Wellsprings Of Renewal Promise In Christian Communal Life:

Wellsprings of Renewal: Promise in Christian Communal Life Donald G. Bloesch, 1974 **Faces of Renewal** Paul Elbert, 2007-02-05 Renewal has always been a concern of God's people. This present volume, a tribute to Pentecostal Bible scholar Stanley M. Horton, offers biblical and historical glimpses into the various facets of renewal throughout the history of the church. It further provides fresh insights into the outworkings of this renewal throughout the history of the church today. Essays examining the biblical themes of renewal include J. G. McConville's study of Renewal as Restoration in Jeremiah and J. Massyn Giberde Ford's inquiry into the Social and Political Implications of the Miraculous in Acts. Among the essays in Part 2, Historical Studies, Donald Dean Smeeton discusses how William Tyndale was a theologian of renewal. Church historian Richard Lovelace honors Professor Horton with an essay on Baptism in the Holy Spirit and the Evangelical Tradition. Part 3, Contemporary Studies, explores some of the effects of the modern charismatic renewal, including the appearance and growth of loving communities and the impact of renewal movements on society. These essays truly take a new tack towards understanding the various faces of spiritual renewal. They offer the specialist a challenge to see things in a new light while they afford the non-specialist some practical models of renewal that can affect how he or she views Christian experience. Overall, the editor and respective authors submit this anniversary volume to their colleague and friend Dr. Stanley M. Horton and to its readers everywhere with the hope that these sixteen studies may make a useful international contribution to scholarship and that *Faces of Renewal* may be found helpful to preachers, teachers, and students of God's Word.

America's Communal Utopias Donald E. Pitzer, 2010-01-20 From the Shakers to the Branch Davidians, America's communal utopians have captured the popular imagination. Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social, religious, and economic life. The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965, including the long-overlooked Catholic monastic communities and Jewish agricultural colonies. Also featured are the Ephrata Baptists, Moravians, Shakers, Harmonists, Hutterites, Inspirationists of Amana, Mormons, Owenites, Fourierists, Icarians, Janssionists, Theosophists, Cyrus Teed's Koreshans, and Father Divine's Peace Mission. Based on a new conceptual framework known as developmental communalism, the book examines these utopian movements throughout the course of their development, before, during, and after their communal period. Each chapter includes a brief chronology giving basic information about the group discussed. An appendix presents the most complete list of American utopian communities ever published. The contributors are Jonathan G. Andelson, Karl J. R. Arndt, Pearl W. Bartelt, Priscilla J. Brewer, Donald F. Durnbaugh, Lawrence Foster, Carl J. Guarneri, Robert V. Hine, Gertrude E. Huntington, James E. Landing, Dean L. May, Lawrence J. McCrank, J. Gordon Melton, Donald E. Pitzer, Robert P. Sutton, Jon Wagner, and Robert S. Weisbrot.

The Last Things Donald G. Bloesch,2010-03-23 In *The Last Things* Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church *The Last Things* is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today

Scripture in the Theologies of W. Pannenberg and D.G. Bloesch Frank M. Hasel,2004-03-01 Scripture has always played an important role in Christian theology This study provides an issue oriented overview of the concepts of Scripture in Protestant theology from the 16th century Reformation onward It then sets forth the concepts of Scripture in the theologies of two contemporary systematic theologians W Pannenberg and D G Bloesch It analyzes compares and evaluates the theological and anthropological presuppositions that have influenced their concept of Scripture Despite fundamentally different starting points and other significant distinctions Pannenberg and Bloesch reveal surprising similarities This seems to suggest that for both the concept of Scripture is determined ultimately by presuppositions that are derived and shaped extra scripturam

Reforming the Monastery Greg Peters,2013-11-12 Richard Froude wrote in 1833 to John Henry Newman that the present state of things in England makes an opening for reviving the monastic system Seemingly original words at the time Yet monasticism is one of the most ancient and enduring institutions of the Christian church reaching its zenith during the High Middle Ages Although medieval monasteries were regularly suppressed during the Reformation and the magisterial Reformers rejected monastic vows the existence of monasticism has remained within the Reformation churches both as an institution and in its theology

This volume is an examination of Protestant theologies of monasticism examining the thought of select Protestant authors who have argued for the existence of monasticism in the Reformation churches beginning with Martin Luther and John Calvin and including Conrad Hoyer John Henry Newman Karl Barth and Donald Bloesch Looking at the contemporary church the current movement known as the New Monasticism is discussed and evaluated in light of Protestant monastic history

The Battle for the Trinity Donald G. Bloesch, 2001-07-11 In *The Battle for the Trinity* Dr Bloesch tackles the controversial issues surrounding the questions of God language and their potential as one of the most divisive issues facing the church in the twentieth century Should God be addressed as Father Mother or Parent should Jesus be referred to primarily as the Son of God or the Child of God did God really reveal himself definitively in the person of his Son Jesus Christ Bloesch contends that how we speak about God embodies the very core of Christianity and how we ultimately understand the biblical and historical meaning of the Trinity itself The debates surrounding the Doctrine of God are many and Bloesch urges the church to respond to the concerns of women that the sacred carries both masculine and feminine dimensions Bloesch emphasizes that the God of the Bible is not described in masculine terms exclusively and we err in our failure to recognize it If Christianity is to remain genuinely Christian these controversial issues must be dealt with in such a manner that will preserve the full historical and biblical understanding of the Trinity

Vondey, 2014-02-20 Twelve scholars from the biblical historical theological and philosophical disciplines engage in a conversation on the transforming work of the Holy Spirit in the Christian life The essays are held together by an enduring focus and concern to explore the relationship between the work of the Holy Spirit and Christian formation discipleship personal and social transformation The book points toward the integration of theory and practice theology and spirituality and the mutual interest in fostering dialogue across disciplines and ecclesial traditions

Rich Christians in an Age of Hunger Ronald J. Sider, 2005-04-10 Do you want to make a true difference in the world Dr Ron Sider does He has since before he first published *Rich Christians in an Age of Hunger* in 1978 Despite a dramatic reduction in world hunger since then 34 000 children still die daily of starvation and preventable disease and 1 3 billion people worldwide remain in abject poverty So the professor of theology went back to re-examine the issues by twenty first century standards Finding that Conservatives blame morally reprehensible individual choices and Liberals blame constrictive social and economic policy Dr Sider finds himself agreeing with both sides In this new look at an age old problem he offers not only a detailed explanation of the causes but also a comprehensive series of practical solutions in the hopes that Christians like him will choose to make a difference

Exploring the Future of Christian Monasticisms Greg Peters, 2020-01-15 The

institution of monasticism in the Christian Church is in general decline at least in so called first world nations Though there are many reasons for this monastic leaders are confronted by the reality of fewer communities monks and nuns nonetheless At the same time many younger Christians are rediscovering the rich heritage of the monastic tradition Though they themselves might not be called to join a traditional monastery they are eager to appropriate monastic practices in their own lives This had led to a movement known as the new monasticism or secular monasticism Despite lacking a unified vision and any central organization these new secular monastics are attempting in their own ways to carry on the tradition and practices of Christian monasticism As well there is a movement within historical Christian monasteries to pour new wine into old wineskins Traditional forms of monasticism are also generally flourishing in developing nations breathing new life into monasticism This volume looks at the current monastic landscape to assess where monasticism stands and to imagine ways in which it will grow in the future leading not only to a renewed Christian monasticism but to new monasticisms **Donald**
