**Great Design** Homer L. Hall,Aaron Manfull,2014-12-15 Strong articles and photographs are not enough to make a great newspaper or yearbook The content needs to be arranged in a design with adequate white space consistent margins and easy to read fonts Students will be introduced to the technical elements and structures involved in design and the different ways that content can be arranged Although it s tempting to try to draw readers in with distinctive colors and tricks the most important aspect of design is to make the content easier to read understand and navigate A vital resource for any school newspaper or yearbook staff

**Living concepts** Marleen Reichgelt e.a.,2021-10-28 How do concepts such as the body intimacy adventure and intersectionality shape our engagement with gender history In this 40th anniversary edition of the Yearbook we revisit the question how concepts live in gender research practices and what it means to do gender history in 2021 Contributors include experienced researchers who have spent years sometimes decades contemplating the conceptual background of their work as well as scholars who have come to the field more recently and who therefore provide a different insight As such this Yearbook shows how certain concepts travel within academic culture across the Low Countries revealing not so much the theoretical underpinnings of the field but rather how these theoretical underpinnings find a home in individual research practices and may be used in surprising ways
