Geoffrey Wall as one of the most significant books produced on tourism since the turn of the millennium Tourism and Sustainability remains the essential resource for students of human geography environmental sciences and studies politics development studies anthropology and business studies as well as tourism itself The State of U.S. Travel and Tourism United States. Congress. Senate. Committee on Commerce, Science, and Transportation. Subcommittee on Tourism, Competitiveness, and Innovation,2015 **Literary Tourism and the British Isles** LuAnn McCracken Fletcher,2018-12-10 An interdisciplinary exploration of literary tourism s role in shaping how locations in the British and Irish Isles have been seen narrated and valued **Travel and Tourism in Britain, 1700-1914 Vol 4** Susan Barton,Allan Brodie,2021-12-16 The British led the way in holidaymaking This four volume primary resource collection brings together a diverse range of texts on the various forms of transport used by tourists the destinations they visited the role of entertainments and accommodation and how these affected the way that tourism evolved over two centuries Volume 4 Seaside Resorts The final volume presents case studies of four major seaside resorts Scarborough Margate Brighton and Blackpool Scarborough evolved from a spa town to a seaside resort Margate became a coastal resort from scratch and became one of the earliest sites of mass tourism Brighton had sea bathers by the 1730s and its early development followed a similar path to that of Margate but its royal connections allowed its rapid growth into a large town with high quality accommodation When the railway arrived at Blackpool in 1846 it was a large village Thirty years later it had two piers and a large hotel Its steady growth was due to the stream of working class visitors from the local hinterland of major industrial towns and cities Cultural Sustainable Tourism Miroslav D. Vujicic,Azilah Kasim,Stella Kostopoulou,Jorge Chica Olmo,Mohamed Aslam,2022-12-05 This book is an assemblage of diverse yet homogenous research papers that bring together the issues and challenges of cultural heritage conservation and tourism sustainability The richness of this book stems from its inclusion of diverse case studies from around the globe while scrutinizing the cases of both deterioration and sustainability of cultural heritage belonging to different eras This book sheds light on the connections between culture as an essential dimension of local sustainability and cultural dimensions of sustainable tourism further contributing to the complex discussion between culture and tourism This book gives an overview of current research and subjects of discussion that focuses on cultural sustainable tourism through several sections such as planning and management of sustainable tourism sustainable cultural tourism development in a digital era social and economic impacts of cultural tourism and sustainable tourism development in urban areas Chinese Foreign Relations Robert G. Sutter,2016-01-14 This comprehensive introduction to Chinese foreign relations assesses the accomplishments and limits China faces as it exerts increasing international influence This balanced and thorough assessment shows China s leaders exerting more influence in world affairs but remaining far from dominant even in key areas along China s border Dark Tourism Glenn Hooper,John J. Lennon,2016-07-15 Dark Tourism as well as other terms such as Thanatourism and Grief Tourism has been much discussed in the past two decades This volume provides a

comprehensive exploration of the subject from the point of view of both practice how Dark Tourism is performed what practical and physical considerations exist on site and interpretation how Dark Tourism is understood including issues pertaining to ethics community involvement and motivation It showcases a wide range of examples drawing on the expertise of academics with management and consultancy experience as well as those from within the social sciences and humanities Contributors discuss the historical development of Dark Tourism including its earlier incarnations across Europe but they also consider its future as a strand within academic discourse as well as its role within tourism development Case studies include holocaust sites in Germany as well as analysis of the legacy of war in places such as the Channel Islands and Malta Ethical and myriad marketing considerations are also discussed in relation to Ireland Brazil Rwanda Romania U K Nepal and Bosnia Herzegovina This book covers issues that are of interest to students and staff across a spectrum of disciplines from management to the arts and humanities including conservation and heritage site management marketing and community participation

Immigration and Metropolitan Revitalization in the United States Domenic Vitiello, Thomas J. Sugrue, 2017-04-25 After decades of urban crisis American cities and suburbs have revived thanks largely to immigration This is the first book to explore the phenomenon from big cities such as New York Chicago and Los Angeles to newer destinations such as Nashville and suburban Boston and New Jersey

