Post-Holocaust Jewish-Christian Dialogue Alan L. Berger, 2014-12-23 This volume sheds light on the transformed post Holocaust relationship between Catholics and Jews Once implacable theological foes the two traditions have travelled a great distance in coming to view the other with respect and dignity Responding to the horrors of Auschwitz

the Catholic Church has undergone a reckoning of the soul beginning with its landmark document *Nostra Aetate* and embraced a positive theology of Judaism including the ongoing validity of the Jewish covenant. Jews have responded to this unprecedented outreach especially in the document *Dabru Emet*. Together these two Abrahamic traditions have begun seeking a repair of the world. The road has been rocky and certainly obstacles remain. Nevertheless authentic interfaith dialogue remains a new and promising development in the search for a peace.
