From Junkie to Jerusalem Larry Huch, 2025-03-04 God can take you from wherever you are to beyond what you could ever imagine. By the end of this book, you will claim victory over sin through the sacrifice of Jesus Christ. Likewise, no matter how far gone you feel, you'll know that you're never too far gone for God to restore and redeem you. From a drug addict to a prominent pastor and ardent advocate for Israel and the Jewish people, Pastor Larry Huch's testimony is all about hope and overcoming. It's a powerful testimony that has been told from the White House to the most violent prisons, from Portland to the Philippines, from the down and out in the streets and even to the world's most elite, namely to President Trump and to Prime Minister Netanyahu. Delving into Huch's tumultuous past, *From Junkie to Jerusalem* details his abusive background, explains his struggles with anger and addiction, and highlights the profound spiritual awakening that led him to leave behind his former life and embrace Christianity. However, this is not just one man's story. This is a story of what God can do with the least of us. It's a story of miracles and being faithful with a little, and watching God multiply the loaves and fishes we give Him. While reading this motivational testimony, you will be at the heart of Huch's spiritual journey. Learn how you can break free of generational curses. See how God can work miracles in your own life. This God story gives readers hope that regardless of their current condition, no matter where they're from, what they're going through, or what their children are going through, God has a miracle in the works.

History of Intellectual Culture 4/2025 Charlotte A. Lerg, Johan Östling, Jana Weiß, Victoria Van Orden Martínez, Christine Schmidt, Ewa Koźmińska-Frejlik, 2025-10-06 The fourth issue of the yearbook *History of Intellectual Culture* (HIC) features a thematic section on the production of knowledge related to the Holocaust. The contributions focus on the circulation of knowledge via letters and other forms of written communication within and among survivor historical commissions after the Second World War, with an emphasis on the interplay of gender and other differences. Although more women than men were involved in these efforts, women typically held subordinate roles to men and have largely been invisible in the historiography of these endeavors. This thematic section addresses this lacuna by exploring aspects of the unseen labor behind these documentation efforts that remain underexplored and marginalized in studies on the production, circulation, and history of knowledge, as well as of intellectual culture.
