Texas     Advanced Telescope and Instrumentation Control Software ,2002     **The Book of Matt** Stephen Jimenez,2020-05-26 With a New Conclusion by the Author On the night of October 6 1998 twenty one year old Matthew Shepard left a bar with two alleged strangers Aaron McKinney and Russell Henderson Eighteen hours later Matthew was found tied to a log fence on the outskirts of town unconscious and barely alive Overnight a politically expedient myth took the place of important facts By the time Matthew died a few days later his name was synonymous with anti gay hate The Book of Matt first published in 2013 demonstrated that the truth was in fact far more complicated and daunting Stephen Jimenez's account revealed primary documents that had been under seal and gave voice to many with firsthand knowledge of the case who had not been heard from including members of law enforcement In his Introduction to this updated edition journalist Andrew Sullivan writes No one wanted Steve Jimenez to report this story let alone go back and back to Laramie Wyoming asking awkward questions puzzling over strange discrepancies re interviewing sources seeking a deeper more complex truth about the ghastly killing than America it turned out was prepared to hear It was worse than that actually Not only did no one want to hear more about it but many were incensed that the case was being re examined at all As a gay man Jimenez felt an added moral imperative to tell the story of Matthew's murder honestly and his reporting has been thoroughly corroborated I urge you to read The Book of Matt carefully and skeptically Sullivan writes and to see better how life rarely fits into the neat boxes we want it to inhabit That Matthew Shepard was a meth dealer and meth user says nothing that bad about him and in no way mitigates the hideous brutality of the crime that killed him instead it shows how vulnerable so many are to the drug's escapist lure and its astonishing capacity to heighten sexual pleasure so that it's the only thing you want to live for Shepard was a victim twice over of meth and of a fellow meth user     **Cars & Parts** ,2002     **Franchise Desk Book** W.