Environmental Communication and Travel Journalism Lyn McGaurr, 2015-07-16 Travel journalism about natural attractions is environmental communication at the cusp of consumerism and concern Countries and regions that market forests rivers and wildlife to international tourists drive place of origin brand recognition that benefits exporters in other sectors Place branding in such destinations is not just PR for environmentally sustainable development and consumption but also a political enterprise Environmental Communication and Travel Journalism considers tourism public relations as elite reputation management and applies models of political conflict and source media relations to the analysis of the soft genre of travel journalism The book seeks to understand how in whose interests and against what odds discourses of cosmopolitanism and place branding influence the way travel journalists represent vulnerable and contested environments Informed by interviews with journalists and their sources Environmental Communication and Travel Journalism identifies and theorises networks cultures discursive strategies and multiple loyalties that can assist or interrupt flows of environmental concern in the cosmopolitan public sphere The book should be of interest to scholars of environmental communication environmental politics journalism tourism marketing and public relations

Thanatourism and Cinematic Representations of Risk Rodanthi Tzanelli, 2016-04-14 In today's world the need to eliminate natural and human made disasters has been at the forefront of national and international socio political agendas The management of risks such as terrorism labour strikes protests and environmental degradation has become pivotal for countries that depend on their economy's tourist sector Indeed there is fear that the end of tourism might be nigh due to inadequate institutional foresight Yet in designing relevant policies to tackle this arts such as that of filmmaking have yet to

receive due consideration This book adopts an unorthodox approach to debates about the end of tourism Through twenty first century cinematic narratives of symbolically interconnected risks it considers how art envisages the future of humanity s well being These risks include migration as an infectious disease alien incursions as racialized labour mobilities cyborg rebellion as the fear of post colonial otherness and zombie anthropophagy as the replacement of rooted identities by nomadic lifestyles Such filmic scenarios articulate the futuristic survival of community as the triumph of the technological human over otherness and provide a means to debate societal risks that weave identity politics into unequal mobilities This book will appeal to researchers and students interested in mobilities theory tourism and travel theory film studies and aesthetics globalisation studies race labour and migration *Transnational Tourism Experiences at Gallipoli* Jim McKay,2018-05-24 This book offers a fresh account of the Anzac myth and the bittersweet emotional experience of Gallipoli tourists Challenging the straightforward view of the Anzac obsession as a kind of nationalistic military Halloween it shows how transnational developments in tourism and commemoration have created the conditions for a complex dissonant emotional experience of sadness humility anger pride and empathy among Anzac tourists Drawing on the in depth testimonies of travellers from Australia and New Zealand McKay shines a new and more complex light on the history and cultural politics of the Anzac myth As well as making a ground breaking empirically based intervention into the culture wars this book offers new insights into the global memory boom and transnational developments in backpacker tourism sports tourism and dark or dissonant tourism **Renew Orleans?** Aaron Schneider,2018-03-27 Urban development after disaster the fading of black political clout and the onset of gentrification Like no other American city New Orleans since Hurricane Katrina offers powerful insight into issues of political economy in urban development and in particular how a city s character changes after a disaster that spurs economic and political transition In New Orleans the hurricane upset an existing stalemate among rival factions of economic and political elites and its aftermath facilitated the rise of a globally oriented faction of local capital In Renew Orleans Aaron Schneider shows how some city leaders were able to access fragmented local institutions and capture areas of public policy vital to their development agenda Through interviews and surveys with workers and advocates in construction restaurants shipyards and hotel and casino cleaning Schneider contrasts sectors prioritized during post Katrina recovery with neglected sectors The result is a fine grained view of the way labor markets are structured to the advantage of elites emphasizing how dual development produces wealth for the few while distributing poverty and exclusion to the many on the basis of race gender and ethnicity Schneider shows the way exploitation operates both in the workplace and the community tracing working class resistance that joins struggles for dignity at home and work In the process working classes and popular sectors put forth their own alternative forms of development *Handbook on the Politics of Antarctica* Klaus Dodds,Alan D. Hemmings,Peder Roberts,2017-01-27 The Antarctic and Southern Ocean are hotspots for contemporary endeavours to oversee the last frontier of the Earth The Handbook on the Politics of Antarctica offers a wide ranging and comprehensive

overview of the governance geopolitics international law cultural studies and history of the region Four thematic sections take readers from the earliest human encounters to contemporary resource exploitation and climate change Written by leading experts the Handbook brings together the very best interdisciplinary social science and humanities scholarship on the Antarctic and Southern Ocean **Commentary On Singapore (In 3 Volumes)** Gillian Koh, 2024-05-03 These volumes comprise of essays by Singapore thought leaders republished from various issues of the annual journal of the National University of Singapore Society called Commentary
