Tourism Memorandum Phase1 2015

N Colangelo

Tourism Memorandum Phase1 2015:

Wellness City Ari-Veikko Anttiroiko, 2018-04-19 Addressing the continuous need for new growth sectors in post industrial cities this book considers the economic significance of wellness from a development policy perspective The author goes beyond personal health discourse to conceptualise wellness as an emerging industry presenting empirical cases of community attraction and export orientated strategies around the world Combining holistic health urban governance and economic development this book will provide valuable reading for those studying policy tourism and the wellness sector as well as business entrepreneurs within this evolving industry

Archive Wars Rosie Bsheer, 2020-09-22 A study of the Saudi Arabian monarchy s efforts to construct and disseminate a historical narrative to legitimize its rule The production of history is premised on the selective erasure of certain pasts and the artifacts that stand witness to them From the elision of archival documents to the demolition of sacred and secular spaces each act of destruction is also an act of state building Following the 1991 Gulf War political elites in Saudi Arabia pursued these dual projects of historical commemoration and state formation with greater fervor to enforce their postwar vision for state nation and economy Seeing Islamist movements as the leading threat to state power they sought to de center religion from educational cultural and spatial policies With this book Rosie Bsheer explores the increasing secularization of the postwar Saudi state and how it manifested in assembling a national archive and reordering urban space in Riyadh and Mecca The elites project was rife with ironies in Riyadh they employed world renowned experts to fashion an imagined history while at the same time in Mecca they were overseeing the obliteration of a thousand year old topography and its replacement with commercial megaprojects Archive Wars shows how the Saudi state s response to the challenges of the Gulf War served to historicize a national space territorialize a national history and ultimately refract both through new modes of capital accumulation Praise for Archive Wars An instant classic With incredible insight creativity and courage Rosie Bsheer peels away the political and institutional barriers that have so long mystified others seeking to understand Saudi Arabia Bsheer tells us remarkable new things about the exercise and meaning of power in today s Saudi Arabia Toby Jones Rutgers University author of Desert Kingdom How Oil and Water Forged Modern Saudi Arabia There are now two distinct eras in the writing of Saudi Arabian history before Rosie Bsheer s Archive Wars and after Robert Vitalis University of Pennsylvania author of Oilcraft Archive Wars explores with conceptual brilliance and historical aplomb the various forms of historical erasure central not just to the Kingdom of Saudi Arabia but to all modern states In a finely grained analysis Rosie Bsheer rethinks the significance of archives historicism capital accumulation and the remaking of the built environment A must read for all historians concerned with the materiality of modern state formation Omnia El Shakry University of California Davis author of The Great Social Laboratory Subjects of Knowledge in Colonial and Postcolonial Egypt

I-73 Location Study Between Roanoke and the North Carolina State Line, Bedford, Botetourt, Franklin, Henry and Roanoke Counties ,2007 *Assembling Bus Rapid Transit in the Global*

South Malve Jacobsen,2020-12-13 This book explores the mobile ethnography of Dar es Salaam where consultants and politicians have planned and implemented a bus rapid transit BRT system for two decades It analyses the dual processes of assembling BRT in the Tanzanian metropolis and establishing BRT as a policy model of and for the Global South The book elucidates how policy models are constructed and circulated around the globe and depicts the processes by which they are translated between and materialise within specific contexts It presents the case of BRT to demonstrate how technocrats shape these processes through persuasive work aimed at disseminating and stabilising this transport model and how local actors influence its adaptation in Dar es Salaam The book adopts a double mobility approach to show how this ethnography follows travelling consultants circulating policies and moving buses to explore the fluidity of the BRT model Linking key debates in policy mobility studies and Science and Technology Studies enriched with postcolonial perspectives and geographies of transport and infrastructure it offers new insights into the technopolitics of planning and implementing infrastructure systems This book will appeal to academics and students of human geography transport studies science and technology studies and African and development studies interested in the technopolitics of transport planning Monetary Bulletin ,2006 **Philippine Business Report** ,2008 **The Tourist Traffic** New Zealand Tourist League,1927*
