### How to Use

Read this manual carefully before use, and retain it for future reference.

Connecting the Cables

Power on the router, then use the included network cable to connect the blue WAN port on the back of the router to the LAN port of the broadband modem.

\*Broadband modem is provided by the broadband operator. If it is not available, you can connect the network cable to the router and the Internet wall socket, or directly connect the indoor network cable to the router's WAN port.
