Dieu existe-t-il ? Robert Sarah, 2025-05-14 Dieu existe-t-il Hier comme aujourd'hui hommes et femmes de tous les temps en proie aux difficultés et leur propre fragilité ont tout confronté cette question Elle se pose aux grands saints comme aux humbles pasteurs aux croyants comme aux athées aux intellectuels comme aux gens simples Et c'est plus vrai que jamais une époque comme la nôtre où beaucoup veulent voir la fin du christianisme et la mort de Dieu un temps où l'homme fait naufrage en inventant un nouveau sens de la vie illusoire caractérisé par la fugacité et l'impulsivité qui pense tout saisir mais en vérité ne possède rien Dans ces pages le cardinal Robert Sarah répond de nombreuses questions sur l'existence et la présence de Dieu dans nos vies sur son silence apparent sur la mort la souffrance la douleur la joie et bien d'autres choses encore Aujourd'hui peut-être plus qu'hier nous avons tous un grand besoin de réponses claires et fondées de témoignages tangibles de rencontres qui révèlent l'existence et la présence visible de Dieu Comme chez Zacharie il y a en nous un désir de vérité et de plénitude nous avons besoin de voir le Christ pour combler ce manque qui nous rappelle constamment que Dieu existe *Do We Still Need Inspiration?* Matthieu Richelle, Camilla Recalcati, Martijn Beukenhorst, 2023-11-20 The concept of inspiration is part and parcel of the theological tradition in several religious confessions but it has largely receded to the background if not vanished altogether in the discussions of biblical scholars The question Do we still need inspiration might well reflect the perplexity of many exegetes today Systematic theologians for their part often further their own reflections on the subject independently of developments in the field of exegesis with the risk of remaining purely theoretical Biblical research in the last decades has been marked by new insights about the nature of the biblical texts stemming from the study of their inner plurality insofar as they combine and sometimes intertwine conflicting theologies of their textual fluidity and of their reception Can these new insights be integrated into a theological reflection on the notion of inspiration These questions are often explicitly raised about the Jewish and Christian Scriptures but they also prove increasingly relevant for Qur'anic studies This volume addresses them through contributions from exegetes of the Bible and of the Qur'an and systematic theologians Le dialogue change-t-il la foi ? Jean-Marie Ploux, 2007 Le défi actuel du Bien commun dans la doctrine sociale de l'Église Dominique Serra-Coatanea, 2016 Comment penser la notion de bien commun en dialogue avec une éthique contemporaine focalisée sur la question du juste Ce défi d'un ancrage de la tradition chrétienne dans une vision du bien nous conduit reprendre la question partir de la proposition d'un jésuite français du XX^e le père Gaston Fessard 1897-1978 Son œuvre nous permet de saisir toute la tension dynamique de l'approche sociale politique et économique en termes de bien commun passage du fait au droit par appel de la valeur Cette dynamique du bien commun claire de l'intérieur l'enseignement social chrétien et contribue renouveler sa proposition de dialogue au sein des éthiques publiques **La mort dans les œuvres oratoires de Bossuet** Cécile Joulin, 2002 *Jésus viendra-t-il aussi sauver les machines ?* Jean-Marc Moschetta, 2021-07-22 T00:00:00+02:00 Le
