Veda Mantras In Telugu:

Living Mantra Mani Rao, 2018-09-15 Living Mantra is an anthropology of mantra experience among Hindu tantric practitioners. In ancient Indian doctrine and legends, mantras perceived by rishis seers invoke deities and have transformative powers. Adopting a methodology that combines scholarship and practice, Mani Rao discovers a continuing tradition of visionaries, rishis seers and revelations in South India's Andhra and Telangana. Both deeply researched and replete with fascinating narratives, the book reformulates the poetics of mantra practice as it probes practical questions: Can one know if a vision is real or imagined? Is vision visual? Are deity visions mediated by culture? If mantras are effective, what is the role of devotion? Are mantras language? Living Mantra interrogates not only theoretical questions but also those a practitioner would ask: how does one choose a deity for example, or what might bind one to a guru? Rao breaks fresh ground in redirecting attention to the moments that precede systematization and canon formation, showing how authoritative sources are formed.

Sanathana Sarathi English Volume 07 (2012 - 2021) Sri Sathya Sai Media Centre, 2022-11-12. Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya Truth, Dharma, Righteousness, Shanti, Peace, and Prema Love, the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam, the Abode of Highest Peace, and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the Eternal Charioteer. It signifies the presence of the Lord in every being as the Atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord will be taken care of by the Lord, even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical, and mental uplift of humanity without any discrimination, as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis (streams) of sacredness known as the Vahini Series, comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha, and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine, as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu, from Prasanthi Nilayam and others from respective regions. Every year, Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively of every month from Prasanthi Nilayam. This magazine has wide ever-increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language. **THUS SPAKE SAI** Discoursing during the launch of Sanathana Sarathi: From this day, our Sanathana Sarathi will lead to victory, the cohorts of truth, the Vedas, the Sastras, and similar scriptures of all faiths, against the forces of the ego, such as injustice.

Viṣṇu's Children Ute Hüsken,2009 The Vaikhanasas a group of Brahmanic priests in the Visnu temples of south India can look back on a long and turbulent history that is characterized by the effort of claiming their status against rivaling priests Central to this monograph is a controversy ongoing for centuries as to what makes a person eligible to perform the rituals in Visnu temples does birth or an initiation create the ideal intermediary between the god and humans Since the 14th

century CE the discussion in the relevant Sanskrit texts centers around the question of whether the Vaikhanasas priests must undergo an initiation including a branding on the upper arms or whether their particular prenatal life cycle ritual visnubali makes them eligible to perform temple ritual. As hereditary temple priests the Vaikhanasas own stance is explicit they are Visnu's own children preordained for temple service already before birth. In addition to the textual perspective three instances of local conflicts from the 19th 20th centuries about the question of whether the Vaikhanasas require an initiation are analysed in their contexts. Furthermore three examples of present day performances of the crucial ritual visnubali are presented and interpreted in the light of the relation between text and performance and from the perspective of the acting priests ritual competence. The book also contains a DVD with some of the video coverage of the three visnubali performances.
