy ways to express their emotions **Teaching Graphic Novels in the Classroom** Ryan J. Novak,2021-09-23

Teaching Graphic Novels in the Classroom describes different methods teachers may use to begin teaching graphic literature to new readers The first chapter of the book is dedicated to the history of the medium and runs from the earliest days of comic books through the growing popularity of graphic novels It includes profiles of early creators and the significance of certain moments throughout the history that chart the evolution of graphic literature from superheroes to award winning novels like Maus Chapters 2 8 focus on different genres and include an analysis and lessons for 1 2 different novels creator profiles assignments ways to incorporate different media in connection with each book chapter summaries discussion questions and essay topics Chapter 9 is the culminating project for the book allowing students to create their own graphic novel with guidance from the writing process to creating the art Grades 7 12 *Reading the Visual* Frank Serafini,2014

Reading the Visual is an essential introduction that focuses on what teachers should know about multimodal literacy and how to teach it This engaging book provides theoretical curricular and pedagogical frameworks for teaching a wide range of visual and multimodal texts including historical fiction picture books advertisements websites comics graphic novels news reports and film Each unit of study presented contains suggestions for selecting cornerstone texts and visual images and launching the unit as well as lesson plans text sets and analysis guides These units are designed to be readily adapted to fit the needs of a variety of settings and grade levels **An Interpretive Guide to Operatic Arias** Martial Singher,Eta

Singher,1983 A premier singer and master teacher here tells other singers how to get the most from 151 famous arias selected for their popularity or their greatness from 66 operas ranging in time and style from Christopher Gluck to Carlisle Floyd from Mozart to Menotti The most memorable thrills in an opera singer s life according to the author s Introduction may easily derive from the great arias in his or her repertoire This book continues the work Martial Singher has done in performances in concerts and in master classes and lessons by drawing attention not only to precise features of text notes and markings but also to psychological motivations and emotional impulses to laughter and tears to technical skills to strokes of genius and even here and there to variations from the original works that have proved to be fortunate For each aria the author gives the dramatic and musical context advice about interpretation and the lyric with the original language if it is not English and an idiomatic American English translation in parallel columns The major operatic traditions French German Italian Russian and American are represented as are the major voice types soprano mezzo soprano tenor baritone bass baritone and bass The dramatic context is not a mere summary of the plot but is a penetrating and often witty personality sketch of an operatic character in the midst of a situation The musical context is presented with the dramatic situation in a cleverly integrated way Suggestions about interpretation often illustrated with musical notation and phonetic symbols are interspersed among the author s explication of the music and the action An overview of Martial Singher s approach based on

fifty years of experience on stage in a hundred roles and in class at four leading conservatories is presented in his Introduction As the reader approaches each opera discussed in this book he or she experiences the feeling of participation in a rehearsal on stage under an urbane though demanding coach and director The Interpretive Guide will be of value to professional singers as a source of reference or renewed inspiration and a memory refresher to coaches for checking and broadening personal impressions to young singers and students for learning to teachers who have enjoyed less than a half century of experience and to opera broadcast listeners and telecast viewers who want to understand what goes into the sounds and sights that delight them
