West Side Story Play Script

Ernesto R. Acevedo-Muñoz

West Side Story Play Script:

West Side Story Leonard Bernstein, Arthur Laurents, 1972 This series of contemporary plays includes structured GCSE assignments for use by individuals or groups These include questions which involve close reading writing and discussion This play places the Romeo and Juliet story in a New York gang warfare context **Leonard Bernstein: West Side Story** Nigel Simeone, 2017-07-05 One of the Broadway musicals that can genuinely claim to have transformed the genre *West Side Story* has been featured in many books on Broadway but it has yet to be the focus of a scholarly monograph Nigel Simeone begins by exploring the long process of creating *West Side Story* including a discussion of Bernstein's sketches early drafts of the score and script as well as cut songs The core of the book is a commentary on the music itself *West Side Story* is one of the very few Broadway musicals for which there is a complete published orchestral score as well as two different editions of the piano vocal score The survival of the original copied orchestral score and the reminiscences of Sid Ramin and Irwin Kostal reveal details of the orchestration process and the extent to which Bernstein was involved in this Simeone's commentary considers musical characteristics and compositional techniques used to mirror the drama for example the various uses of the tritone motivic development the use and reinvention of Broadway and other conventions the creation of dramatic continuity in the score through the use of motifs and other devices the unusual degree of dissonance and rhythmic complexity at least for the time and the integration of Latin American dance forms Mambo Huapango and so on Simeone also considers the reception of *West Side Story* in the contemporary press The stir the show caused included the response that it was the angular edgy score that made it a remarkable achievement Not all reviews were uncritical Finally the book looks in detail at the making of the original Broadway cast recording made in just one day included on the accompanying downloadable resources *Playscript*, 1970 **West Side Story** Elizabeth A. Wells, 2011 Wells presents a scholarly study of the American musical *West Side Story* viewing the work from cultural historical and musical perspectives from publisher description *West Side Story as Cinema* Ernesto R. Acevedo-Muñoz, 2013-10-08 For millions of moviegoers unable to see the original stage version of *West Side Story* director Robert Wise's adaptation was a cinematic gift that brought a Broadway hit to a mass audience Ernesto Acevedo Muñoz argues that Wise's film was not only hugely popular but that it was also an artistic triumph that marked an important departure in the history of American movie making With a score by Leonard Bernstein and choreography by Jerome Robbins this update of the Romeo and Juliet story remains one of the most revered and highly popular American movie musicals with only *Singin' in the Rain* ranking higher in the AFI's list of the best of the genre Acevedo Muñoz draws on previously unreleased production documents from interoffice memos to annotations on the director's script to go beyond publicity accounts and provide an inside look at this critically acclaimed film classic offering details of its filming that have never before been published From location scouting to scripting to casting to filming Acevedo Muñoz focuses on little known details of the actual production He provides close analyses of dramatic sequences and musical

numbers emphasizing the film's technical innovations and its visual and aural coding as a means for defining character and theme. He carefully explains the differences between Broadway and film versions exposing censorship and creative issues that the filmmakers were forced to confront. And taking readers behind the cameras he highlights the creative differences and financial difficulties that led to the departure of Robbins who had conceived and directed the stage version long before filming was complete. Acevedo Mu oz makes a strong case for the film's daring vision in combining music dance dialogue and visual elements especially color in highly creative ways while also addressing the social racial and class tensions of American society. Drawing on his own Puerto Rican heritage he provides a Hispanic perspective on the cultural aspects of the story and explores the ways in which the film's portrayal of Puerto Rican identity is neither as transparent nor as negative as some critics have charged. Bursting with facts insights and inside stories this book boasts a wealth of material that has never been explored before in print. Both history and homage it is a must for scholar and buff alike. **Shakespeare and the American**

Musical Irene G. Dash, 2010 *The Bard on Broadway* **West Side Story** Ernest Lehman, 2003 Ernest Lehman's screenplay of the motion picture with accompanying promotional material **Mama Rose's Turn** Carolyn Quinn, 2013-10-17 The full story behind the Stage Mother from Hell and every scandal too shocking for Gypsy A Musical Fable **The Making of**

West Side Story Keith Garebian, 1995 **Everyday Heroes (Boxed Set)** Various, 2020-09-15 Get to know some of the many people who have made a mark on the world with this boxed set featuring six fascinating nonfiction Level 3 Ready to Reads that are part of a series of biographies about people you should meet.
