The New York Times Index, 2008 **Something Between Us** Anand Pandian, 2025-05-27 An anthropologist's quest to understand the deep social and political divides in American society and the everyday strategies that can overcome them In 2016 Anand Pandian was alarmed by Donald Trump's harsh attacks on immigrants to the United States the appeal of that politics of anger and fear In

the years that followed he crisscrossed the country from Fargo North Dakota to Denton Texas from southern California to upstate New York seeking out fellow Americans with markedly different social and political commitments trying to understand the forces that have hardened our suspicions of others The result is *Something Between Us The Everyday Walls of American Life and How to Take Them Down* a groundbreaking and ultimately hopeful exploration of the ruptures in our social fabric and courageous efforts to rebuild a collective life beyond them The stakes of disconnection have never been higher From the plight of migrants and refugees to the climate crisis and the recent pandemic so much turns on the care and concern we can muster for lives and circumstances beyond our own But as Pandian discovers such empathy is often thwarted by the infrastructure of everyday American life fortified homes and neighborhoods bulked up cars and trucks visions of the body as an armored fortress and media that shut out contrary views Home and road body and mind these interlocking walls sharpen the divide between insiders and outsiders making it difficult to take unfamiliar people and perspectives seriously to acknowledge the needs of others and relate to their struggles Through vivid encounters with Americans of many kinds including salesmen truck drivers police officers urban planners and activists for women s rights and environmental justice Pandian shares tools to think beyond the twists and turns of our bracing present While our impasses draw from deep American histories of isolation and segregation he reveals how strategies of mutual aid and communal caretaking can help to surface more radical visions for a life in common with others ways of meeting strangers in this land as potential kin
