Deep and Wide Evan B. Howard, 2023-05-02 Commitment to a life of prayer and community can prove to be a great help for those involved in politics Rather than being distracted away from action Evan B Howard argues that committed Christians often find both freedom and empowerment to contribute to the greater good of the world A review of the history of committed Christian life monasticism shows that devout communities have engaged in a wide range of socio political arenas We can explore today what nuns and monks have accomplished in the past We can speak into political conversations We can care for those in need We can model new ways of ordering life together We can take concrete political action in governmental process We can pray This book blends examination of history with musings about the Christian life and politics generally It also offers a collection of monastic practices to equip communities and individuals to embody an appropriate blend of deep and wide for themselves *The Bachelor Club* Rhonda Gibson, Bev Huston, Kathleen Y'Barbo, Janet Spaeth, 2005 The game four young men started as children has turned into a competition to see who will wait the longest to get married *Cadence* Bob Rusch, 1984 [Host bibliographic record for bound with item barcode i23624103](#) , 1974
