What I Believe Leo Tolstoy:

What I Believe Leo Tolstoy, 2007-09-01 Originally published in 1885 **What I Believe** is part of series of books by novelist Leo Tolstoy that outline his personal interpretation of Christian theology After a midlife crisis at age 50 he began to believe in the moral teachings of Christianity while rejecting mysticism and organized religion He believed that pacifism and poverty were the paths to enlightenment His precepts of nonviolence even influenced Mohandas Gandhi Students of religion political science and literature alike will gain new understanding from the ideas presented in this book Students of literature will get to understand more deeply one of the greatest novelist in history while those interested in religion and politics can see how Tolstoy's philosophy came to influence the world at large Russian writer COUNT LEV LEO NIKOLAYEVICH TOLSTOY 1828 1910 is best known for his novels *War and Peace* 1869 and *Anna Karenina* 1877 **What I Believe** graf Leo Tolstoy, 1902

My Religion graf Leo Tolstoy, 1885 *My Religion* Leo Tolstoy, 2023-01-12 Leo Tolstoy was never a man to choose the easy path When he wasn't turning his satirical guns on the Russian aristocracy in works including *War and Peace* and the play *Fruits of Culture* he was targeting the established church and organised religion In *My Religion* he explains how a recent epiphany led him to reject the over complicated teachings of the Church Instead he adopts Jesus' Sermon on the Mount as his guide for life It forces him to place pacifism at the heart of his faith The work that grew out of this conversion went on to inspire the non violent movements of Mohandas Gandhi and Martin Luther King Jr This book provides a fascinating insight into how he became such an inspiration Leo Tolstoy 1828 1910 was a Russian author a master of realistic fiction and one of the world's greatest novelists Tolstoy's major works include *War and Peace* 1865 69 and *Anna Karenina* 1875 77 two of the greatest novels of all time and pinnacles of realist fiction Beyond novels he wrote many short stories and later in life also essays and plays In the years following the publication of *War and Peace* Tolstoy who was born to a Russian aristocratic family had a spiritual awakening that made him a committed Christian anarchist and pacifist His philosophy inspired Mahatma Gandhi and Martin Luther King Jr **What is My Faith?** Leo Tolstoy, 2024-05-09 Appearing only months after *Confession* Tolstoy's *What is My Faith* often rendered in English as *What I Believe* pushes the argument from private trauma to public statement Anyone drawn to radical Christian ethics will find in these pages the seed of twentieth century non violent resistance long before Gandhi or King shaped the idea Published in Geneva by the same free thinking circle in late 1884 the book was promptly banned in the Russian Empire its import thwarted at the frontier for Tolstoy aimed straight at the nexus of state power and ecclesiastical dogma accusing both of betraying the Sermon on the Mount The treatise advances a literal reading of Christ's ethical injunctions arguing that Christian truth requires absolute renunciation of violence oath taking and property in place of theology Tolstoy offers a painstaking commentary on Gospel passages that converges on a form of Christian anarchism a term his readers later supplied By fusing spiritual rigor with social critique the book redirected Russian intelligentsia away from Marxist militancy toward ethical pacifism influenced the Doukhobors in

their emigration to Canada and furnished moral ammunition for pacifist movements across Europe all while foreshadowing the concise biblical harmony that would become *The Gospel in Brief* This critical reader's edition presents a modern translation of the original manuscript crafted for the modern reader with clean contemporary language and simplified sentence structures that clarify his complex Russian phrasing and specific antiquated references Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Tolstoy's personal history impact and intellectual legacy an index of the philosophical concepts he employs emphasizing Existentialism and influence by Schopenhauer a comprehensive chronological list of his published writings and a detailed timeline of his life highlighting the personal relationships that shaped his philosophy

What I Believe Leo Tolstoy, 2017-04-06 *What I Believe* is a work by Leo Tolstoy in which he expounds his general views on life The translation by Constantine Popoff conveys the original meaning in brilliant detail This edition of the book was banned following its publication in Russia This translation of the book seems to be the best one ever done A frequently asked question is what led to Tolstoy's excommunication Tolstoy questioned the veracity of the Orthodox Christianity since the Russian Orthodox Church showed intolerance towards other Churches and faiths in which it often exercised spiritual violence against the person and justified direct violence like killing at war for the sake of religion In February 1901 the Russian Orthodox Church excommunicated Leo Tolstoy

The Spiritual Works of Leo Tolstoy: A Confession, The Kingdom of God is Within You, What I Believe, Christianity and Patriotism, Reason and Religion, The Gospel in Brief and more Leo Tolstoy, 2024-01-11 In *The Spiritual Works of Leo Tolstoy* the author delves into the profound philosophical and theological dilemmas that shaped his later life This collection features seminal essays and reflections that grapple with the nature of faith morality and the human condition Characterized by Tolstoy's characteristic depth and clarity the literary style is both introspective and accessible weaving personal narrative with philosophical discourse The works critique institutional religion while advocating for a personal experiential understanding of spiritual truth reflecting the broader intellectual currents of 19th century Russia alongside emerging existentialist thought Leo Tolstoy a titan of literary history is perhaps best known for monumental novels such as *War and Peace* and *Anna Karenina* However his spiritual awakening catalyzed by personal crises and a quest for meaning led him to explore Christianity's essence and the moral responsibilities of individuals His radical ideas on nonviolent resistance and social justice stem largely from his interpretation of Christian teachings highlighting a radical departure from conventional religious practices of his time To those seeking insight into the interplay of faith and reason this collection is invaluable Tolstoy's compelling arguments and piercing reflections will resonate deeply with readers who are questioning societal norms and exploring the spiritual dimensions of existence This essential compendium encourages readers to confront their own convictions making it a timeless guide for both seekers and skeptics In this enriched edition we have carefully created added value for your reading experience An Introduction draws the threads together discussing why these diverse authors

and texts belong in one collection Historical Context explores the cultural and intellectual currents that shaped these works offering insight into the shared or contrasting eras that influenced each writer A combined Synopsis Selection briefly outlines the key plots or arguments of the included pieces helping readers grasp the anthology s overall scope without giving away essential twists A collective Analysis highlights common themes stylistic variations and significant crossovers in tone and technique tying together writers from different backgrounds Reflection questions encourage readers to compare the different voices and perspectives within the collection fostering a richer understanding of the overarching conversation **What I**
