Life presents a fresh approach to teaching and learning qualitative methods for social inquiry one that focuses on analysis from the very beginning of the text By exploring qualitative research through a unique analytic lens then cumulatively elaborating on methods in each successive chapter this innovative work cultivates a skill set and literacy base that prepares readers to work strategically with empirical materials in their own fieldwork Renowned authors Johnny Salda a and Matt Omasta combine clear accessible writing and analytic insight to show that analysis in its broadest sense is a process undertaken throughout the entire research experience

Material Cultures in Southeast Asia Sabine

Chaouche,2025-05-30 This book investigates everyday objects in Southeast Asia as integral forms of cultural heritage examining their functions significance and the diverse values and emotions they have embodied over time By foregrounding material culture the chapters delve into how these objects ranging from utilitarian tools to artefacts of personal and communal identity reveal the social economic and cultural dimensions of life across different historical periods Through rigorous case studies spanning various regions of Southeast Asia the book offers fresh insights into the interplay between materiality and cultures It underscores how objects function not merely as remnants of the past but as dynamic carriers of heritage that continue to shape contemporary society By bridging perspectives from anthropology history and cultural studies this book enhances our comprehension of the region s intricate social landscapes and contributes to broader discourses on heritage preservation and curation the transmission of cultural values and the ways in which everyday objects serve as conduits for collective memory and identity Ultimately it facilitates the de centring of Western perspectives in research on Southeast Asia Material Cultures in Southeast Asia provides a better understanding of past and present societies in Southeast Asia and it will be of interest to researchers in the fields of Southeast Asian studies memory studies and heritage studies

Mapping European Empire Russell Foster,2015-06-26 Empire and maps are mutually reliant phenomena and traceable to the dawn of civilisation Furthermore maps retain a supremely authoritative status as unquestioned reflections of reality In today s image saturated world their influence is more powerful now than at any other time in history This book argues that in the 21st century we are seeing an imperial renaissance in the European Union EU a political organisation which defies categorisation but whose power and influence grows by the year It examines the past present and future of the EU to demonstrate that empire is not a category of state but rather a collective imagination which reshapes history and appropriates an artificial past to validate the policies of the present and the ambitions of the future In doing so this book illuminates the imperial discourse that permeates the mass maps of the modern EU This text will be of key interest to students and scholars of political science EU Studies Human Geography European political history cartography and visual methodologies and international relations

Introduction to Public History Cherstin M. Lyon,Elizabeth M. Nix,Rebecca K. Shrum,2017-03-06 Introduction to Public History Interpreting the Past Engaging Audiences is a brief foundational textbook for public history It is organized around the questions and ethical dilemmas that drive public history in a variety of settings

from local community based projects to international case studies This book is designed for use in undergraduate and graduate classrooms with future public historians teachers and consumers of history in mind The authors are practicing public historians who teach history and public history to a mix of undergraduate and graduate students at universities across the United States and in international contexts This book is based on original research and the authors first hand experiences offering a fresh perspective on the dynamic field of public history based on a decade of consultation with public history educators about what they needed in an introductory textbook Each chapter introduces a concept or common practice to students highlighting key terms for student review and for instructor assessment of student learning The body of each chapter introduces theories and basic conceptual building blocks intermixed with case studies to illustrate these points Footnotes credit sources but also serve as breadcrumbs for instructors who might like to assign more in depth reading for more advanced students or for the purposes of lecture development Each chapter ends with suggestions for activities that the authors have tried with their own students and suggested readings books and websites that can deepen student exposure to the topic

