

There are 3 parts to this document:

1. Instructions for using the LSAC's Online Applications
2. Letters of Recommendation and the Credential Assembly Service (CAS)
3. Transcripts and Applying to Law School

First, note that before you can actually submit material or apply to any law school you must register and pay for the Credential Assembly Service—the law schools require it—no exceptions. This fee is IN ADDITION to the fee for the LSAT, and once paid the registration is good for five years. However, you can do quite a bit to organize and set up your CAS file before you pay this fee. We suggest you create a free account now and get started. To do so, visit this webpage: <https://os.lsac.org/Release/Logon/SignUp.aspx>. Then try out some of the procedures below on your computer.

To pay the fee when the time comes, click the tab at the bottom left of your free account's "home page" (i.e., after you register for or create the free account) entitled "Learn about Credential Service". Then see the tab on the next page, also at the bottom left, entitled "Pay for CAS".

I. Instructions for using the LSAC's Online Applications

Introduction:

The Credential Assembly Service drastically changed its online procedures in August of 2011. At the time of this writing, their system is brand new and largely untested. While these instructions are as accurate as they can be at this point, unexpected problems and "bugs" will likely emerge. Please let HPPLC know of any issues that come up. If we don't have a solution already, we would like very much to know where the problems are. Just email a brief explanation to hpplc@indiana.edu. Thanks.
