The Bolsheviks Volume I John D. Loscher,2009-09 In my best guess Czar Nicholas the Second of Russia is a throwback to something around the year seventeen hundred perhaps even earlier than that William Donaldson would live to see firsthand how these words from his boss were completely accurate For a recent college graduate like William such archaic and inflexible viewpoints

added up to the Romanov family's ultimate damnation. Time would eventually prove him right. During his travels across the European continent during the summer of 1914, William got to meet a young Winston Churchill, Bernard Law Montgomery, and Adolph Hitler. Arriving in Saint Petersburg, the capital city of Imperial Russia, on the day World War I begins, William finds himself forcibly conscripted into the United States Foreign Service. In his eventual role as a civilian military observer, William Donaldson, a most reluctant Attaché to the United States Embassy in St. Petersburg, Russia, would get to witness that demise personally. For an unwilling but dedicated American diplomat, such unprecedented access to the Russian military would reveal the malaise and ultimate bankruptcy which was the Imperial Romanov Court at the turn of the twentieth century. Accompanied from battlefield to battlefield along the Eastern Front with his devoted White Russian interpreter and lover, Sonja Mastrova, William meticulously documents the decline and subsequent devolution of Imperial Russia's sovereign liege. As the military and political situation steadily progresses from bad to worse, William concludes that the final overthrow of the 300-year-old Romanov autocracy is no longer a question of if but when. The only nagging issue William struggles to determine is simply this: What type of government will replace the monarchy? *Romance Papa Volume 4* Youngran Lee, 2019-05-17

Sangbum, a misogynistic germophobic plastic surgeon, is shocked to discover that the sperm he donated as a medical student has resulted in a 13-year-old daughter, Myunghae. Myunghae's foster parents were killed in an accident, so she gets unceremoniously dropped into her biological dad's life. Sangbum isn't prepared for the responsibilities of fatherhood, but he quickly comes to love the daughter who looks so much like him. While she adjusts to her happy new life with Sangbum, however, Myunghae is shocked to learn that her boyfriend is now dating her best friend. And then she has to contend with the attentions of Bokit, one of the popular kids at school. **Tales from the addict files volume 2: The Lottery Winner** King

Khan, 2017-03-14. Why did author King Khan write his thrilling Addict Files series? I was inspired by my own experience with drug abuse and the devastation it caused in my life, he says. I decided to use my experience to write about addiction in a graphic fashion to take the glamour out of drug use for all those who think of it as an acceptable form of recreation. In his second book, *The Lottery Winner*, Tyrone Moxley is a sheltered graduate student attending Catholic University. He is serious, honest, and principled, with values instilled in him by a loving and close-knit family. Paul Vincent is the opposite of Tyrone. He is a self-serving narcissistic drug abuser who uses anyone he comes across to satisfy his own selfish and petty desires. He also just won the lottery. This novel about a sheltered young man who crosses the path of a despicable lottery winner exposes the naïve Tyrone to the dark elements of drugs, sex, and murder. It is also about loss of innocence but is tempered with the redeeming power of love and forgiveness. Set in Washington, D.C. and Philadelphia, this striking tale also tells the love story of a beautiful young woman looking for her knight in shining armor. Will she find him? **Harry Broadtape - Volume IV - Die**

Gotterdammerung... Maybe? John Johnson, 2010-05-13. Despite the fact that he had been trying to withdraw from the world of finance since the early 1980s, Harry's karma always presented situations that managed to keep him in the game. The

common thread to these ongoing business dealings now seems in one way or another to represent a form of a breach of contract either by private parties or the Government After retiring from a highly successful executive career in the industrial sector Peggy has now joined Harry to help him fight his way out of his assorted entanglements Here in Volume IV we see how these situations evolved and how they are dealt with in a world gone wild with excessive debt creation and social engineering Throughout it all Harry and Peggy manage to find comedy in all this social and financial tragedy by treating the whole mess as though it were a soap opera
