Living History John L. Purdy,2023-08-03 Living History s protagonists Mia and Hugh encounter a space vehicle that crashed in the mountains of the Pacific Northwest in the ninth century C E The problem is they cannot remember this when they find themselves in 9 000 B C E where their long journey begins Aimed at a short time before the crash to prevent the ship from crashing their time travel is an experimental shot in the dark but the experiment fails However as they struggle to stay alive they are not without resources the beings who come to be called cousins have implanted Nano technology in them to maintain their bodies and minds but also an ability for to communicate without speech In Mia they provide a store of limited

information which includes a database of human languages but also information on the location of six research stations from which generations of cousins have monitored human evolution for millennia with periodic expeditions These stations frame the plot as they learn how to use them while they travel the world interacting with people and cultures through deep time and come to devise a plan to use their unique situation to prepare for the day when they return to current times to set in motion a series of events to transform radically the course of human history sending humankind on a quest to recapture its lost kinship with the world that surrounds them The only obstacle to their plan besides the obvious hazards of such a long lifespan is a branch species of humanity that has preyed upon humans for all time and who have grown in numbers to threaten the very existence for all blending into the human race in its long migration through time they have become virtually invisible and wield great power Mia and Hugh must counter the Kapitalna s growing interest in them in a final sprint to today and a great awakening

Declutter Your Life Gill Hasson, 2017-12-06 Take back your space your time and your mind to live your authentic life You have too many commitments in your life and too much stuff in your home It s no wonder you feel overwhelmed and stressed out You don t need to just throw out a few bits and bobs you need to declutter your life Our homes and workspace are a mirror of what s happening inside us Declutter Your Life explains how you can change your relationship with the things you own Instead of being weighed down with objects and possessions that keeps you stuck in the past you can learn to think about your things in a new light in a way that s constructive and helpful to you There are plenty of ideas advice tips and techniques to help you You ll discover how outer order leads to inner calm Declutter Your Life explains how the principles and steps taken to clear and simplify your living space can improve not just your home but also other aspects of your life your work relationships and general wellbeing An ordered environment leads to ordered thinking When you stop allowing your life to revolve around things that don t matter you instantly gain the time space and energy to focus on the things that do Declutter Your Life will help you to Let go of guilt and get rid of the emotional baggage that keeps you stuck in the past Feel less overwhelmed and stressed Clear out your unnecessary commitments Simplify and improve your work life Declutter your relationships Simple living doesn t end at home Declutter Your Life shows you how to reclaim your space your time and your mind to achieve the life you want to live

A Love Letter in Cuneiform Tomáš Zmeškal, 2016-03-21 Set in Czechoslovakia between the 1940s and the 1990s Tom Zmeškal s stimulating novel focuses on one family s tragic story of love and the unspoken Josef meets his wife Kveta before the Second World War at a public lecture on Hittite culture Kveta chooses to marry Josef over their mutual friend Hynek but when her husband is later arrested and imprisoned for an unnamed crime Kveta gives herself to Hynek in return for help and advice The author explores the complexities of what is not spoken what cannot be said the repercussions of silence after an ordeal the absurdity of forgotten pain and what it is to be an outsider In Zmeškal s tale told not chronologically but rather as a mosaic of events time progresses unevenly and unpredictably as does one s understanding The saga belongs to a particular family but it also exposes the larger ongoing

struggle of postcommunist Eastern Europe to come to terms with suffering when catharsis is denied Reporting from a fresh multicultural perspective Zmekal makes a welcome contribution to European literature in the twenty first century

Imagined Histories Anthony Molho, Gordon S. Wood, 2018-06-05 This collection of essays by twenty one distinguished American historians reflects on a peculiarly American way of imagining the past At a time when history writing has changed dramatically the authors discuss the birth and evolution of historiography in this country from its origins in the late nineteenth century through its present more cosmopolitan character In the book's first part concerning recent historiography are chapters on exceptionalism gender economic history social theory race and immigration and multiculturalism Authors are Daniel Rodgers Linda Kerber Naomi Lamoreaux Dorothy Ross Thomas Holt and Philip Gleason The three American centuries are discussed in the second part with chapters by Gordon Wood George Fredrickson and James Patterson The third part is a chronological survey of non American histories including that of Western civilization ancient history the middle ages early modern and modern Europe Russia and Asia Contributors are Eugen Weber Richard Saller Gabrielle Spiegel Anthony Molho Philip Benedict Richard Kagan Keith Baker Joseph Zizak Volker Berghahn Charles Maier Martin Malia and Carol Gluck Together these scholars reveal the unique perspective American historians have brought to the past of their own nation as well as that of the world Formerly writing from a conviction that America had a singular destiny American historians have gradually come to share viewpoints of historians in other countries about which they write The result is the virtual disappearance of what was a distinctive American voice That voice is the subject of this book **The Pacific Coast**