Handmade in Cuba Ruth Behar, Juanamaría Cordones-Cook, Kristin Schwain, 2020-05-15 Handmade in Cuba is an in depth examination of Ediciones Vig a an artisanal press that published exquisite books crafted from simple supplies during some of Cuba s most dire economic periods Vividly illustrated this volume shows how the publishing collective responded to the nation s changing historical and political situation from the margins of society representing Cuban culture across the boundaries of race age gender and genre In this volume poets and scholars reflect on the unique artistic direction of Rolando Est vez who oversaw the creation of over 500 handmade books and magazines between 1985 and 2014 They highlight the beautiful designs and unusual materials selected including fabric metals wood feathers and discarded items Through diverse perspectives including an interview with Est vez himself the essays showcase the unlimited inventive possibilities of books as objects as sculptural pieces and as installations Even in the age of technology Est vez generated enormous excitement and admiration for these hand crafted books and this volume offers the first inside view of this important alternative publishing space Contributors Ruth Behar Juanamaría Cordones Cook Gwendolyn D az Erin Finzer William Luis Nancy Morej n Kim Nochi Carina Pino Santos Kristin Schwain Elzbieta Sklodowska [Rivista J-Reading n. 2-2014](#) Gino De Vecchis, 2015-01-20 Gino De Vecchis The fight for geography in the italian schools 2010 2014 an updating Cristiano Pesaresi Mara Lombardi GIS4RISKS project Synergic use of GIS applications for analysing volcanic and seismic risks in the pre and post event Roberto Scandone Lisetta Giacomelli Vesuvius Pompei Herculaneum a lesson in natural history Matteo Puttilli Towards a multimedia approach in geographical research and education Reflections from the web research Al centro di Tunisi Au centre de Tunis Simone Betti Alessandro Ceccarelli Is family farming educational The Australian experience THE LANGUAGE OF IMAGES Edited by Elisa Bignante and Marco Maggioli Rickie Sanders Bogdan Jankowski Exploring Urban Geography in Italo Calvino s Invisible Cities MAPPING SOCIETIES Edited by Edoardo Boria

Russell Foster Now we need to make Italians Semiotics and Semantics in Teaching Cartography GEOGRAPHICAL NOTES AND PRACTICAL CONSIDERATIONS Maria Paradiso Between Krakow 2014 and Moscow 2015 TEACHINGS FROM THE PAST Halford Mackinder Geography as a Pivotal Subject in Education with comments by Davide Papotti Re reading Geography as a Pivotal Subject in Education by H Mackinder Law, Religion and Human Flourishing in Africa M. Christian Green, 2019-05-15 A shared interest of law and religion is the advancement of human flourishing yet there is no common understanding of what it means for humans to flourish and the means by which to attain a flourishing life The concept of human flourishing is especially important for Africa where community and national development compete with forces of conflict and scarce resources In the broadest sense the concept of human flourishing focuses our attention on having a comprehensively good or worthwhile life but various religious and legal traditions suggest different norms for measuring the quality of life and designing the institutional structures that could best facilitate and preserve it *The Sustainability Grand Challenge* Michael Gibbert, Liisa Välikangas, Marijane Luistro-Jonsson, 2020-11-26 How do universities tackle wicked sustainability challenges faced by society The Wicked Learning Workbook is a toolkit for setting up and running an interdisciplinary master level course in the context of real world problems such as food waste and loss The book offers a new pedagogical approach that we call wicked because it is unorthodox ambitious and tackles complex problems that won't go away The pedagogy is also international at the course level rather than the conventional exchange semester enabling institutions to embed international approaches to their core teaching The Wicked Learning Workbook speaks directly to academics who are looking for solutions that provide stimuli for research and teaching while giving students an innovative international learning experience The approach develops student understanding of the UN Sustainable Development Goals as broad scale societal issues which are difficult if not impossible to solve An important outcome of this approach is the laboratory style classroom that creates opportunities for faculty students and companies to co create solutions that are immediately implementable The resulting methodology is based on industry university collaboration such as IKEA and Nestlé The methodology is of interest to corporate leaders pursuing sustainability goals and business transformation Achieving sustainability requires cross boundary cross disciplinary experimental approaches that allow for scalability Wicked problems can only be tackled with wicked solution approaches **Qualitative Research & Evaluation Methods** Michael Quinn Patton, 2014-10-29 Drawing on more than 40 years of experience conducting applied social science research and program evaluation author Michael Quinn Patton has crafted the most comprehensive and systematic book on qualitative research and evaluation methods inquiry frameworks and analysis options available today Now offering more balance between applied research and evaluation this Fourth Edition of Qualitative Research more than a hundred new summarizing and synthesizing exhibits and a wide range of new highlight sections sidebars that elaborate on important and emergent issues For the first time full case studies are included to illustrate extended research and evaluation examples In addition each chapter features

an extended rumination written in a voice and style more emphatic and engaging than traditional textbook style about a core issue of persistent debate and controversy
