

The image is a scenic landscape of a desert canyon. In the foreground, a prominent, reddish-brown rock formation with a pointed peak rises from the canyon floor. To the left of this peak, a single, tall, thin evergreen tree stands on a small outcrop. The canyon walls are layered with various shades of red and orange rock. In the distance, the canyon opens up into a valley with more rock formations and sparse vegetation. The sky is a clear, bright blue, filled with large, white, fluffy clouds. The word "UTAH" is superimposed in large, blue, 3D block letters across the middle of the image, partially overlapping the rock formation and the sky. Below it, the words "SCIENCE CORE STANDARDS" are written in a large, yellow, serif font, spanning the width of the image and appearing to be carved into the rock face.
