wheeled four cylinder engined Morgans Ken Hill has created an invaluable Bible which is absolutely packed with genuinely
useful information Ken sets the stage by detailing the history of the Morgan motor company describes the marque s
motorsport record and then in great detail chronicles the evolution of each four cylinder model Next comes a huge amount of
practical advice on maintenance repair and modification of these cars advice based on information gathered over a number
of years from a host of Morgan owners and specialists around the world This book s guidance on restoration techniques will
prove to be a real boon to those undertaking a rebuild or considering the purchase of a car in need of restoration Again this
advice is based upon experience as Ken restored his own concours winning Morgan Part of the Morgan experience is the
social scene that embraces the marque on a worldwide basis so Ken devotes a whole chapter to Morgan clubs and their
activities The last part of the book is a series of appendices comprised of technical data sheets wiring diagrams lubrication
charts Lucas electrical equipment data sheets details of specialists distributors and manufacturers and details of Morgan
miniature models Altogether this work is a unique source book of essential information for all Morgan owners and
