What Happened To The Drudge Report:

How the Right Lost Its Mind Charles J. Sykes, 2017-10-03 A book on the implosion of the Republican party and the conservative movement by a bestselling author and radio host who drew national attention after denouncing Donald Trump

Great American Hypocrites Glenn Greenwald, 2008-04-15 A takedown of the GOP's deceitful propaganda machine from the blogger of Salon's Unclaimed Territory and the author of the New York Times bestsellers *How Would a Patriot Act* and *A Tragic Legacy* Ever since the cowboy image of Ronald Reagan was sold to Americans the Republican Party has used the same John Wayne imagery to support its candidates and take elections We all know how they govern but the right wing propaganda machine is very adept at hijacking debate and marketing their candidates as effectively as the Marlboro Man For example Myth The Republican nominee is an upstanding regular guy who shares the values of the common man Reality He divorced his first wife in order to marry a young multimillionaire heiress whose family then funded his political career Myth Republicans are strong on defense and will keep us safe Reality They prey on fears and their endless wars make America far less secure Myth Republicans are the party of fiscal restraint and small limited government Reality Soaring deficits unchecked presidential power and an increasingly invasive surveillance state are par for the course The first book to dissect the Republican Cult of Personality and leave it openly exposed in its unabashed shameful depravity *Great American Hypocrites* is a deeply necessary call out to Democrats to attack the GOP with their competitor's very own weapons Praise for *Great American Hypocrites* Intelligent insightful Daily Kos Glenn Greenwald has done it again Alan Colmes Glenn Greenwald is a treasure BuzzFlash

Set against the backdrop of Washington D.C. AT ANY COST sets up a smoldering romance as it takes readers into the super secret world of the Secret Service, the NSA and ultimately the most private reaches of the White House.

Prisoners of the White House Kenneth T. Walsh, 2015-11-17 Prisoners of the White House looks at the isolation experienced by presidents of the United States in the White House, a habitat almost guaranteed to keep America's commander in chief far removed from everyday life. The authors look at how this is emerging as one of the most serious dilemmas facing the American presidency. As presidents have become more isolated, the role of the presidential pollster has grown. Ken Walsh has been given exclusive access to the polls and confidential memos received by presidents over the years and has interviewed presidential pollsters directly to gain their unique perspective. Prisoners of the White House gets inside the bubble and punctures the mythology surrounding the presidency.

The Border Nation E. Hilgeman, Donald E. Hilgeman, 2009-12 Maggie and Martin LaTour have been married just two years when she suddenly disappears during a camping trip to Mexico. When her disfigured body is discovered just a few miles from their campsite, the course of Martin's life is changed forever. After returning to the States, Martin takes a leave of absence from his job and while teetering precariously between mental disintegration and the need for revenge, begins to focus on a new life mission to stop illegal aliens at all cost. Martin's sudden mega lottery win helps him finance a bizarre assassination plan that eventually rocks the tranquility of two governments. An unprecedented but predictable public outcry of human rights violations changes Martin's tactics from committing brutal murders to coordinating organ transplant harvesting using illegal aliens as donors. After the NSA and Interpol plot to assassinate Martin with the help of his lover and a vial of deadly Polonium, a senator's young daughter is diagnosed with a rare disease and an organ transplant is her only hope for survival. Through murder, second chances, love, justice and betrayal, Martin battles an extraordinary turn of events and must decide if all he has sacrificed is worth it in the end.
